Religion Of Jesus:

The Religion of Jesus Albert Gallatin Lawson,1920 **Jesus in the World's Faiths** Gregory A. Barker,2005-01-01 What Jesus as his teachings mean to contemporary Buddhists Hindus Muslims Jews and Christians in the context of their traditions and in their personal faith experiences **Jesus** W. Barnes Tatum,2015-09-23 Drawing on examples from literature art and popular culture aswell as theology this engaging book reveals the importance of thequestion whose was he in fully understanding the life andlegacy of Jesus A concise accessible and engaging exploration of Jesus s lifeand enduring influence Charts the changing global status and influence of Jesus aGalilean Jew born when the ancient Roman Empire ruled theMediterranean world and how he has come to be honored as theChrist and recognized by billions of people around the world Traces the reception history of Jesus and his story over thepast two millennia through art literature and culture as wellas theology Draws on a fascinating range of materials from ancient texts creeds and theological treatises to the visual and dramatic arts including books like The DaVinci Code and films such asThe Passion of the Christ *Images of Jesus* Christ in Islam Oddbjørn Leirvik,1999 The Method of Jesus Alfred Williams Anthony,1899 **The Religion of God and the Reformation by Jesus Christ** Religion,1876 Jesus and Muhammad Daniel Hummel,2017-07-01 Jesus and Muhammad lived in different times and in different contexts An absolute comparison of the careers of these two men is not a satisfactory method in understanding the similarities and differences between their teachings This book approaches this topic from a different perspective The time that Muhammad preached in Mecca is compared to the time Jesus spent preaching throughout Palestine This improves the similarities in contexts between them and makes a comparison more valid The number of similarities outweighs the number of differences when looking at the four books of the Gospel and the chapters of the Qur an revealed in Mecca On issues related to prayer the Oneness of God charity the Hereafter and forgiveness the teachings in these two books are practically the same A number of core theological issues surfaced in the Book of John do clash with Qur anic teachings about the person of Jesus These differences and the possible reasons for them are explored in this book The conclusion of this book is that Muslims and Christians have more shared values and even theological similarities than differences It is recommended that Muslims and Christians should spend more time understanding these commonalities The Secret Religion of Jesus N. H. Newhall,2008-01 No book about Gestalt therapy or probably any kind of psychotherapy for that matter has talked about anthropology ethnology and cross species comparison including vampire bats ground squirrels Florida scrub jays and chimpanzees as though they were relevant to the enterprise And there have been only a few books that have described how Evolutionary Psychology should begin to change the way we conceive of psychotherapy mental health and psychopathology This book treads on relatively new ground for both psychotherapists and Darwinists Therapists especially so called Humanistic therapists which include Gestalt therapists will find many of their standard assumptions about human behavior and life in general challenged For example the teleological

view that life has purpose toward perfection cannot possibly be true This does not mean that humans can't strive for some kind of ideal Indeed we should and we do But evolution tells us why this is difficult and why our hopes cannot be pinned on assumptions of innate goodness We need to understand what humans are really up to in order to achieve a social order that is well civilized This fact is most clearly exemplified by male female relationships which have hardly yielded at all to efforts to eradicate rape and violence the double standard and egregious misreading even through the centuries This book dares to explore and seek that understanding This book should make Gestalt therapy and its training methods attractive to students who are looking for something beyond their graduate school experience to prepare them for the psychotherapy profession in the 21st century The author recounts some of his experience in residential training and shows why that be preserved as a central feature in the development of Gestalt therapists

Jesus Among Other Gods Ravi Zacharias,2000-10-12 You can't be friends with God if the God you believe in doesn't really exist You can't depend on God if your God is a figment of your imagination In a world full of gods how do you know Jesus is real You have probably heard things like All religions lead to the same God All faiths teach the same things It doesn't matter what you believe just that you believe sincerely But Jesus said that He alone is the way to God He alone shows us the truth of who God is He alone gives us life close to God In this youth edition of *Jesus Among Other Gods* Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as THE God among all other gods Zacharias contrasts the truth of Jesus with the founders of Islam Hinduism and Buddhism providing strong descriptions of each faith and solid defenses for the cause of Christ In addition to the religion comparisons the book answers questions such as What about all the hypocrites at church How scientific is science How can you best share what you believe and Does the Bible teach reincarnation You can never be too young to learn how to defend your faith and this book will tell you exactly how to do just that

The Essence of Jesus Arthur Rowe,2006-01-01 Jesus of Nazareth the Nazarene Jesus Christ the Christ the Good Shepherd the Redeemer or the Deliverer To this day the identity of Jesus remains an unfathomable mystery for non believers and a glorious open book of hope for the devout Who really was this figure and why are his life and sermons so pivotal to the core of Christianity the religion founded in his name and in honour of his sacrifice to humankind *The Essence of Jesus* tackles such fascinating subject matter in ground breaking form turning to sources as diverse as the Bible iconic art Church reformers religious ritual as well as other religions leaders and holy texts in order to offer a well rounded discussion about the power of Jesus word and his legacy

The Taming of Jesus by Christianity Wayne W. Mahan,2001 In *The Taming of Jesus by Christianity* Wayne Mahan peels back the layers of Christianity to provide his readers with a dramatic account of how the original radical teachings of Jesus were domesticated and transformed into a world changing religion Mahan's book is written for a modern public that has become increasingly uncomfortable with the idea of formal institutionalized religion He demonstrates that Christianity has at its core Jesus demand of love embodied in the Sermon on the Mount and that this demand was simply too radical to form a viable religion

Mahan walks the reader through the New Testament showing how this radical demand of love stands at the center of the synoptic gospels and how it is systematically transformed by Paul and the Gospel of John into a faith in Jesus as atoning sacrifice and God Man that is formalized and institutionalized by the Council of Nicaea In a surprising and compelling presentation Mahan argues that this transformation of the Christian message was a necessary betrayal that allowed the original radical message of Jesus to be carried within a palatable host religion rather than be rejected and abandoned two millennia ago The Taming of Jesus combines a succinct survey of the New Testament with a pointed examination of the central ideas of the Christian faith

It's All About Jesus: It Was About Him. It Is About Him. It Will Always Be About Him. Asemokhai Yakubu, 2017-05-22

The truth about Jesus Christ is that He came to the earth to save us from sin But what else do we know about Christ and more importantly what else have we been taught Was Jesus Christ a man or deity or both Was Christ God incarnate or was he God s son a distinct individual And what is the significance of the body of Christ the church and the role of baptism in water for our salvation It s All About Jesus provides clarity and insight into these foundational questions about Christ the church and salvation Whether it is questions or beliefs about the nature of Christ the significance of being part of the body of Christ or how we worship and become new individuals in Christ believers are encouraged to test all things and hold fast to that which is true By searching the scriptures and rightly dividing the word of truth we can grow in our faith and have a clearer and more intimate relationship with the Lord for everything points to him

Christianity Donald W. Ekstrand, 2008-04 In this broad comprehensive introduction to Christianity Dr Ekstrand explores science philosophy Scripture the teachings of Jesus Christ the message of the apostles and the essence of orthodox Christianity as represented by both Catholic and Protestant traditions Christian *Discourses and Sayings of Our Lord Jesus Christ* John Brown, 1858 *The Historicity of Jesus* Shirley Jackson Case, 1912 The main purpose of the present volume is to set forth the evidence for believing in the historical reality of Jesus existence upon earth By way of approach the characteristic features of more recent opinion regarding the historical Jesus have been surveyed and on the other hand the views of those who deny his existence have been examined in detail The negative arguments have been carefully analyzed in order accurately to comprehend the problem Preface *The Real Messiah* Stephan Huller, 2012-01-01 Highly controversial but impeccably researched *The Real Messiah* explodes the myth that Jesus was the long prophesied Messiah of the Jewish nation Indeed it argues that Jesus never claimed that role but thought of himself as herald to the true Messiah Marcus Julius Agrippa the last King of the Jews and Jesus contemporary It was he who truly founded what became known as Christianity and wanted to build a faith to which anyone could aspire Though Marcus Agrippa was initially successful with the passing of time those in charge of the new faith capitulated to the whims of successive Roman Emperors and centered their religion on Jesus instead *The True Christian Religion* Emanuel Swedenborg, 1883 *The Theology of Christ, from His Own Words* Joseph Parrish Thompson, 1871 *The Christ Myth* Arthur Drews, 2020-09-28 Among no people was the longing for redemption so lively and the expectation of a speedy end of the world so strong as among the Jews Since the Babylonian captivity 586 536 B C the former Jewish outlook upon the world had undergone a great change Fifty years had been spent by the Israelites in the land of the stranger For two hundred years after their return to their own land they were under Persian overlordship As a consequence of this they were in close connection politically and economically with the Ach menidean Empire and this did not cease when Alexander overthrew the Persian power and brought the whole Eastern world under Greek influence During this lengthy period Persian modes of thinking and Persian religious views had influenced in many ways the old Jewish opinions and had introduced a large number of new ideas First of all the extreme dualism of the Persians had impressed a distinctly dual character upon Jewish Monotheism God and the world which in the old ideas had often mingled with one another were separated and made to stand in opposition to each other Following the same train of thought the old national God Jahwe in imitation of the Persian Ahuramazda Ormuzd had developed from a God of fire light and sky into a God of supernatural purity and holiness Surrounded by light and enthroned in the Beyond like Ahuramazda the source of all life the living God held intercourse with his creatures upon the earth only through the instrumentality of a court of angels These messengers of God or intermediate beings in countless numbers moved between heaven and earth upon his service And just as Angromainyu Ahriman the evil was opposed to Ahuramazda the good and the struggle between darkness and light truth and falsehood life and death was according to Persian ideas reproduced in the course of earthly events so the

Jews too ascribed to Satan the rôle of an adversary of God a corrupter of the divine creation and made him as Prince of this world and leader of the forces of hell measure his strength with the King of Heaven In the struggle of the two opposing worlds according to Persian ideas Mithras stood in the foreground the spirit of light truth and justice the divine friend of men the mediator deliverer and saviour of the world He shared his office with Honover Ahuramazda s Word of creation and revelation and indeed in most things their attributes were mingled An incarnation of fire or the sun above all of the struggling suffering triumphant light which presses victoriously through night and darkness Mithras was also connected with death and immortality and passed as guide of souls and judge in the under world He was the divine son of whom it was said that Ahuramazda had fashioned him as great and worthy of reverence as his own self Indeed he was in essence Ahuramazda himself proceeding from his supernatural light and given a concrete individuality As companion in creation and protector of the world he kept the universe standing in its struggle against its enemies At the head of the heavenly host he fought for God and with his sword of flame he drove the Demons of Darkness in terror back into the shadows To take part in this combat on the side of God to build up the future kingdom of God by the work of a life giving civilisation by the rendering fruitful of sterile wastes the extinction of noxious animals and by moral self education seemed the proper end of human existence But when the time should have been fulfilled and the present epoch come to an end according to Persian belief Ahuramazda was then to raise up from the seed of Zarathustra the founder of this religion the virgin s son Saoshyant Sraosha Sosiosch which signifies the Saviour or as it ran according to another rendering Mithras himself should descend upon the earth and in a last fierce struggle overwhelm Angromainyu and his hosts and cast them down into the Nether World He would then raise the dead in bodily shape and after a General Judgment of the whole world in which the wicked should be condemned to the punishments of hell and the good raised to heavenly glory establish the millennial Kingdom of Peace Hell itself was not to last for ever for a great reconciliation was to be finally held out even to the damned Then Angromainyu also would make peace with Ahuramazda and upon a new earth beneath a new heaven all were to be united to one another in everlasting blessedness
