

Examine the value of religious experience for the religious community. [30]

A religious experience is a non-empirical "remarkable" revelation that can consist of anything from a vision or even a miracle. However, the definition of a religious experience means that it may be achieved through prayer, ritual etc. For the religious community, religious experience is of a high value as it arguably can have an influence on religious beliefs and practice and for some a religious experience can be life changing.

For the religious community, it can be argued that religious experience is of extreme value, as the basis of many religions is built upon religious experience. Also known as affirmation of the belief system. For example, the resurrection of Jesus or through the angels revealing the future birth of Jesus to Mary and Joseph in Christianity. Similarly, in Hinduism which relies on aspects that will add to good Karma and reincarnation with the Bhagavad Gita stating, "perform all thy actions with mind concentrated on the Divine". Hinduism also relies heavily on rituals such as darshan which can trigger religious experience. Through the religious experience, believer's belief in God is reaffirmed. Each of these events (and those in other religions) are important to religious communities as in many cases are the basis of the religion and they make up key teachings of said religions.

Religious experience is also important to religious communities as it reveals standards/guidelines set by God and other ethical teachings which can govern the behaviour of believers to an extent. This is also known as promotion of the faith value system. For example, Moses in Christianity was the receiver of the Ten Commandments. In Hinduism we can see promotion of the faith value system through Gita and Krishna, which sets out different ethical dilemmas and philosophical problems and how to go about resolving them. Through these types of religious experience, it enables believers to act in a way that is viewed as morally right according to their religion's ideals.

It could also be suggested that religious experiences in the form of the promotion of the faith value system are helpful to believers as it arguably gives them guidance and structure in their lives, and it enables them to act in a manner that is correct. Repeating their belief and completing rituals/actions reveal their commitment to the religion highlighting its importance. Not only that but it again reaffirms their belief in God/the religion as for

~~example, in Christianity, Jesus the Son of God, this is remarkable~~

~~because it is a miracle, and it is a sign of God's power and love for his people.~~

~~It is also a reminder of the importance of faith and the power of prayer.~~

~~Religious experiences can also be a source of comfort and strength for believers.~~

~~They can help them to overcome difficulties and to find meaning in their lives.~~

~~Religious experiences can also be a source of inspiration and motivation for believers.~~

~~They can help them to achieve their goals and to live a more virtuous life.~~

~~Religious experiences can also be a source of joy and happiness for believers.~~

~~They can help them to feel closer to God and to experience his love and grace.~~

~~Religious experiences can also be a source of wisdom and understanding for believers.~~

~~They can help them to see the world from a different perspective and to understand the mysteries of life.~~

~~Religious experiences can also be a source of peace and tranquility for believers.~~

~~They can help them to find inner peace and to let go of their worries and fears.~~

~~Religious experiences can also be a source of hope and faith for believers.~~

~~They can help them to believe in a better future and to have faith in God's plan for them.~~

~~Religious experiences can also be a source of love and compassion for believers.~~

~~They can help them to love their fellow believers and to have compassion for those who are suffering.~~

~~Religious experiences can also be a source of strength and courage for believers.~~

~~They can help them to stand up for their beliefs and to overcome their fears and doubts.~~

~~Religious experiences can also be a source of joy and happiness for believers.~~

~~They can help them to feel closer to God and to experience his love and grace.~~

~~Religious experiences can also be a source of wisdom and understanding for believers.~~

~~They can help them to see the world from a different perspective and to understand the mysteries of life.~~

~~Religious experiences can also be a source of peace and tranquility for believers.~~

Religious Experience And Other Essays And Addresses

Religious Experience And Other Essays And Addresses:

Religious Experience William Temple, 1988 **The Christian Philosophy of William Temple** S.T.

Padgett, 2012-12-06 A PURPOSE AND PLAN William Temple was trained as a philosopher and lectured on philosophy at Oxford 1904 but his concern for labor education journalism and the Church of England led him away from philosophy as a profession Enthroned in 1942 as Archbishop of Canterbury Temple persisted in applying his Christian position to the solution of the problems of the day He will be remembered for his contributions in many areas of life and thought his work in the ecumenical movement and his writings in theology and social ethics attest to the variety and depth of his concern but of special significance is his contribution toward the construction of a distinctly Christian philosophy relevant to the twentieth century Although Temple did not work out a systematic formulation of his Christian philosophy the bases for a Christian philosophy are nevertheless evident in his position It is the purpose of the present work to enter sympathetically and critically into the major facets of Temple's position and to weave together as far as is legitimate the separate strands of his thought into a meaningful even if not a completely unified Christian philosophy The intent is not simply to present Temple's conclusions on a variety of philosophical and theological issues rather Temple's position is developed systematically and the arguments for the conclusions at which he arrived are carefully expounded *Religious experience*, 1959 Archbishop William Temple

Stephen Spencer, 2022-07-31 Leadership is a growing preoccupation of the contemporary church but for some of the most inspiring examples of good leadership we need to go back not forwards Archbishop William Temple is widely regarded as one of the most influential church leaders of the twentieth century In this book Stephen Spencer unpacks Archbishop Temple's life and legacy and the ways in which his leadership transformed society in remarkable ways From education to politics and from spiritual direction to leading the church through national crisis this book draws on Temple's biography to offer a unique and profound portrait of the kind of servant leadership the church needs today **William**

Temple and Church Unity Edward Loane, 2016-09-29 This book evaluates William Temple's theology and his pursuit of church unity It exposes a number of paradoxes and conflicts that have generally gone under appreciated in assessments of Temple William Temple was one of the most outstanding leaders of the early ecumenical movement In many ways his ecumenical efforts provided a paradigm others have looked to and followed Through detailed analysis of primary sources this study sheds light on several behind the scenes conflicts Temple experienced as he worked toward church unity Edward Loane explores the foundation of Temple's work by analyzing the philosophy and theology that underpinned and fueled it The book also exposes the tensions between Temple's denominational allegiance and his ecumenical convictions a tension that in some ways undermined his work for reunion This book reveals issues that contemporary Christians need to grapple with as they seek to further church unity Anglican Social Theology Malcolm Brown, 2014-07-04 This volume commissioned by a group of Bishops in hard hit dioceses looks to develop strong theological foundations for local social action initiatives by

churches especially for activists who are not familiar with the Church of England's tradition of social theology developed by William Temple and others a century ago *In the Ruins of the Church* R. R. Reno, 2002-10-01 Argues that the postmodern Western church is in ruins and that to be in the church is to embrace a broken way of life *Encyclopedia of Protestantism* Hans J. Hillerbrand, 2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day

Religious Experience William Temple (Archbishop), 1958 [Principles of the Jewish Faith](#) Louis Jacobs, 2008-11-06 All the fundamental tenets of Judaism as expressed in the Thirteen Principles of Faith laid down by Maimonides are subjected to a brilliant courageous interpretation a major work [Christ in All Things](#) Stephen Spencer, 2015-01-30 William Temple was one of the towering figures in the Church of England in the twentieth century He was a philosopher theologian social reformer bishop and archbishop As Archbishop of Canterbury he guided a nation at war and helped pave the way of the new post war society coining the term the welfare state and building support in the Church of England for radical social reforms This comprehensive volume draws on Temple's extensive publications broadcasts public speeches sermons and private letters and reflects the broad range of his concerns The case for Christian belief The interface of theology and philosophy Spiritual formation of the faithful Christian social principles and political thought Guiding a nation at war and envisaging a new society Prefaced by an extensive introduction to Temple's life and times and an overview of the key aspects of his legacy Stephen Spencer provides students with an authoritative guide to one of Anglicanism's most influential figures

Christian Socialism Philip Turner, 2021-01-07 Christian Socialism is a movement that arose in England in the mid nineteenth century and continues into the twenty first century This form of socialism was aimed in the first instance not at institutional reform or the nationalization of the means of production but at what its proponents viewed as the moral rot that lay at the foundation of first industrial and then digital society They opposed what we call neoliberalism and what was then known as political economy because supporters of these ideologies believed that moral convictions had no proper place in the operation of markets This conviction rested upon the false belief that people are essentially selfish competitive individuals seeking personal happiness The aim of Christian Socialists was to replace this rotten moral foundation with another based on the view that people are social and cooperative by nature rather than competitive Their goal was nothing less than a new society built not upon selfishness and aggression but upon social virtues such as equality fellowship cooperation service and justice They did not deny the presence of selfishness however they believed that the social nature of humankind lies deeper

than egotism and conflict and they sought a society built upon this belief **Reconciling Theology** Paul Avis, 2022-03-31 In *Reconciling Theology* leading thinker on Anglicanism and ecumenism Paul Avis focuses on the perennial Christian issues of argument debate polemic and conflict on the one hand and dialogue search for common ground working for agreement and harmony on the other Exploring the tension and interaction between them in a range of contexts in modern theology and the Church Avis offers a rigorous but accessible vision of church which moves beyond the usual dichotomy of liberal or orthodox

The Reference Catalogue of Current Literature ,1921 *Religious Experience, And Other Essays and Addresses. Collected and* William Temple, 1958 **Social Democracy in the Making** Gary Dorrien, 2019-04-23 An expansive and ambitious intellectual history of democratic socialism from one of the world's leading intellectual historians and social ethicists The fallout from twenty years of neoliberal economic globalism has sparked a surge of interest in the old idea of democratic socialism a democracy in which the people control the economy and government no group dominates any other and every citizen is free equal and included With a focus on the intertwined legacies of Christian socialism and Social Democratic politics in Britain and Germany this book traces the story of democratic socialism from its birth in the nineteenth century through the mid 1960s Examining the tenets on which the movement was founded and how it adapted to different cultural religious and economic contexts from its beginnings through the social and political traumas of the twentieth century Gary Dorrien reminds us that Christian socialism paved the way for all liberation theologies that make the struggles of oppressed peoples the subject of redemption He argues for a decentralized economic democracy and anti imperial internationalism *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **The Preacher's Portrait** John Stott, 2017-11 What this book is concerned with are the words used in the New Testament to describe preachers and the task of preaching from author's preface *The Church Quarterly Review* ,1922 **Between Two Worlds** Nicholas Sagovsky, 1983-09-08 Tyrrell and Arnold take their place in a peculiarly English theological tradition Appreciation of this tradition is of the first importance in understanding the background to contemporary Anglicanism and contemporary Catholicism More than that it offers a way of bridging the gulf between the world that to Tyrrell and Arnold was dead or dying and the world of the late twentieth century with all the questions that they began to perceive two prophetic individuals unable to live with the Church of their day and unable to find the Church of the future

The Enigmatic Realm of **Religious Experience And Other Essays And Addresses**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
