Religious Conviction In Liberal Politics

Thom Brooks, Fabian Freyenhagen

Religious Conviction In Liberal Politics:

Religious Conviction in Liberal Politics Christopher J. Eberle, 2002-05-02 What role should a citizen's religious convictions play in her political activities? Is she, for example, permitted to decide on the basis of her religious convictions to support laws that criminalize abortion or discourage homosexual relations? Christopher Eberle is deeply at odds with the dominant orthodoxy among political theorists about the relation of religion and politics. His argument is that a citizen may responsibly ground her political commitments on religious beliefs even if her only reasons for her political commitments are religious in nature. His ideal of citizenship allows citizens to engage in politics without privatizing their religious commitments and yet does not license mindless and intransigent sectarianism. An inherently controversial book that offers a substantial challenge to political liberalism, it will be read by students and professionals in philosophy, political science, law, and religious studies and general readers seeking insight into the relationship between religious commitments and liberal politics.

Religious Convictions and Political Choice Kent Greenawalt, 1991 How far may Americans properly rely on their religious beliefs when they make and defend political decisions? Are decisions based on religious convictions compatible with liberal democratic premises? Kent Greenawalt dissects such issues as abortion and animal rights to illustrate secular and religious bases for decision making, concluding that citizens cannot be expected to rely exclusively on rational secular grounds.

The Political Problem of Religious Pluralism Thaddeus J. Kozinski, 2012-07-10 In contemporary political philosophy, there is much debate over how to maintain a public order in pluralistic democracies in which citizens hold radically different religious views. *The Political Problem of Religious Pluralism* deals with this theoretically and practically difficult issue by examining three of the most influential figures of religious pluralism theory: John Rawls, Jacques Maritain, and Alasdair MacIntyre. Drawing on a diverse number of sources, Kozinski addresses the flaws in each philosopher's views and shows that the only philosophically defensible end of any overlapping consensus political order must be the eradication of the ideological pluralism that makes it necessary. In other words, a pluralistic society should have as its primary political aim to create the political conditions for the communal discovery and political establishment of that unifying tradition within which political justice can most effectively be obtained. Kozinski's analysis, though exhaustive and rigorous, still remains accessible and engaging even for a reader unversed in the works of Rawls, Maritain, and MacIntyre. Interdisciplinary and multi-thematic in nature, it will appeal to anyone interested in the intersection of religion, politics, and culture.

Justice Through Diversity? Michael J. Sweeney, 2016-08-30 Arguably the most transformative force in contemporary society is the commitment to justice through diversity. A prime example is the change justice through diversity has wrought on who enters, teaches, and administers the university. It has changed the content of what is taught and the mission statements that define the purpose of higher education. What is rarely defined, however, is justice and how it is related to diversity. If justice is equality, are all differences equal? Are all differences in race, gender, sexual orientation, national origin, ethnicity, religion, and

culture equal Should such differences be weighted differently and thus hierarchically On what basis are those differences to be weighted and ranked to ensure equality Justice Through Diversity brings together a Who's Who of contemporary scholars to explore these questions and others in an attempt to understand one of the central commitments in the modern world

Democracy Without Shortcuts Cristina Lafont, 2020 This book defends the value of democratic participation It aims to improve citizens democratic control and vindicate the value of citizens participation against conceptions that threaten to undermine it **Rawls and Religion** Tom Bailey, Valentina Gentile, 2014-12-23 John Rawls's influential theory of justice and public reason has often been thought to exclude religion from politics out of fear of its illiberal and destabilizing potentials It has therefore been criticized by defenders of religion for marginalizing and alienating the wealth of religious sensibilities voices and demands now present in contemporary liberal societies In this anthology established scholars of Rawls and the philosophy of religion reexamine and rearticulate the central tenets of Rawls's theory to show they in fact offer sophisticated resources for accommodating and responding to religions in liberal political life The chapters reassert the subtlety openness and flexibility of his sense of liberal respect and consensus revealing their inclusive implications for religious citizens They also explore the means he proposes for accommodating nonliberal religions in liberal politics developing his conception of public reason into a novel account of the possibilities for rational engagement between liberal and religious ideas And they reevaluate Rawls's liberalism from the transcendent perspectives of religions themselves critically considering its normative and political value as well as its own religious character Rawls and Religion makes a unique and important contribution to contemporary debates over liberalism and its response to the proliferation of religions in contemporary political life

Liberalism's Religion Cécile Laborde, 2017-09-25 Cécile Laborde argues that religion is more than a statement of belief or a moral code It refers to comprehensive ways of life theories of justice modes of association and vulnerable collective identities By disaggregating these dimensions she addresses questions about whether Western secularism and religion can be applied more universally **Relational Liberalism** Federica Liveriero, 2023-02-14 This book investigates the unresolved issue of democratic legitimacy in contexts of pervasive disagreement and contributes to this debate by defending a relational version of political liberalism that rests on the ideal of co authorship According to this proposal democratic legitimacy depends upon establishing appropriate interactions among citizens who ought to ascribe to one another the status of putative practical and epistemic authorities To support this relational reading of political liberalism the book proposes a revised account of the civic virtue of reasonableness along with an investigation of the epistemic specific dimension of political equality By engaging with political epistemology and social theory this book explores ways to address inherent tensions within the liberal paradigm using the following strategies of addressing these tensions first it defends a twofold model of legitimacy that distinguishes the goals methodologies and justificatory tasks of both ideal and nonideal phases of the two level justificatory framework second it contends that democratic legitimacy requires an engaged and contextual critical

appraisal of the injustices that characterize our daily social lives illustrating how structural forms of injustice represent a profound betrayal of the liberal ideal of democratic legitimacy

Moral Pressure for Responsible Globalization Sherrie M. Steiner, 2018-03-06 In *Moral Pressure for Responsible Globalization* Sherrie M Steiner offers an account of religious diplomacy with the G8 G7 and G20 to evoke new possibilities in an effort to influence globalization to become more equitable and sustainable Commonly portrayed as out of control globalization is considered here as a political process that can be redirected to avoid the tragedy of the global commons The secularization tradition of religion depicts faith based public engagement as dangerous Making use of historical materials from faith based G plus System shadow summits 2005 2017 Steiner provides ample information to arrive at an interpretation that significantly differs from traditional accounts Using broader scope conditions Steiner considers how human induced environmental changes contribute to religious resurgence under conditions of weakening nation states

Understanding Legitimacy Philip D. Shadd, 2016-12-13 In recent years political theorists have increasingly focused on the question of legitimacy rather than on justice The question of legitimacy asks even if legal coercion falls short of being perfectly just what nonetheless makes it morally legitimate Yet legitimacy remains poorly understood According to the regnant theory of justificatory liberalism legitimate legal coercion is based on reasons all reasonable persons can accept and is conceived in terms of a hypothetical procedure Philip Shadd argues that this view would effectively de legitimize all laws given its requirement of unanimity it wrongly suggests that basic rights are outcomes of political procedures rather than checks on such procedures and it is paternalistic as it substitutes hypothetical persons for actual persons Where should theorists turn Shadd s perhaps surprising proposal is that they turn to neo Calvinism Founded by the Dutch politician theologian and social theorist Abraham Kuyper 1837 1920 neo Calvinism is a specific variant of Reformed social thought unique for its emphasis on institutional pluralism It has long theorized themes such as church state separation religious diversity and both individual and institutional liberty Out of this tradition Shadd reconstructs an alternative framework for legitimacy The central neo Calvinist insight is this legitimacy is a function of preventing basic wrongs The book develops this insight in terms of three ideas First the wrongs that legitimate regimes must prevent are violations of objective natural rights Second these rights and wrongs presuppose some or another view of basic human flourishing Third Shadd suggests we understand these rights and wrongs as being exogenous That is they are not social constructions but arise outside of human societies even while applying to them While based in a religious tradition of thought religious intolerance is no part of this neo Calvinist theory of legitimacy and in fact runs contrary to neo Calvinism s distinctive institutional pluralism But only by theorizing legitimacy along the lines Shadd suggests can we make sense of convictions such as that some legal coercion is legitimate even amidst disagreement and that paternalistic coercion is illegitimate Neo Calvinism offers a better framework for understanding legitimacy This book will be of particular interest to secular theorists focusing on themes of political legitimacy public reason justificatory or political liberalism or the work of

John Rawls and to religious theorists focused on theories of church state separation institutional pluralism and religious diversity *Civil Disagreement* Edward Langerak, 2014-03-11 How can we agree to disagree in today's pluralistic society one in which individuals and groups are becoming increasingly polarized by fierce convictions that are often at odds with the ideas of others *Civil Disagreement* Personal Integrity in a Pluralistic Society shows how we can cope with diversity and be appropriately open toward opponents even while staying true to our convictions This accessible and useful guide discusses how our conversations and arguments can respect differences and maintain personal integrity and civility even while taking stances on disputed issues The author examines an array of illustrative cases such as debates over slavery gay marriage compulsory education for the Amish and others providing helpful insights on how to take firm stands without denigrating opponents The author proposes an approach called perspective pluralism that honors the integrity of various viewpoints while avoiding the implication that all reasonable views are equally acceptable or true *Civil Disagreement* offers a concise yet comprehensive guide for students and scholars of philosophical or religious ethics political or social philosophy and political science as well as general readers who are concerned about the polarization that often seems to paralyze national and international politics **Offensive Speech, Religion, and the Limits of the Law** Nicholas Hatzis, 2021-05-06 Is the

government ever justified in restricting offensive speech This question has become particularly important in relation to communications which offend religious sensibilities It is often argued that insulting a person's beliefs is tantamount to disrespecting the believer that insults are a form of hatred or intolerance that the right to religious freedom includes a more specific right not to be insulted in one's beliefs that religious minorities have a particularly strong claim to be protected from offence and that censorship of offensive speech is necessary for the prevention of social disorder and violence None of those arguments is convincing Drawing on law and philosophy this book argues that there is no moral right to be protected from offence and that while freedom of religion is an important right that grounds negative and positive obligations for the state it is unpersuasive to interpret constitutional and human rights provisions as including a right not to be caused offence Rather we have good reasons to think of public discourse as a space for the expression of all viewpoints about the ethical life including those which some will find offensive This is necessary to sustain a society's capacity for self reflection and change

The Legacy of John Rawls Thom Brooks, Fabian Freyenhagen, 2005-09-08 John Rawls was unquestionably the most important moral and political philosopher of the last one hundred years His *A Theory of Justice* published in 1971 is already a classic text and his political philosophy is more widely studied than that of any other theorist Interest in Rawls's work has increased still further since his recent death and the publication of his complete works but until now there has been no single volume that explores the legacy of his work This book fills the void making a substantial contribution not only to work on Rawls's thought but to contemporary debates in ethics and justice as well The book will be of great interest to academics and students in philosophy politics and law departments alike **Religion in the Public Schools** Michael

Waggoner,2013-04-10 Since September 11 2001 the profile of religion s role in our global society has increased significantly Religion has long been a force in people s lives as numerous studies and polls show yet we continue to struggle with understanding differing religious traditions and what they mean for our common life There are few places where Americans can meet together to learn about each other and to share in the common construction of our futures One such place for many is public education The purpose of this book is to illustrate the complexity of the social cultural and legal milieu of schooling in the United States in which the improvement of religious literacy and understanding must take place Public education is the new commons We must negotiate this commons in two meanings of that term first we must come to mutual understandings and agreement about how to proceed toward a common horizon of a religiously plural America second we must work our way through the obstacles in these settings in practical ways to achieve results that work

The Bristol Law Journal Nasrul Ismail, LLB Hons (Bristol 2007), Visiting Research Fellow, School of Law, University of Bristol, Michael Boulton, LLB Hons (Reading, 2000), LLM Candidate (Bristol, 2013), Mike Blitz, LLB Hons (Bristol, 2011), LLM (Bristol, 2013),2013-12-31 The Bristol Law Journal is composed of academic articles written by either current or alumni students of the University of Bristol Contributors were asked to submit articles on Law Reform in any area of their choice and this broad mandate has produced a richly diverse range of reading

Negotiating Religion François Guesnet, Cécile Laborde, Lois Lee,2016-08-25 Negotiating religious diversity as well as negotiating different forms and degrees of commitment to religious belief and identity constitutes a major challenge for all societies Recent developments such as the de secularisation of the world the transformation and globalisation of religion and the attacks of September 11 have made religious claims and religious actors much more visible in the public sphere This volume provides multiple perspectives on the processes through which religious communities create or defend their place in a given society both in history and in our world today Offering a critical cross disciplinary investigation into processes of negotiating religion and religious diversity the contributors present new insights on the meaning and substance of negotiation itself This volume draws on diverse historical sociological geographic legal and political theoretical approaches to take a close look at the religious and political agents involved in such processes as well as the political social and cultural context in which they take place Its focus on the European experiences that have shaped not only the history of negotiating religion in this region but also around the world provides new perspectives for critical inquiries into the way in which contemporary societies engage with religion This study will be of interest to academics lawyers and scholars in law and religion sociology politics and religious history

A Dictionary of Philosophy of Religion Charles Taliaferro, Elsa J. Marty,2010-08-19 Theology, Political Theory, and Pluralism Kristen Deede Johnson,2007-01-25 How can we live together in the midst of our differences This is one of the most pressing questions of our time Tolerance has been the bedrock of political liberalism while proponents of agonistic political thought and radical democracy have sought an answer that allows a deeper celebration of difference Kristen Deede Johnson describes

the move from tolerance to difference and the accompanying move from epistemology to ontology within political theory Building on this ontological turn in search of a theological answer to the question she puts Augustine into conversation with recent political theorists and theologians This theological option enables the Church to envision a way to engage with contemporary political society without losing its own embodied story and practices It contributes to our broader political imagination by offering a picture of rich engagement between the many different particularities that constitute a pluralist society

Virtuous Persuasion Michael Niebauer, 2022-07-20 Christians should make disciples as disciples Christians who are engaged in missions regularly face ethical challenges But the approaches and standards of modern missions often further complicate rather than alleviate matters Modern missiology debates what actions constitute mission work how to measure growth and the difference between persuasion and coercion In *Virtuous Persuasion* Michael Niebauer casts a holistic vision for Christian mission that is rooted in theological ethics and moral philosophy Niebauer proposes a theology of mission grounded in virtue Becoming a skilled missionary is more about following Christ than mastering techniques Christian mission is best understood as specific activities that develop virtue in its practitioners and move them toward their ultimate goal of partaking in the glory of God With *Virtuous Persuasion* you can rethink the essence of Jesus's Great Commission and how we seek to fulfill it

Hobbes Today S. A. Lloyd, 2012-12-17 *Hobbes Today* Insights for the 21st Century brings together an impressive group of political philosophers legal theorists and political scientists to investigate the many ways in which the work of Thomas Hobbes the famed seventeenth century English philosopher can illuminate the political and social problems we face today Its essays demonstrate the contemporary relevance of Hobbes political thought on such issues as justice human rights public reason international warfare punishment fiscal policy and the design of positive law among others The volume's contributors include both Hobbes specialists and philosophers bringing their expertise to consideration of Hobbes texts for the first time This volume will stimulate renewed interest in Hobbes studies among a new generation of thinkers

Religious Conviction In Liberal Politics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religious Conviction In Liberal Politics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religious Conviction In Liberal Politics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religious Conviction In Liberal Politics free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religious Conviction In Liberal Politics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religious Conviction In Liberal Politics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religious Conviction In Liberal Politics Books

What is a Religious Conviction In Liberal Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Conviction In Liberal Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Conviction In Liberal Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Conviction In Liberal Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Conviction In Liberal Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a

PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
