RELIGION, DEVIANCE, & SOCIAL CONTROL

Religion and morality – 500 years in the past – as means of
social control – 500 years in the future – as means of social control

Religion Deviance And Social

Russil Durrant, Zoe Poppelwell

Religion Deviance And Social:

Religion, Deviance, and Social Control Rodney Stark, William Sims Bainbridge, 1996 First Published in 1997
Routledge is an imprint of Taylor Francis an informa company

The SAGE Handbook of the Sociology of Religion
James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

Handbook of Religion and Society David Yamane, 2016-07-15 The Handbook of Religion and Society is the most comprehensive and up to date treatment of a vital force in the world today It is an indispensable resource for scholars students policy makers and other professionals seeking to understand the role of religion in society This includes both the social forces that shape religion and the social consequences of religion This handbook captures the breadth and depth of contemporary work in the field and shows readers important future directions for scholarship Among the emerging topics covered in the handbook are biological functioning organizational innovation digital religion spirituality atheism and transnationalism The relationship of religion to other significant social institutions like work and entrepreneurship science and sport is also analyzed Specific attention is paid where appropriate to international issues as well as to race class sexuality and gender differences This handbook includes 27

chapters by a distinguished diverse and international collection of experts organized into 6 major sections religion and social institutions religious organization family life course and individual change difference and inequality political and legal processes and globalization and transnationalism The Oxford Handbook of the Sociology of Religion Peter Clarke,2009
 An expert team of international scholars provide fifty one essays as entry points into the sociological study and understanding of religion and in depth surveys into its changing forms and content in the contemporary world Issues discussed range from ecology to law art to cognitive science crime to health care **Religion, Work, and Inequality** Lisa Keister,2002-04-17
 Work behaviours and inequality in work based rewards are essential to financial security and general well being Although the benefits of receiving work based rewards such as income benefits and retirement packages are significant they are not enjoyed uniformly This title articulates an agenda for better understanding these social processes **Sociology of Religion** Roberto Cipriani,2020-10-28 In adopting an international perspective that goes beyond the conventional framework of western theology this volume bridges the divide between European and North American scholars through its careful retrieval of their common theoretical and research interests Cipriani provides a critical analysis of both classical thought and contemporary currents in this readable text aimed at both experts and students He has achieved a broadening in the scientific approach to the study of religion *Religion, Crime and Punishment* Russil Durrant,Zoe Poppelwell,2017-10-17
 This book provides a critical discussion of the way in which religion influences criminal and antisocial behaviour punishment and the law intergroup conflict and peace making and the rehabilitation of offenders The authors argue that in order to understand how religion is related to each of these domains it is essential to recognise the evolutionary origins of religion as well as how genetic and cultural evolutionary processes have shaped its essential characteristics Durrant and Poppelwell posit that the capacity of religion to bind individuals into socially cohesive moral communities can help us to understand its complex relationship with cooperation crime punishment inter group conflict and forgiveness An original and innovative study this book will be of special interest to criminologists and other social scientists interested in the role of religion in crime punishment intergroup conflict and law Religion, Faith and Crime Kim Sadique,Perry Stanislas,2016-05-28 This unique collection brings together international contributors from a range of disciplines to explore crime and responses to crime through a religious faith based lens At a time when religion is under the media spotlight in terms of religiously motivated hate crime terrorism and child abuse this book provides an important platform for academic debate It examines these and other key issues including faith as a coping strategy religion as a motivating factor and the role of religion and morality in shaping criminal justice responses This collection clearly places religion faith at the heart of criminological enquiry and illustrates its relevance in addressing wider social issues and would be of benefit to students and academics researching or studying in these areas It will also be of interest to community and criminal justice practitioners and those with an interest in community engagement and multi faith work *Religion* Christian Smith,2019-03-26 A groundbreaking

new theory of religion Religion remains an important influence in the world today yet the social sciences are still not adequately equipped to understand and explain it This book advances an innovative theory of religion that goes beyond the problematic theoretical paradigms of the past Drawing on the philosophy of critical realism and personalist social theory Christian Smith explores why humans are religious in the first place uniquely so as a species and offers an account of secularization and religious innovation and persistence that breaks the logjam in which religious scholarship has been stuck for so long Certain to stimulate debate and inspire promising new avenues of scholarship Religion features a wealth of illustrations and examples that help to make its concepts accessible to readers This superbly written book brings sound theoretical thinking to a perennially thorny subject and a new vitality and focus to its study

Sociology of Religion

Roberto Cipriani, 2017-09-08 Sociology of Religion represents a documented introduction to the history of sociological thought as applied to religious phenomena It examines both the substantive and functional definitions of religion that are more open pluralistic and not inscribed in a single explanatory horizon or within a single confessional perspective The contributors concerns are carefully written to show all sides of the argument Roberto Cipriani argues for the simple definition that the sociology of religion is an application of sociological theories and methods to religious phenomena Historically close ties between sociology and the sociology of religion exist The slow and uneven development of theory and methods affects the sociology of religion s development but the latter has also benefited from increasing precision and scientific validity Other sociological writers agree and disagree about different approaches Some assume it is a militantly confessional or anti confessional others remain neutral within their work

Religion, the Community, and the Rehabilitation of Criminal Offenders

Thomas P O'Connor, 2013-01-11 Explore the relationship between faith based programs religion and offender rehabilitation This book reports on current research from several disciplines to help the reader understand the nature and impact of the relationship between faith based programs religion and offender rehabilitation Religion the Community and the Rehabilitation of Criminal Offenders is a unique resource there has been very little research published on this important topic President Bush s faith based initiative recognized that religion plays a role in the justice system and corrections that is overlooked but essential it increases the role of community and caring in the system in a unique and important way This pathbreaking book points the way toward a system of faith based programs that are not only effective but also economical as these programs are often staffed by volunteers Religion the Community and the Rehabilitation of Criminal Offenders addresses important questions regarding the importance and effectiveness of faith based rehabilitation programs including What is the relationship between prison religion and offender rehabilitation What motivates inmates to become involved with religious programs and activities What is the prison chaplain s role in rehabilitation Are certain religious denominations more effective than others in preventing crime delinquency and recidivism How does religious activity help inmates adjust to the prison environment What do inmates have to say about the religious

programs they encounter within the system How did Islam develop within American correctional institutions and what changes has the movement gone through in recent years Why do female African American inmates tend to resist conversion to Islam while their male counterparts embrace the Muslim faith in increasing numbers How can sacred texts and social theory be utilized as teaching tools and intervention strategies in the transformation processes of men incarcerated for violent crimes A fascinating study from the Sing Sing prison and more Studying Religion and Society Titus Hjelm, Phil Zuckerman, 2013 How do you study religion and society In this fascinating book some of the most famous names in the field explain how they go about their everyday work of studying religions in the field They explain how the ideas for their projects and books have come together how their understanding of religion has changed over the years and how their own beliefs have affected their work They also comment on the changing nature of the field the ideas which they regard as most important and those which have not stood the test of time Lastly they offer advice to young scholars and suggest what needs to be done to enable the field to grow and develop further Religion and Crime: Theory, Research, and Practice Kent R. Kerley, 2018-11-15 This book is a printed edition of the Special Issue Religion and Crime Theory Research and Practice that was published in Religions Evolution, Religion, and Cognitive Science Fraser Watts, Léon P. Turner, 2014-03-20 The cognitive science of religion is an inherently heterogeneous subject incorporating theory and data from anthropology psychology sociology evolutionary biology and philosophy of mind amongst other subjects One increasingly influential area of research in this field is concerned specifically with exploring the relationship between the evolution of the human mind the evolution of culture in general and the origins and subsequent development of religion This research has exerted a strong influence on many areas of religious studies over the last twenty years but for some the so called evolutionary cognitive science of religion remains a deeply problematic enterprise This book's primary aim is to engage critically and constructively with this complex and diverse body of research from a wide range of perspectives To these ends the book brings together authors from a variety of relevant disciplines in the thorough exploration of many of the key debates in the field These include for example can certain aspects of religion be considered adaptive or are they evolutionary by products Is the evolutionary cognitive science of religion compatible with theism Is the evolutionary cognitive approach compatible with other more traditional approaches to the study of religion To what extent is religion shaped by cultural evolutionary processes Is the evolutionary account of the mind that underpins the evolutionary cognitive approach the best or only available account Written in accessible language with an introductory chapter by Ilkka Pyysiäinen a leading scholar in the field this book is a valuable resource for specialists undergraduate and graduate students and newcomers to the evolutionary cognitive science of religion *Handbook of Religion and Social Institutions* Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on

several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

The Encyclopedia of Crime and Punishment Wesley G. Jennings, George E. Higgins, Mildred M. Maldonado-Molina, David N. Khey, 2016-01-19 The Encyclopedia of Crime and Punishment provides the most comprehensive reference for a vast number of topics relevant to crime and punishment with a unique focus on the multi interdisciplinary and international aspects of these topics and historical perspectives on crime and punishment around the world Named as one of Choice's Outstanding Academic Titles of 2016 Comprising nearly 300 entries this invaluable reference resource serves as the most up to date and wide ranging resource on crime and punishment Offers a global perspective from an international team of leading scholars including coverage of the strong and rapidly growing body of work on criminology in Europe Asia and other areas Acknowledges the overlap of criminology and criminal justice with a number of disciplines such as sociology psychology epidemiology history economics and public health and law Entry topics are organized around 12 core substantive areas international aspects multi interdisciplinary aspects crime types corrections policing law and justice research methods criminological theory correlates of crime organizations and institutions U S victimology and special populations Organized authored and Edited by leading scholars all of whom come to the project with exemplary track records and international standing 3 Volumes www.crimeandpunishmentencyclopedia.com

Handbook of the Sociology of Morality Steven Hitlin, Stephen Vaisey, 2010-10-17 Human beings necessarily understand their social worlds in moral terms orienting their lives relationships and activities around socially produced notions of right and wrong Morality is sociologically understood as more than simply helping or harming others it encompasses any way that individuals form understandings of what behaviors are better than others what goals are most laudable and what proper people believe feel and do Morality involves the explicit and implicit sets of rules and shared understandings that keep human social groups intact Morality includes both the shoulds and should nots of human activity its proactive and inhibitive elements At one time sociologists were centrally concerned with morality issues like social cohesion values the goals and norms that structure society and the ways individuals get socialized to reproduce those concerns In the last half century however explicit interest in these topics has waned and modern sociology has become uninterested in these matters and morality has become marginalized within the discipline But a resurgence in the topic is happening in related disciplines psychology neurology philosophy and anthropology and in the wider national discourse Sociology has much to offer but is not fully engaged in this conversation Many scholars work on areas that would fall under the umbrella of a sociology of morality but do not self identify in such a manner nor orient their efforts toward conceptualizing what we know and should know along these dimensions The Handbook of the Sociology of Morality fills a

niche within sociology making explicit the shared concerns of scholars across the disciplines as they relate to an often overlooked dimension of human social life It is unique in social science as it would be the first systematic compilation of the wider social structural cultural cross national organizational and interactional dimension of human moral understood broadly thought feeling and behavior *Forbidden Fruit : Sex & Religion in the Lives of American Teenagers* Mark D. Regnerus Associate Professor of Sociology University of Texas at Austin, 2007-02-05 Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is rooted in religion But how exactly does religion contribute to the formation of teenagers sexual values and actions What difference if any does religion make in adolescents sexual attitudes and behaviors Are abstinence pledges effective What does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and other questions *Forbidden Fruit* tells the definitive story of the sexual values and practices of American teenagers paying particular attention to how participating in organized religion shapes sexual decision making Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how young people learn and what they know about sex from their parents schools peers and other sources He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs And strikingly evangelical teens aren't less sexually active than their non evangelical counterparts they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations The only and largely ineffective sexual message most religious teens are getting is Don't do it until you're married Ultimately Regnerus concludes religion may influence adolescent sexual behavior but it rarely motivates sexual decision making [Invitation to the Sociology of Religion](#) Phil Zuckerman, 2003 First Published in 2004 Routledge is an imprint of Taylor Francis an information company **Economics of Religion** Lionel Obadia, Donald C. Wood, 2011-10-25 Explores the fresh paradigms of religious economics and economies of religion under the scope of transdisciplinary and international perspectives This title examines and appraises some of the theoretical developments and methodological innovations in religious and social sciences

Religion Deviance And Social Introduction

In today's digital age, the availability of Religion Deviance And Social books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion Deviance And Social books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion Deviance And Social books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion Deviance And Social versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion Deviance And Social books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion Deviance And Social books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion Deviance And Social books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion Deviance And Social books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion Deviance And Social books and manuals for download and embark on your journey of knowledge?

FAQs About Religion Deviance And Social Books

What is a Religion Deviance And Social PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion Deviance And Social PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion Deviance And Social PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion Deviance And Social PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion Deviance And Social PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator,

such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
