**Reality Religion** Dale Heaton, 2011-03-14 Reality Religion A Biblical Faith Handbook for the Modern World Many people have questions about the Bible and the faith that they do not feel free to ask since questioning is often viewed as ignorance or lack of faith In reality questions are a sign of intelligence and sincere seeking after faith a search for answers to doubts I have always viewed questions as an opportunity to rethink my own faith and re shape my answers to help people over faith obstacles they are encountering This has become more urgent with the rise of literalism and the infallibility of scripture interpretation It is more important than ever to bring back those who are being driven away by platitudes and by requirements for literal interpretation which creationism and dispensationalism demand This drives many thinking people away from the church and the emphasis on death and some other world in eternity distracts people from finding meaning for life in this world
