

Religious Poetry Of The Medieval Hebrews

Charles E. Horne

Religious Poetry Of The Medieval Hebrews

Wout J. van Bakkum

Religious Poetry Of The Medieval Hebrews:

Religious Poetry of the Medieval Hebrews Charles F. Horne, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **The**

Gazelle Raymond P. Scheindlin, 1999 From the tenth century to the thirteenth, the Jews of Spain belonged to a vibrant and relatively tolerant Arabic-speaking society, a sophisticated culture that had a marked effect on Jewish life, thought, artistic tastes, and literary expression. In this companion volume to *Wine, Women, and Death*, we see how the surrounding Arabic culture influenced the new poetry that was being written for the synagogue service. The Hebrew poems here, accompanied by elegant English translations and explanatory essays, are short lyrics of the highest literary quality. **Medieval Hebrew**

Poetry in Muslim Egypt Joachim J.M.S. Yeshaya, 2010-11-19 Offering an edition of secular poems taken from the earliest fifteenth-century manuscript, this book seeks to evaluate Moses Dar's poetry in the light of the Andalusian Hebrew poetical tradition and within the context of Hebrew literary activity in the Muslim East. **The Religious Poetry of El'azar ben**

Ya'aqov ha-Bavli Wout J. van Bekkum, 2022-10-24 This volume presents the reader with a fascinating collection of hymns composed by El'azar, the Babylonian Arab Jewish poet who is active in Baghdad during the first half of the 13th century. His religious oeuvre consists of dozens of hymns coming down to us from the treasures of the Cairo Geniza and the Firkovicz Collections. His compositions provide a cross-section of genres and liturgical destinations. El'azar's devotional hymnology is characterised by a striking spiritual tendency which reveals his familiarity with contemporary Sufism in both Muslim and Jewish circles. Hebrew Sacred Poetry in the Middle Ages Nina Salaman, 1911 **Medieval Hebrew**

Featuring The Midrash Unknown, **Library of Congress Subject Headings** Library of Congress, 1992 **Hebrew**

Poetry from Late Antiquity Wout van Bekkum, 2018-12-10 The discovery of the Geniza manuscript collection is nothing less than a revolution for the knowledge of Hebrew literature and Jewish culture in Late Antiquity and the Middle Ages. One of the main results of one hundred years of Geniza research is the rediscovery of Hebrew liturgical poetry, which shed much light on various aspects of Jewish studies. For the last half-century it has been almost commonplace to discover new poems, unknown poets, novel uses of poetry, and unfamiliar poetic versions of familiar prose texts within liturgical settings being revealed among the manuscripts and manuscript fragments. The products of the composers and reciters of synagogue poetry convincingly demonstrate the importance of poetry in Jewish worship and communal life. The major corpora of Palestinian liturgical poetry bear evidence to the prolific literary activity of a number of famous poets who laid the foundations for the development of Hebrew poetry in later periods: Yossi ben Yossi, Yannai, Simon bar Megas, Elazar barabbi Kilir, and Yohanan ha Kohen. One of these mostly Byzantine Jewish melodists was Yehudah, who composed a cycle of poems in accordance with the

reading tradition of the Pentateuch and Prophets on the sabbath This study presents Yehudah's oeuvre with commentaries and deals with its historical and literary context in four introductory chapters The edition is complemented by indices and a bibliography

Representing Others in Medieval Iberian Literature M. Hamilton, 2007-10-15 *Representing Others in Medieval Iberian Literature* explores the ways Arabic Jewish and Christian intellectuals in medieval Iberia courtiers and clerics adapt and transform the Andalusi go between figure in order to represent their own role as cultural intermediaries While these authors are of different religious ethnic and linguistic backgrounds they use the go between an essential figure in the Andalusi courtly discourse of desire to open up a secular more tolerant intellectual space in the face of increasingly fundamentalist currents in their respective cultures The way this study focuses on the hybrid discourses and identities of medieval Iberia as Muslim Jewish and Christian responses to continual contact conflict reflects a methodological approach based in Cultural and Translation Studies

Sephardic Studies in the University Jane S. Gerber, 1995 Nevertheless the teaching of Sephardic civilization was incomplete and Eurocentric with the Jews of Islam an ongoing entity for over a thousand years scarcely figuring in any course offerings

Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office, 2001

Library of Congress Subject Headings Library of Congress. Office for Subject Cataloging Policy, 1992

Poetry and Memory in Karaite Prayer Joachim Yeshaya, 2013-11-07 In *Poetry and Memory in Karaite Prayer* Joachim Yeshaya offers an edition of liturgical poems which the Karaite poet Moses Dar composed in twelfth century Egypt as introductory poems for the Torah readings on each Sabbath The Hebrew text and Judaeo Arabic heading of each poem are provided in the original order attested in the manuscript NLR Evr I 802 dated to the fifteenth century Every poem comes with a commentary section consisting of English commentary essays and bilingual Hebrew English line by line annotations In the conclusion following this edition Joachim Yeshaya demonstrates how Dar's liturgical poems are among the earliest examples of the introduction of poetry Andalusian Rabbanite poetical norms and the memory of being exiled from Jerusalem into Karaite prayer

Jews of Spain Jane S. Gerber, 1994-01-31 The history of the Jews of Spain is a remarkable story that begins in the remote past and continues today For more than a thousand years Sepharad the Hebrew word for Spain was home to a large Jewish community noted for its richness and virtuosity Summarily expelled in 1492 and forced into exile their tragedy of expulsion marked the end of one critical phase of their history and the beginning of another Indeed in defiance of all logic and expectation the expulsion of the Jews from Spain became an occasion for renewed creativity Nor have five hundred years of wandering extinguished the identity of the Sephardic Jews or diminished the proud memory of the dazzling civilization which they created on Spanish soil This book is intended to serve as an introduction and scholarly guide to that history

Medieval Lyric William Doremus Paden, 2000 An essential volume for medievalists and scholars of comparative literature *Medieval Lyric* opens up a reconsideration of genre in medieval European lyric Departing from a perspective that asks how medieval genres correspond with twentieth century ideas of structure or with the evolution of

poetry this collection argues that the development of genres should be considered as a historical phenomenon embedded in a given culture and responsive to social and literary change **A History of Prayer** Roy Hammerling,2008-10-02 Ancient prayers exist in a rich variety of often unexamined forms and so they require a comprehensive study This volume includes diverse scholars who reveal the wondrous breadth of prayerful religious traditions from the first to the fifteenth centuries

Conversos, Inquisition, and the Expulsion of the Jews from Spain Norman Roth,2002-09-02 The Jewish community of medieval Spain was the largest and most important in the West for more than a thousand years participating fully in cultural and political affairs with Muslim and Christian neighbors This stable situation began to change in the 1390s and through the next century hundreds of thousands of Jews converted to Christianity Norman Roth argues here with detailed documentation that contrary to popular myth the conversos were sincere converts who hated and were hated by the remaining Jewish community Roth examines in depth the reasons for the Inquisition against the conversos and the eventual expulsion of all Jews from Spain With scrupulous scholarship based on a profound knowledge of the Hebrew Latin and Spanish sources Roth sets out to shatter all existing preconceptions about late medieval society in Spain Henry Kamen Journal of Ecclesiastical History Scholarly detailed researched and innovative As the result of Roth s writing we shall need to rethink our knowledge and understanding of this period Murray Levine Jewish Spectator The fruit of many years of study investigation and reflection guaranteed by the solid intellectual trajectory of its author an expert in Jewish studies A contribution that will be particularly valuable for the study of Spanish medievalism Miguel Angel Motis Dolader Anuario de Estudios Medievales **Shbahoth - Songs of Praise in the Babylonian Jewish Tradition** Sara Manasseh,2016-12-05

Sara Manasseh brings a significant but less widely known Jewish repertoire and tradition to the attention of both the Jewish community Ashkenazi Sephardi Oriental and the wider global community The book showcases thirty one songs and includes English translations complete Hebrew texts transliterations and the music notation for each song The accompanying downloadable resources include eighteen of the thirty one songs sung by Manasseh accompanied by ud and percussion The remaining thirteen songs are available separately on the album Treasures performed by Rivers of Babylon directed by Manasseh www.riversofbabylon.com While in the past a book of songs with Hebrew text only was sufficient for bearers of the tradition the present package represents a song collection for the twenty first century with greater resources to support the learning and maintenance of the tradition Manasseh argues that the strong inter relationship of Jewish and Arab traditions in this repertoire linguistically and musically is significant and provides an intercultural tool to promote communication tolerance understanding harmony and respect The singing of the Shbahoth the Baghdadian Jewish term for Songs of Praise has been a significant aspect of Jewish life in Iraq and continues to be valued by those in the Babylonian Jewish diaspora

Jews and Arabs S.D. Goitein,2012-04-10 Fascinating study by eminent scholar explores 3 000 years of relations between Jews and Arabs Topics include Jewish traditions in Islam Islamic influence on Jewish philosophy Jewish and Islamic mysticism

and poetry **The Modern Hebrew Poem Itself** Stanley Burnshaw, 2003 A collection of modern Hebrew poetry that presents the poems in the original Hebrew with an English phonetic transcription
