Brockmole, 2016-05-17 The acclaimed author of *Letters from Skye* returns with an extraordinary story of a friendship born of proximity but boundless in the face of separation and war. Luc Cr pet is accustomed to his mother's bringing wounded creatures to their idyllic chateau in the French countryside where healing comes naturally amid the lush wildflowers and crumbling stone walls. Yet his maman's newest project is the most surprising: a fifteen-year-old Scottish girl grieving over her parents' fate. A curious child with an artistic soul, Clare Ross finds solace in her connection to Luc, and she in turn inspires him in ways he never thought possible. Then just as suddenly as Clare arrives, she is gone whisked away by her grandfather to the farthest reaches of the globe. Devastated by her departure, Luc begins to write letters to Clare, and even as she moves from Portugal to Africa and beyond, the memory of the summer they shared keeps her grounded. Years later, in the wake of World War I, Clare, now an artist, returns to France to help create facial prostheses for wounded soldiers. One of the wary veterans who comes to the studio seems familiar, and as his mask takes shape beneath her fingers, she recognizes Luc. But is this soldier, made bitter by battle and betrayal, the same boy who once wrote her wistful letters from Paris? After war and so many years apart, can Clare and Luc recapture how they felt at the edge of that long-ago summer? Bringing to life two unforgettable characters and the rich historical period they inhabit, Jessica Brockmole shows how love and forgiveness can redeem us.

Praise for Jessica Brockmole's *Letters From Skye*: A remarkable story of two women, their loves, their secrets, and two world wars in which the beauty of Scotland, the tragedy of war, the longings of the heart, and the struggles of a family torn apart by disloyalty are brilliantly drawn. Publishers Weekly starred review. Tantalizing, sure to please readers who enjoyed other epistolary novels like *The Guernsey Literary and Potato Peel Pie Society*. *Stratford Gazette*. An absorbing and rewarding saga of loss and discovery. Kate Alcott, author of *The Dressmaker*. A sweeping and sweet but not saccharine love story. *USA Today*. A dazzling little jewel. *Richmond Times Dispatch*. A captivating love story that celebrates the power of hope. Vanessa Diffenbaugh, author of *The Language of Flowers*.

**The House at the Edge of the Woods** Rachel Hancox, 2024-04-01 The unsolved mystery of a murder lies at the heart of this page-turning story of a young couple who are struggling to find happiness and meaning in their lives together. Perfect for fans of Claire Douglas. A story about extraordinary events happening to ordinary people. *Banbury Guardian*. \_\_\_\_\_ When Ben was seven, his mother was murdered in the woods while he waited for her in their car. The case made the front pages, but her killer was never found. Thirty years later, Ben has a safe, grown-up life: a job, a ramshackle cottage, and most importantly, a happy marriage to Rebecca. His mother has receded to the corners of his mind, lingering only in the nightmares that won't quite go away. Then Rebecca takes on a new job painting a fairy tale fresco for a wealthy businessman who starts asking questions about Ben's mother. Is it time for the truth to come out, and for Ben to face the questions he's never dared ask before? \_\_\_\_\_ Love for *The House at the Edge of the Woods*. Breathtaking. Full of twists and turns that keep the reader engaged and intrigued. Superb, compelling reading. Excellent novel. An intriguing premise and some thoughtful storytelling. The unravelling of the story worked well. I was fully satisfied by the

**"Painting, Politics and the Struggle for the ?ole de Paris, 1944?964 "** Natalie Adamson,2017-07-05 Painting Politics and the Struggle for the ole de Paris 1944 1964 is the first book dedicated to the postwar or nouvelle ole de Paris It challenges the customary relegation of the ole de Paris to the footnotes not by arguing for some hitherto hidden merit for the art and ideas associated with this school but by establishing how and why the ole de Paris was a highly significant vehicle for artistic and political debate The book presents a sustained historical study of how this school was constituted by the paintings of a diverse group of artists by the combative field of art criticism and by the curatorial policies of galleries and state exhibitions By thoroughly mining the extensive resources of the newspaper and art journal press gallery and government archives artists writings and interviews with surviving artists and art critics the book traces the artists exhibitions and art critical debates that made the ole de Paris a zone of aesthetic and political conflict Through setting the ole de Paris into its artistic social and political context Natalie Adamson demonstrates how it functioned as the defining force in French postwar art in its defence of the tradition of easel painting as well as an international point of reference for the expansion of modernism In doing so she presents a wholly new perspective on the vexed relationships between painting politics and national identity in France during the two decades following World War II
