Religion And Women:

Women in Religion Jean Holm, John Bowker, 2001-01-01 The place of women in the religions both as expressed in the classical writings and as experienced in life is carefully considered in this book It deals with what part women can and or do play in religious institutions how relevant religion is to their general role in society and the significance of cultural influences for attitudes to women within the religious traditions Addressing important issues of the day this series examines how each of the eight major religions approaches a particular theme Constructed to be comparative the books are both authoritative and accessible Each chapter is followed by a selected bibliography This book is ideal for undergraduate students

Women within Religions Loreen Maseno, Elia Shabani Mlilo, 2019-12-05 Women are the majority in almost every cultural or social group However their roles vary in various cultures religions and traditions In some cultures and religions they are highly honored while in others they are neglected oppressed and segregated This book examines women's role in a few selected world religions namely Christianity Islam African Traditional Religion Hinduism and Buddhism It also surveys the concept of patriarchy and the various theoretical perspectives surrounding it Eventually this book discusses the concept of ecofeminism and how feminists perceive of the relationship between nature and the oppression of women The book grapples with the question In what way do world religions perceive of women and their role in their teachings and traditions This book is important for students and teachers of gender studies African theology and Christian theology as a whole

Women in Religion Mary Pat Fisher, 2007 Is the history of religion always the history of the beliefs and practice of men Not if one looks carefully notes Fisher comparative religion Gobind Sadan Institute who includes biographies of women and direct quotations to show how powerful the female has been and continues to be in a wide range of faiths whether by universal belief or by t

Religion and Women Arvind Sharma, 1994-01-01 This book discusses the position of women in the Native American African Shinto Jaina Zoroastrian Sikh and Baha'i faiths for the first time in a single volume and evolves a conceptual framework within which their positions could be comprehensively considered The contributing scholars provide an enlarged database for a more thorough discussion of the questions pertaining to women and religion in general and simultaneously advance the theoretical frontiers in women's studies Religion and Women belongs to a trilogy about women and world religions edited by Arvind Sharma the first and third volumes being respectively Women in World Religions and Today's Woman in World Religions

Women, Religion, and Space Karen M. Morin, Jeanne Kay Guelke, 2007-06-01 This volume studies females who practice or interact with gender norms of Christianity Judaism and Islam in relation to the geography of place The book focuses on attempts by religious and secular authorities to control women's access to distinct spaces to show how religious women navigate harsh terrain and attain mobility within established institutions The writings are grouped under three sections Women and Colonial Regimes Religion and Women's Mobility and New Spaces for Religious Women Secular critical and comparative viewpoints are explored with much of the scholarship steeped in fieldwork i.e. an orthodox

Sisters and Saints Ann Braude,2007-11-21 Ann Braude examines the central role of women in American religious history focusing on their efforts to achieve greater recognition and equal rights their recent admission to religious leadership and the emergence of feminist theology in the late 20th century from publisher description **Theory of Women in Religions** Catherine Wessinger,2020-12-01 An introduction to the study of women in diverse religious cultures While women have made gains in equality over the past two centuries equality for women in many religious traditions remains contested throughout the world In the Roman Catholic Church and the Church of Jesus Christ of Latter day Saints women are not ordained as priests In areas of Pakistan and Afghanistan under Taliban occupation girls and women students and their teachers risk their lives to go to school And in Sri Lanka fully ordained Buddhist nuns are denied the government identity cards that recognize them as citizens Is it possible to create families societies and religions in which women and men are equal And if so what are the factors that promote equality Theory of Women in Religions offers an economic model to shed light on the forces that have impacted the respective statuses of women and men from the earliest developmental stages of society through the present day Catherine Wessinger integrates data and theories from anthropology archaeology sociology history gender studies and psychology into a concise history of religions introduction to the complex relationships between gender and religion She argues that socio economic factors that support specific gender roles in conjunction with religious norms and ideals have created a gendered division of labor that both directly and indirectly reinforces gender inequality Yet she also highlights how as the socio economic situation is changing religion is being utilized to support the transition toward women s equality noting the ways in which many religious representations of gender change over time *Feminism and Religion* Rita M. Gross,1996 Surveys feminist studies of the history of Judaism and Christianity and discusses the changes feminism has wrought in the study of women s religious lives and in religious ritual and leadership **Encyclopedia of Women and Religion in North America: Native American creation stories** Rosemary Skinner Keller,Rosemary Radford Ruether,Marie Cantlon,2006 A fundamental and well illustrated reference collection for anyone interested in the role of women in North American religious life **Women and Religion** Judith Plaskow,Working Group on Women and Religion,1974 Selected papers from two conferences held in 1972 and 1973 Includes bibliographical references , **Her**

Voice, Her Faith Katherine Young, 2018 They say religion is a personal and private affair But when a woman believes in a tradition she has a relationship to that faith beyond her sacred space Religious traditions historically poor treatment of women has lead many to question why they believe How has their tradition either embraced and enlightened or excluded and confined women throughout history Her Voice Her Faith presents the personal and historical perspectives of women who not only live their faith day to day but who also know their religion s history with women in general Provided by publisher

Women and World Religions Lucinda J. Peach, 2002 This book features a number of different articles and essays that focus on women as active agents of their spiritual lives a topic that is often overlooked in most other world religion books It explores how women from many parts of the world have thought about acted and have been treated as members of a religious tradition Investigates how women of a variety of religious traditions e g Hinduism Buddhism Islam Christianity etc practice their religion how their beliefs differ from men and how they have carved out their own place within their religious tradition For anyone interested in how women are shaped by and how they shape the various world religions *Religion in the Lives of English Women, 1760-1930* Gail Malmgreen, 1986 **World Religions in America, Fourth Edition** Jacob Neusner, 2009-10-07 The fourth edition of World Religions in America continues its lauded tradition of providing students with reliable and nuanced information about America s religious diversity while also reflecting new developments and ideas Each chapter was updated to reflect important changes and events and current statistics and information New features include a timeline of key events and people for each tradition sidebars on major movements or controversies personal stories from members of various faiths a theme based organization of subjects more subheads three new chapters exploring America s increasing religious diversity and suggestions for further study *Woman and Religion* Mary John Mananzan, 1988

Religion, Gender and Citizenship , 2016 Through interviews with Christian and Muslim women in Norway Spain and the United Kingdom this book explores intersections between religion citizenship gender and feminism How do religious women think about citizenship and how do they practice citizenship in everyday life How important is faith in their lives and how is religion bound up with other identities such as gender and nationality What are their views on gender equality women s movements and feminism The answers offered by this book are complex Religion can be viewed as both a resource and a barrier to women s participation The interviewed women talk about citizenship in terms of participation belonging love care tolerance and respect Some seek gender equality within their religious communities while others accept different roles and spaces for women Natural differences between women and men and their equal value are emphasized more than equal rights Women s movements are viewed as having made positive contributions to women s status but interviewees are also critical of claims related to abortion and divorce and of feminism s allegedly selfish unwomanly anti men and power seeking stance In the interviews Christian privilege is largely invisible and silenced while Muslim disadvantage is both visible and articulated Line Nyhagen and Beatrice Halsaa unpack and make sense of these findings discussing potential implications for the
