   Religious Education, 1960-1993 George Brown Jr.,1995-02-14 Descriptive and evaluative annotations of more than 1 000 books and articles in religious education and related fields are featured in this guide Since religious education draws necessary guidance from other disciplines pertinent literature is canvassed from theology philosophy and history of education behavioral studies of religion and education and multidisciplinary treatments Special care has been taken to include materials that represent the interfaith and international aspects of the field A bibliographical essay that interprets and evaluates positions and trends is included in each category A resource for scholars students historians and researchers Educational theory is explored as it has influenced and provided insights for religious education The vast literature in the theory and practice of religious education is dealt with in several categories The section on theory explores basic issues important positions and major figures The section on administration deals with planning organization management and supervision Program curriculum and method are considered together because they so often overlap in the literature Since religion is a persistent concern in schools and in institutions of higher education special sections are devoted to the issues involved and the proposals put forward A final section covers reference works   Psychoanalytic Studies of Religion Benjamin Beit-Hallahmi,1996-09-13 The first critical guide to the essential literature reflecting and expressing psychoanalytic approaches to religion this volume s concentrates on critical assessments that steer the user toward works of lasting value The book s first priority is to include publications clearly aimed at continuing the Freudian tradition and contributing to the psychoanalytic study of religion The book will be of interest to scholars and students of psychology and religion as well as the general reader who is seeking works on those topics Most of the psychoanalytic literature in English since 1920 is included and is organized in 21 topical sections Cross references and indexes increase the usefulness of the work The author has tried to include every coherent effort guided by psychoanalytic theory to offer an explanation understanding or interpretation of religion or religious behavior The work will be of interest in the fields of psychoanalysis psychology sociology anthropology history literature folklore and religion Public libraries will find this a valuable reference tool to offer the general reader who is interested in a broad spectrum of ideas   **African Traditional Religion in South Africa** David Chidester,Chirevo Kwenda,Robert Petty,Judy Tobler,Darrel Wratten,1997-08-07 In a changing South Africa recovering the meaning and power of African tradition is a matter of crucial importance This work participates in that recovery by providing a comprehensive guide to research on the indigenous religious heritage of this dynamic country Detailed reviews of over 600 books articles and theses are offered along with introductory essays and detailed annotations that define the field of study This work plus two forthcoming volumes Christianity in South Africa An Annotated Bibliography and Islam Hinduism and Judaism in South Africa An Annotated Bibliography will become the standard reference work on South African religions Scholars and students in Religious Studies Social Anthropology History and African Studies will find this set particularly useful This work organizes

and annotates all the relevant literature on Khoisan Xhosa Zulu Sotho Tswana Swazi Tsonga and Venda traditions The annotations are concise yet detailed essays written in an engaging and accessible style and supported by an exhaustive index which comprise a full and complex profile of African traditional religion in South Africa   The Literature of Theology David R. Stewart,2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology   **Adolescent Catechesis** Catholic Church. United States Conference of Catholic Bishops,2003 This collection of scholarly and thought provoking articles drawn from the interdisciplinary journal The Living Light focuses on current topics in adolescent catechesis   **The Princeton Seminary Bulletin** Princeton Theological Seminary,1996 Vols for 1907 1908 1936 1937 no 1 Commencement issue no 2 Necrology report no 3 News no 4 Catalogue v for 1937 1938 1938 1939 no 1 3 News no 2 Bulletin of courses no 4 Catalogue v for 1939 1940 1944 1945 no 1 4 News no 2 Bulletin of courses no 3 Catalogue v for 1945 1946 no 1 Bulletin of courses no 2 4 News no 3 Catalogue v for 1946 1947 1952 1953 no 1 3 4 News no 2 Catalogue   **Footprints of God** Charles E. Van Engen,Nancy Thomas,Robert Gallagher,2011-07-27 Twenty five doctoral students from around the world recently set out to forge a new path toward a theology of mission As they blazed a new trail they discovered the footprints of God evidence that God was their trial guide Charles Van Engen led this group of mission practitioners pastors teachers and mission executives as they set out to discover answers to important questions such as What is theology of mission and What is missiology The team used a new approach to answer these questions employing narrative to integrate personal story community stories cultural stories and biblical stories Each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work By drawing from personal stories the authors show how human factors affect missiology All of the chapters are set within a unique theological framework created by Charles Van Engen that focuses on mission of the way mission in the way and mission on the way This framework reveals that mission must be of the way Christ centered in the way happening among the peoples and cultures of the world and on the way moving forward over time through God s people as they anticipate Christ s present and coming kingdom If you are concerned about connecting the Bible theology and ministry with the complexity and variety of contexts facing Christians today then you will want to join this journey to discover the footprints of God As Van Engen says you will be encouraged to think theologically about mission and missiologically about theology   **Foundational Issues in Christian Education** Robert W. Pazmiño,2008-09-01 For almost twenty years Foundational Issues in Christian Education has been a key text for many Christian education courses Its perceptive analysis coupled with clear writing make it a resource without peer In the book Christian education expert Robert Pazmi o guides readers through a comprehensive discussion of the interdisciplinary foundations of Christian education calling all Christian educators to reevaluate the

fundamentals of their discipline A careful exploration of foundations writes Pazmi o is essential before specifying principles and guidelines for practice This updated edition includes interaction with professional developments over the past ten years and appendixes that assess the impact of postmodernism as an educational philosophy In addition each chapter includes points to ponder for personal reflection or classroom use   *Learning in a Musical Key* Lisa M. Hess,2011-09-15 Learning in a Musical Key examines the multidimensional problem of the relationship between music and theological education Lisa Hess argues that in a delightful and baffling way musical learning has the potential to significantly alter and inform our conception of the nature and process of theological learning In exploring this exciting intersection of musical learning and theological training Hess asks two probing questions First What does learning from music in a performative mode require Classical modes of theological education often founder on a dichotomy between theologically musical and educational discourses It is extremely difficult for many to see how the perceivedly nonmusical learn from music Is musicality a universally human potential In exploring this question Hess turns to the music learning theory of Edwin Gordon which explores music s unique mode of teaching learning its primarily aural oral mode This challenge leads to the study s second question How does a theologian in the disciplinary sense integrate a performative mode into critical discourse Tracking the critical movements of this problem Hess provides an inherited transformational logic as a feasible path for integrating a performative mode into multidimensional learning This approach emerges as a distinctly relational embodied multidimensional and non correlational performative mode theology that breaks new ground in the contemporary theological landscape As an implicitly trinitarian method rooted in the relationality of God this non correlational method offers a practical theological contribution to the discipline of Christian spirituality newly claimed here as a discipline of transformative teaching learning through the highly contextualized and self implicated scholar into relationally formed communities and ultimately into the world

Encyclopedia of Christian Education George Thomas Kurian,Mark A. Lamport,2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors TheEncyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian

education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian educationBiblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education   *Bulletin of Bibliography* ,1997   **The Islamic Revival Since 1988** Yvonne Y. Haddad,John L. Esposito,1997-07-16 Designed as a useful reference tool to help students educators and diplomats maneuver through scholarly literature as well as primary sources published in English between 1989 and 1994 this work seeks to help the researcher make sense of the explosion of literature on this often contentious topic In addition to surveying the literature on Islamic revival worldwide it provides commentary on literature pertaining to important topics such as the role of women in Islam Islamic economics and the migration of Muslims to western Europe and North America This work is a continuation of the first edition published by Greenwood in 1991 IThe Contemporary Islamic Revival R Governments policymakers and experts around the world are debating whether contemporary Islamic revival in particular Islamic Fundamentalism is a diverse and multifaceted phenomenon or a uniformly clear and present danger to be consistently and persistently repressed or eradicated Some propose that there are means of cooperation collaboration or co optation with those who adhere to it while others see it as a menace warning of a clash of civilizations and of an Islamic population explosion which poses a demographic threat to national security and world peace   The Best Books for Academic Libraries: General works, military & naval, library science ,2002   **Bibliography of Japanese New Religions, with Annotations and an Introduction to Japanese New Religions at Home and Abroad** Peter Bernard Clarke,1999 Containing some 1500 entries this new bibliography will be widely welcomed for its comprehensive brief and for the sub section profiling principal NRMs convering history beliefs and practices main publications braches worldwide and membership   World Christian Trends Ad30-ad2200 (hb) ,2001   The British National Bibliography Arthur James Wells,1995   **Christian Voluntarism in Britain and North America** William H. Brackney,1995-04-25 A unique blending of historical analysis and bibliographic data this volume examines the course of the voluntary association for religious purposes and analyzes the prominent primary and secondary literature in the field of voluntarism In addition hundreds of voluntary associations prior to 1900 in Britain the United States Canada and elsewhere are listed A reference tool for students and scholars in Western Christian thought and history over 900 resources are classified by general denominational racial and gender categories and are annotated The first part of the volume examines the roots of voluntary thought in the Christian tradition and provides an overview of the evolution of voluntary Christian endeavor in Britain and North America Of particular significance is the connection between churchly voluntary associations and the evangelical experience of the 19th century Individual voluntary relationships and groups are an integral part of human socialization This is the first bibliography

and overview of individuals joining together under the banner of Christianity in order to satisfy this deep human need

John Clare's Religion Sarah Houghton-Walker,2016-05-06 Addressing a neglected aspect of John Clare s history Sarah Houghton Walker explores Clare s poetry within the framework of his faith and the religious context in which he lived While Clare expressed affection for the Established Church and other denominations on various occasions Houghton Walker brings together a vast array of evidence to show that any exploration of Clare s religious faith must go beyond pulpit and chapel Phenomena that Clare himself defines as elements of faith include ghosts witches and literature as well as concepts such as selfhood Eden eternity childhood and evil Together with more traditional religious expressions these apparently disparate features of Clare s spirituality are revealed to be of fundamental significance to his poetry and it becomes evident that Clare s experiences can tell us much about the experience of religion faith and belief in the period more generally A distinguishing characteristic of Houghton Walker s approach is her conviction that one must take into account all aspects of Clare s faith or else risk misrepresenting it Her book thus engages not only with the facts of Clare s religious habits but also with the ways in which he was literally inspired and with how that inspiration is connected to his intimations of divinity to his vision of nature and thus to his poetry Belief mediated through the idea of vision is found to be implicated in Clare s experiences and interpretations of the natural world and is thus shown to be critical to the content of his verse **The Routledge Handbook of Contemporary Philosophy of Religion** Graham Oppy,2015-04-17 Philosophy of religion has experienced a renaissance in recent times paralleling the resurgence in public debate about the place and value of religion in contemporary Western societies The Routledge Handbook of Contemporary Philosophy of Religion is an outstanding reference source to the key topics problems and debates in this exciting subject Comprising over thirty chapters by a team of international contributors the Handbook is divided into seven parts theoretical orientations conceptions of divinity epistemology of religious belief metaphysics and religious language religion and politics religion and ethics religion and scientific scrutiny Within these sections central issues debates and problems are examined including religious experience religion and superstition realism and anti realism scientific interpretation of religious texts feminist approaches to religion religion in the public square tolerance religion and meta ethics religion and cognitive science and the meaning of life Together they offer readers an informed understanding of the current state of play in the liveliest areas of contemporary philosophy of religion The Routledge Handbook of Contemporary Philosophy of Religion is essential reading for students and researchers of philosophy of religion from across the Humanities and Social Sciences **Pride, Faith, and Fear** Charlotte A. Quinn,Frederick Quinn,2003 While nearly one in every five people in the world today is Muslim Islam is spreading most rapidly in Sub Saharan Africa which is today home to over 150 million Muslims Although immensely varied African Islam the authors demonstrate is defined by three overarching beliefs
