

Religion Of The Chinese People

Xinzhong Yao

Religion Of The Chinese People:

The Religion of the Chinese People Marcel Granet,1975

Religious Faith of the Chinese Xinping Zhuo,2017-12-26

This book comprehensively examines religious faith in China from the perspective of cultural philosophy and cultural history. It explores the social, political, cultural, and spiritual meanings of religions, tracing their historical development and related paradigm shifts. It also analyzes the characteristics of the country's local religions and the process of indigenization of world religions and describes the peaceful co-existence and harmonious confluence of multiple religions in Chinese spiritual life, revealing the vibrant and diverse colors of its religious culture. Examining these religions' social and cultural functions in contemporary Chinese society, the book demonstrates the rich and complex intertwinement of religious faith, cultural spirit, and national disposition among the Chinese people.

Chinese Religion and Familism Jordan Paper,2019-10-03

Reflecting on over half a century of study on Chinese culture, Jordan Paper explores new ways of approaching religion in China. Moving away from using Christianity as a model for examination, which has led to considerable misunderstandings between China and the West, Paper instead applies the paradigm of Familism to Chinese religion. By looking through the lens of Familism, which emphasises the importance of the family unit, Paper argues that we can understand the basis of Chinese culture, society, government, and religion. In the book, Paper explains how, when, and why Familism appears in the development of human culture in the Neolithic period, as well as its ramifications in more complex societies, using the imperial Chinese state as an example. The discussion in the book includes how the Chinese state can be understood as a religious institution, the role of spirit possession, the relationship of other religions in China to Chinese Religion, including Buddhism, Daoism, and Judaism, and the issue of freedom of religion in contemporary China. Chinese Religion and Familism not only challenges the discipline's perception of Chinese religion but all of the religions of East Asia, indigenous sub-Saharan African religions, Polynesian Religion, and elsewhere.

Chinese vs. Western Perspectives Jinghao Zhou,2013-12-04

China is on the rise in the globalized world. The relationship between China and the United States has become the most important global issue in the twenty-first century. It is urgent to understand what is happening in China and where China is heading. However, there are many misconceptions about China in the West, which affect Westerners' ability to objectively understand China and ultimately influence the making of foreign policy toward China. The author attempts to challenge the misconceptions coming from both Western societies and China and offer an integrated picture of contemporary China through systematically examining the major aspects of contemporary Chinese society and culture with the most recent data and presents convincing arguments in eighteen chapters for spurring mutual understanding between China and the West. The author intends this book to be an interdisciplinary and comprehensive guide to China for a general audience, and it covers a wide variety of topics, including history, family, population, Chinese women, economy, environmental issues, politics, religion, media, U.S.-China relations, and other subjects. This book demonstrates the author's extensive research and thoughtful examination of many sides of controversial

issues related to China with a nice balance of Western and Chinese scholarship This is one of the few that are authored by scholars who originate from China and have their professional career in the United States but it is distinctive from the rest of studies on this subject in that the author is committed to examining today's China from Chinese as well as Western perspectives This is not only a scholarly book but also is suitable for general classes on China THE GUQIN CULTURE AND THE CHINESE PEOPLE'S LIFESTYLE Geng Yanxia,2024-12-10 As early as in the primitive times Chinese people began to use musical instruments which has evolved today into three main types wind string percussion categorized by the way they are played The string instruments could also be divided into two types the one is two stringed represented by er hu jinhu etc the other is represented by guqin and guzheng played unconventionally by plucking the strings with fingers Guqin is one of China's oldest and most revered musical instruments which was listed as one of the masterpieces of the oral and intangible heritage of the world by UNESCO in 2003 also named as seven stringed qin or sitong etc with a history of over 3000 years In Chinese history there are significant body of literary works ancient stories and theories related to it Records indicate that it has been a favorite of the literati for more than 2500 years Confucius himself was a great lover of the instrument Over centuries it became a representative of the life taste and pastime of the Chinese literati In addition to its contribution to solo and orchestral musical arrangements a wealth of symbolic meaning also accrued to it over time Not only was the knowledge of the instrument reserved for the literati but its learning was also believed to be conducive to meditation and have an ability to facilitate intellectual enlightenment The guqin is so deeply embedded in the Chinese culture that to study it is to embrace an all encompassing moral philosophy known as the Dao of qin or the Way of the qin essentially a lifestyle of moderation self cultivation and decorum A sincere follower of the Way of the qin does not seek fame but like Boya² prefers a select audience of fragrant pines craggy peaks swirling mists and the occasional discerning human if he cannot find a bosom friend who can truly understand his sound like Ziqi Indeed a true guqin devotee does not have to play the instrument at all He can simply possess it and appreciate its soundless music *Chinese Religions in Contemporary Societies* James Miller,2006-04-03 A comprehensive introduction to the resurgence of religion in China and Taiwan since the end of the Cultural Revolution and a wide ranging examination of the impact of religious traditions on Euro Americans and Chinese immigrants in present day North America *Chinese Religions in Contemporary Societies* is an accessible multidimensional introduction to religions in present day China and Taiwan as well as an in depth exploration of how religious traditions and practices have been adopted by Americans and Chinese immigrants in North America The work covers the period since the Cultural Revolution but places its focus on the contemporary global context Written by religious studies expert James Miller and eight acclaimed scholars this handy one volume reference answers the demand for a comprehensive yet highly readable work on Chinese religions and their various forms The work breaks down the complexities of religious traditions highlighting key issues themes and movements such as the legacy of shamanism in popular Chinese and Taiwanese religion qigong in contemporary China and

the interpretations and practices of Chinese traditions and rituals in North America Filling a significant gap in the literature the handbook demonstrates the impact of social political and cultural factors on Chinese religion and identifies the forces behind the prevalence adaptation and transformation of Chinese religious practices from a global perspective *Chinese Religion* Xinzhong Yao,2010-05-25 A new introduction To The field of Chinese religion and culture ideally suited to undergraduate students

State, Market, and Religions in Chinese Societies ,2005-08-01 This collection of original new studies about Mainland China and Taiwan focuses on religious changes and especially the role of the state and market in affecting religious developments in these societies Information was gathered by participant observation and interviews primarily and the analysis of documents secondarily The topics covered are the growing interest in the study of religion the methods used by Christians to be able to coexist with a communist government revival techniques being used by Buddhist monks the strategies of Daoist priests and sect leaders to attract followers the significance of mass circulating morality books and the ongoing debate about the significance and nature of Confucianism The book will interest social scientists religious specialists journalists and others who want to understand the changing nature of Chinese societies and those interested in religious change in modernizing societies *Confucianism, Buddhism, Daoism, Christianity, and Chinese Culture* Yijie Tang,1991 Confucianism and Daoism absorbing and mutually transforming new horizons especially Buddhism attention to the writings of Matteo Ricci and potential Christian contributions to modern development in Chinese culture

The Characteristics of Chinese Cultural Spirit Qiyong Guo,2021-09-13 This book discusses issues like the characteristics of Chinese cultural spirit life wisdom of Confucianism Buddhism and Daoism the management wisdom of traditional Chinese culture features of Chinese philosophy as well as the definition of guoxue or Chinese studies Referring to previous research the author defines the characteristics of the traditional Chinese cultural spirit as creating harmony amid diversity and viewing the outside world with a broad mind being vigorous and self motivated with tenacious vitality taking benevolence and righteousness as supreme and being independent considering people as the basis of the nation thinking systematically and dialectically and being pragmatic and thrifty This book is beneficial to studies on cultural awareness civilization comparison as well as civilization exchange

Religion in China Adam Yuet Chau,2019-07-12 In recent years there has been an astonishing revival of religious practices in China Looking beyond numerical counts of religious practitioners temples and churches anthropologist Adam Yuet Chau s vivid study explores how religion is embedded in contemporary Chinese lives and society from personal devotion to community wide festivals Covering Buddhism Daoism and folk religion as well as Christianity and Islam this ethnographically rich book provides insights into the contemporary relevance of religious traditions in Chinese societies By considering the ways in which Chinese people do religion Chau reveals how religious practice plays a critical role in establishing and maintaining a wide range of relationships between people spirits and places ritual service providers and their customers the state and religious groups He argues that relationality is the key anchor of

religious lifeworlds and this insight demands an entirely new way of approaching religion everywhere This lively account will appeal to those studying or curious about Chinese or East Asian religions and serves as a perfect gateway to understanding religious practices in China today

Contemporary Religions in China Shawn Arthur,2019-01-30 Folk and popular religion is a very significant part of Chinese religious life especially in rural areas Contemporary Religions in China focuses on the religious activities of the lay people of contemporary China and their ideas of what it means to be religious and to practice religion Throughout the discussion is illustrated with case studies textboxes images thought questions and further reading which help to capture what religion is like how and why it is practiced and what religion means for everyday people across China in the twenty first century Contemporary Religions in China is an ideal introduction to religion in China for undergraduate students of religion Chinese studies and anthropology

Women in World Religions Arvind Sharma,2024-12-02 This book delves into the future of the relationship between religion and the status of women With contributions from distinguished scholars it examines current trends in the following religions Judaism Christianity Islam Hinduism Buddhism Jainism Sikhism Confucianism and Daoism It envisions the implications of these developments for the future position of women The method employed in this book is characterized by what is known as personalist epistemology The contributing authors blend their experiences as women within the diverse traditions along with more comprehensive accounts of the role of women in these religions By doing so they combine the finest aspects of subjective and objective approaches to studying women in world religions The contributors examine contemporary trends within their respective religious traditions by combining the finest aspects of subjective and objective approaches to studying women in world religions It serves as a testament to the enduring interest in women s roles in religion and the dynamic nature of the field The book intends to appeal to many readers from the general public to academics It offers valuable insights into the position of women in world religions making it relevant to both the average person and those engaged in scholarly pursuits

Religion Of The Chinese People Introduction

In today's digital age, the availability of Religion Of The Chinese People books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion Of The Chinese People books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion Of The Chinese People books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion Of The Chinese People versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion Of The Chinese People books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion Of The Chinese People books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion Of The Chinese People books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion Of The Chinese People books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion Of The Chinese People books and manuals for download and embark on your journey of knowledge?

FAQs About Religion Of The Chinese People Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
