Religious Liberty In Western Thought:

Religious Liberty in Western Thought Noel B. Reynolds, W. Cole Durham, 2003 This is a print on demand book and is therefore non returnable In this volume several leading scholars harvest the best of Western thinking on religious liberty An opening chapter shows how religious liberty emerged slowly in the West through centuries of cruel experience and growing enlightenment Separate chapters thereafter take up the unique role of such titans as Marsilius Luther Calvin Hobbes Locke Rousseau Burke Tocqueville and the American framers in the Western drama of religious liberty From widely divergent experiences these titans discovered the cardinal principles of religious liberty religious pluralism and toleration religious equality and non discrimination liberty of conscience and association freedom of expression and exercise From widely discordant convictions they distilled the most enduring models of church and state and of religion and law in the West from the organic models of earlier centuries to the dualistic models of more recent times Contributors Brian Tierney Steven Ozment John Witte Jr Joshua Mitchell W Cole Durham Jr Michael W McConnell Ellis Sandoz Thomas L Pangle The Oxford Handbook of Church and State in the United States Derek Davis, 2010-11-18 21 essays present a scholarly look at the intricacies and past and current debates that frame the American system of church and state within 5 main areas history politics sociology theology philosophy and law Religious Human Rights in Global Perspective John Witte, Johan D. van der Vyver, 1996 The legal traditions of Christianity Judaism and Islam have contributed much to the cultivation and violation of religious human rights around the world In this volume Desmond Tutu Martin Marty and twenty leading scholars offer an authoritative assessment of these contributions and challenge people of all faiths to adopt golden rules of religious liberty

Change in Official Catholic Moral Teachings Charles E. Curran, 2003 This volume brings together previously published studies presenting the spectrum of opinion on the change in official Catholic moral teachings **Religious Human Rights in Global Perspective** John Witte Jr., Johan D. van der Vyver, 2023-12-11 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion *Religious Human Rights in Global Perspective* Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University

Handbook on Alternative Theories of Innovation Godin, Benoît, Gaglio, Gérald, Vinck, Dominique, 2021-10-12 This insightful Handbook scrutinizes alternative concepts and approaches to the dominant economic or industrial theories of innovation Providing an assessment of these alternatives it questions the absence of these neglected types of innovation and suggests diverse theories Religious Pluralism, Globalization, and World Politics Thomas Banchoff, 2008-11-26 Globalization has spawned more active transnational religious communities creating a powerful force in world affairs

Religious Pluralism Globalization and World Politics an incisive new collection of essays explores the patterns of cooperation and conflict that mark this new religious pluralism Shifting religious identities have encouraged interreligious dialogue and greater political engagement around global challenges including international development conflict resolution transitional justice and bioethics At the same time interreligious competition has contributed to political conflict and running controversy over the meaning and scope of religious freedom In this volume leading scholars from a variety of disciplines examine how the forces of religious pluralism and globalization are playing out on the world stage

Conscience in Early Modern English Literature Abraham Stoll, 2017-10-05 This is an examination of how early modern poets attempt to capture the experience of being in the grip of conscience

Religion and Human Rights John Witte, M. Christian Green, 2012 The relationship between religion and human rights is both complex and inextricable While most of the world's religions have supported violence repression and prejudice each has also played a crucial role in the modern struggle for universal human rights Most importantly religions provide the essential sources and scales of dignity and responsibility shame and respect restraint and regret restitution and reconciliation that a human rights regime needs to survive and flourish in any culture This volume provides authoritative examinations of the contributions to human rights of Judaism Christianity Islam Hinduism Confucianism Buddhism and indigenous religions Each chapter grapples with the concept and origins of human rights and offers insight into the major human rights issues that confront religious individuals and communities These include core issues of freedom of religious conscience choice exercise expression association morality and self determination They also include analysis of the roles of religious ideas and institutions in the cultivation and abridgement of rights of women children and minorities and rights to peace orderly development and protection of nature and the environment With contributions by a score of leading experts *Religion and Human Rights* provides authoritative and accessible assessments of the contributions of Judaism Christianity Islam Hinduism Confucianism Buddhism and Indigenous religions to the development of the ideas and institutions of human rights It also probes the major human rights issues that confront religious individuals and communities around the world today and the main challenges that the world's religions will pose to the human rights regime in the future

Religious Freedom and Gay Rights Jack Friedman, 2016-05-31 In the United States and Europe an increasing emphasis on equality has pitted rights claims against each other raising profound philosophical moral legal and political questions about the meaning and reach of religious liberty Nowhere has this conflict been more salient than in the debate between claims of religious freedom on one hand and equal rights claims made on the behalf of members of the lesbian gay bisexual and transgender LGBT community on the other As new rights for LGBT individuals have expanded in liberal democracies across the West longstanding rights of religious freedom such as the rights of religious communities to adhere to their fundamental teachings including protecting the rights of conscience the rights of parents to impart their religious beliefs to their children and the liberty to advance religiously based moral arguments as a rationale for laws have suffered a

corresponding decline Timothy Samuel Shah Thomas F Farr and Jack Friedman s volume Religious Freedom and Gay Rights brings together some of the world s leading thinkers on religion morality politics and law to analyze the emerging tensions between religious freedom and gay rights in three key geographic regions the United States the United Kingdom and continental Europe What implications will expanding regimes of equality rights for LGBT individuals have on religious freedom in these regions What are the legal and moral frameworks that govern tensions between gay rights and religious freedom How are these tensions illustrated in particular legal political and policy controversies And what is the proper way to balance new claims of equality against existing claims for freedom of religious groups and individuals Religious Freedom and Gay Rights offers several explorations of these questions

Islam, the West, and Tolerance A. Tyler, 2008-04-14 This book provides an honest assessment of the contemporary relationship between Western and Islamic cultures and puts forth the cross cultural idea of tolerance as one invaluable approach for affecting peaceful coexistence

The Oxford Handbook of Christianity and Law John Witte (Jr.), Rafael Domingo, 2024 This volume tells the story of the interaction between Christianity and law historically and today in the traditional heartlands of Christianity and around the globe Sixty new chapters by leading scholars provide authoritative and accessible accounts of foundational Christian teachings on law and legal thought over the past two millennia the current interaction and contestation of law and Christianity on all continents how Christianity shaped and was shaped by core public private penal and procedural laws various old and new forms of Christian canon law natural law theory and religious freedom norms Christian teachings on fundamental principles of law and legal order and Christian contributions to controversial legal issues Together the chapters make clear that Christianity and law have had a perennial and permanent influence on each other over time and across cultures albeit with varying levels of intensity and effectiveness This volume defines Christianity broadly to include Catholic Protestant and Orthodox traditions and various denominations and schools of thought within them It draws on Christian ideas and institutions norms and practices texts and titans to tell the story of Christianity s engagement with the world of law over the past two millennia The volume also defines law broadly as the normative order of justice power and freedom The chapters address natural laws of conscience reason and the Bible and positive laws enacted by states churches and voluntary associations Several chapters focus on Christian engagement with specific types of law canon law family law education law constitutional law criminal law procedural law and laws governing labor tax contracts torts property and beyond Other chapters take up cutting edge legal issues of racial justice environmental care migration euthanasia and bio technology as well as fundamental legal principles of liberty dignity equality justice equity judgment and solidarity

Facilitating Freedom of Religion or Belief: A Deskbook W. Cole Durham, Tore Sam Lindholm, Bahia Tahzib-Lie, NA Oslo Coalition on Freedom of Religion or Belief, NA Norway, NA Norsk senter for menneskerettigheter, NA Brigham Young University, 2013-12-11 As the world enters the 21st Century the challenges in implementing freedom of religion or belief grow more complex and more acute How can the internationally

recognized norms regarding freedom of religion or belief be meaningful for all women and men majorities and minorities established religions and new religious movements parents and children How can tolerance mutual respect and understanding be globally expanded How does freedom of religion or belief relate to other human rights Launched by the Oslo Coalition on Freedom of Religion or Belief this deskbook anthology is designed as a single volume resource for all who are concerned with facilitating improved global compliance with international standards in this vital area The varied and diverse topics addressed by over fifty global experts in the field provide a rich weave of many threads The book addresses historical and philosophical background on religious human rights applicable international norms and the international procedural mechanisms for safeguarding these norms It surveys central areas of controversy including registration of religious and belief organizations emerging debates on religion and gender parental and children s rights new religious movements proselytism and conscientious objection Other chapters describe practical approaches to promoting tolerance and understanding through education inter religious dialogue joint religious efforts addressing shared social problems and conflict resolution initiatives The volume also provides practical information regarding networking and other background issues that can help translate understanding of the applicable norms and procedures into action Appendices provide texts of major international instruments on freedom of religion or belief

On Secular Governance Ronald W. Duty, Marie A. Failing, 2016 Based in part on a conference held at Valparaiso University s Chicago location at the Lutheran School of Theology on March 27-28, 2014

Routledge Revivals: Encyclopedia of American Civil Liberties (2006) Paul Finkelman, 2018-02-05 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of American Civil Liberties The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students

Tradition and Church Reform Curran, Charles E., 2016-02-09

Legal Responses to Religious Practices in the United States Austin Sarat, 2012-09-10 This book questions what practices constitute a religious activity such that it cannot be supported or funded by government It examines the history of accommodating laws when there is tension between respecting religious freedom and maintaining First Amendment requirements that government be neutral

The House Where God Lives Gary D. Badcock, 2009-09-15 In a culture dominated by the individualistic values of political and social liberalism Gary Badcock says that we seldom hear of the church as the creature of the Word of God The church has been entrusted to us by God and belongs to the structure of the Christian faith itself Ecclesiology is first of all theology because it is primarily about the presence of God Badcock maintains and is thus biblical and creedal one holy catholic and apostolic something that we believe which is what undergirds its empirical sociological and even pastoral function Rather than a hollow shell where humans dream moral dreams and do good

deeds the church is the house where God lives *Religious Freedom and the Universal Declaration of Human Rights* Linde Lindkvist, 2017-07-25 Article 18 of the Universal Declaration of Human Rights 1948 is widely considered to be the most influential statement on religious freedom in human history Religious Freedom and the Universal Declaration of Human Rights provides a groundbreaking account of its origins and developments examining the background key players and outcomes of Article 18 and setting it within the broader discourse around international religious freedom in the 1940s Taking issue with standard accounts that see the text of the Universal Declaration as humanity's joint response to the atrocities of World War II it shows instead how central features of Article 18 were intimately connected to the political projects and visions of particular actors involved in the start up of the UN Human Rights program This will be essential reading for anyone grappling with the historical and contemporary meaning of human rights and religious freedom **Free Exercise** Chris Beneke, 2024-09-24 Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof Those sixteen words scratched on parchment in 1789 open the U S Constitution's First Amendment From this spare expression numberless interpretations have been drawn The Supreme Court has been vigorously debating the meaning of this text for decades Legions of students law clerks and historians have also dedicated themselves to the task It has become something of an American pastime Because of that work an astounding variety of activities in modern America from prayer after football games and Bible reading in classrooms to funding for private religious schools and company healthcare policies the baking of wedding cakes and the display of the Ten Commandments have been alternately sanctioned prohibited or modified Free Exercise is an innovative contribution to both United States constitutional history and the history of religious toleration in the United States It traces the routes by which Americans arrived at the First Amendment's religious clauses the cultural currents that shaped their meaning and the consequences that flowed from them The book also demonstrates how white women African Americans Jews Roman Catholics and nonbelievers expanded the application of religious liberty and illuminated its boundaries Each chapter demonstrates how protections for religious freedom were forged from both vague memories and intimate experiences an emergent respect for individual autonomy and a refusal to materially alter the condition of women and the enslaved Subsequent chapters examine their relationship to memories of religious violence free market practices religious civility gender and racial exclusion and unbelief Each probes what America was at the time and what it was becoming Free Exercise sheds light on this audacious and deeply flawed effort to reconcile liberty faith and equality
