Movements of Religious Thought in Britain During the Nineteenth Century John Tulloch,1888 *Movements of Religious Thought in Britain During the Nineteenth Century* John Tulloch,1885 **Religious Thought in England in the Nineteenth Century** John Hunt (historien).),1896

Religious Thought in the Victorian Age Bernard M. G. Reardon,2014-09-12 An account of the intellectual and theological ferment of nineteenth century Britain the dynamic period when so many of the ideas and attitudes we take for granted today were first established including the impact of biblical criticism upon traditional theology and the belief in a social as well as a spiritual mission for the Church Key figures include Coleridge Newman Carlyle Matthew Arnold and F D Maurice Unavailable for some time the reappearance of this updated Second Edition will be welcomed by theologians and intellectual and literary historians alike *Movements of religious thought in Britain during the nineteenth century. St. Giles' lects., ser.5* John Tulloch,1885 Movements of Religious Thought in Britain During the Nineteenth Century John Tulloch,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1885 edition Excerpt critical but as we must judge superficial estimate has been lately given by Mr Traill in the series of English Men of Letters Our business is not so much to attempt any criticism of the value of Coleridge s thought as to describe it as a new power That it was such a power is beyond all question It is not merely the testimony of such men as Archdeacon Hare and John Sterling of Newman and of John Stuart Mill but it is the fact that the later streams of religious thought in England are all more or less coloured by his influence They flow in deeper and different channels since he lived Not only are some of those streams directly traceable to him and said to derive all their vitality from his principles but those which are most opposed to him have been moulded more or less by the impress of his religious genius There was much in the man Coleridge himself to provoke animadversion there may have been aspects of his teaching that lend themselves to ridicule but if a genius seminal as his has been in the world of thought and 61 cnticTsfa as well as poetry is not to excite our reverence there is little that remains for us to reverence in the intellectual world And when literature regains the higher tone of our earlier national life the tone of Hooker and of Milton Samuel Taylor Coleridge will be again acknowledged in Julius Mr Froude s biographic labours It may be found when the secrets of another Sanctuary are unveiled that if there was not much pious or partly courteous snuffle in the discourse there there was yet in plenty a confused unintelligible flood of utterance threatening to swamp all known land marks of thought and drown the world and us a vast vituperative commotion which made noise in the ear **Movements of Religious Thought in Britain During the Nineteenth Century** John Tulloch,2014-03 This Is A New Release Of The Original 1885 Edition Movements of Religious Thought in Britain During the Nineteenth Century: Being the Fifth Series of John Tulloch,2019-03-11 This work

has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. **The Oxford Handbook of**

Nineteenth-Century Christian Thought Joel Rasmussen, Judith Wolfe, Johannes Zachhuber, 2017-06-22. Through various realignments beginning in the Revolutionary era and continuing across the nineteenth century, Christianity not only endured as a vital intellectual tradition but contributed importantly to a wide variety of significant conversations, movements, and social transformations across the diverse spheres of intellectual, cultural, and social history. The Oxford Handbook of Nineteenth Century Christian Thought proposes new readings of the diverse sites and variegated role of the Christian intellectual tradition across what has come to be called the long nineteenth century. It represents the first comprehensive examination of a picture emerging from the twin recognition of Christianity's abiding intellectual influence and its radical transformation and diversification under the influence of the forces of modernity. Part one investigates changing paradigms that determine the evolving approaches to religious matters during the nineteenth century, providing readers with a sense of the fundamental changes at the time. Section two considers human nature and the nature of religion. It explores a range of categories rising to prominence in the course of the nineteenth century and influencing the way religion in general and Christianity in particular were conceived. Part three focuses on the intellectual, cultural, and social developments of the time, while part four looks at Christianity and the arts, a major area in which Christian ideas, stories, and images were used, adapted, changed, and challenged during the nineteenth century. Christianity was radically pluralized in the nineteenth century, and the fifth section is dedicated to Christianity and Christianities. The chapters sketch the major churches and confessions during the period. The final part considers doctrinal themes, registering the wealth and scope through broad narrative and individual example. This authoritative reference work offers an indispensable overview of a period whose forceful ideas continue to be present in contemporary theology. *Nineteenth Century Religious Thought in the West* Ninian Smart, 1988. Now available in paperback, the successful three volumes of *Nineteenth Century Religious Thought in the West* provide a fresh appraisal of the most important thinkers of that time. Some essays centre on major figures of the period; others cover topics, trends, and schools of thought between the French Revolution and the First World War. The contributors are among the leading scholars

in their field and analyse not only what was said but also why it was said and explore what is of lasting value in it Contributions are sufficiently clear to be of use to students in religious studies and cognate disciplines but have enough depth and detail to appeal to scholars

Religious Thought in the Victorian Age James C. Livingston, 2007-05-31 The central purpose of this book is to offer an account of crucial intellectual challenges to traditional British theology challenges that provoked wide ranging discussions and decisively shaped British theology In several instances they resulted in rather fundamental reconceptions of traditional doctrine and belief Not all of the conclusions reached in these debates proved enduring and some efforts to accomodate theology to advances in the sciences proved spurious or unnecessary Yet even the ill fated forays and speculations were efforts to respond to new genuine questions that required answers Livingston the dean of Victorian religious history approaches this subject from a new perspective By 1860 the religious discussion in Britain had broadened significantly in two ways First the examination of critical theological issues had moved outside the bounds of the established Church of England and its three dominant parties The discussion now engaged highly respected Roman Catholic Nonconformist and secular thinkers of impressive range Second the deeper and more consequential debates on matters touching on religion were no longer dominated by clerics and theologians Livingston demonstrates that the late Victorian decades were a time of vitality and creativity in the educated public s discussion of critical religious and theological matters Livingston reconceptualizes British religious thought in the last decades of the nineteenth century and the first decade of the twentieth

Religious Thought in England in the Nineteenth Century. London, Gibbings, 1896 John Hunt, 1971

A Victorian Curate David Yeandle, 2021-05-03 Greatly to be welcomed This meticulously researched and richly documented account provides fresh insights into theological controversy and social prejudice and should be read by all serious students of the Victorian Church Greatly to be welcomed Richard Sharp The Rev Dr John Hunt 1827 1907 was not a typical clergyman in the Victorian Church of England He was Scottish of lowly birth and lacking both social connections and private means He was also a witty and fluent intellectual whose publications stood alongside the most eminent of his peers during a period when theology was being redefined in the light of Darwin s Origin of Species and other radical scientific advances Hunt attracted notoriety and conflict as well as admiration and respect he was the subject of articles in Punch and in the wider press concerning his clandestine dissection of a foetus in the crypt of a City church while his Essay on Pantheism was proscribed by the Roman Catholic Church He had many skirmishes with incumbents both evangelical and catholic and was dismissed from several of his curacies This book analyses his career in London and St Ives Cambs through the lens of his autobiographical narrative Clergymen Made Scarce 1867 David Yeandle has examined a little known copy of the text that includes manuscript annotations by Eliza Hunt the wife of the author which offer unique insight into the many anonymous and pseudonymous references in the text A Victorian Curate A Study of the Life and Career of the Rev Dr John Hunt is an absorbing personal account of the corruption and turmoil in the Church of England at this time It will appeal to anyone

interested in this history the relationship between science and religion in the nineteenth century or the role of the curate in Victorian England **Protestant Thought in the Nineteenth Century, Volume 1** Claude Welch,2003-12-12 This comprehensive study analyzes the theological concerns of the major Protestant thinkers in Europe and the United States during the early part of the nineteenth century The discussion ranges from such influential literary religious thinkers as Carlyle and Emerson to theological critics such as Feuerbach and Kierkegaard **Movements of Religious Thought in Britain During the Nineteenth Century** John Tulloch,2015-09-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Victorian England 1837-1901* Josef Lewis Altholz,J. L. Altholz,2002-08-22 This book contains 2 500 bibliographical entries covering most aspects of the history of Victorian England

Religious Thought In England In The Nineteenth Century Introduction

In today's digital age, the availability of Religious Thought In England In The Nineteenth Century books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Thought In England In The Nineteenth Century books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Thought In England In The Nineteenth Century books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Thought In England In The Nineteenth Century versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Thought In England In The Nineteenth Century books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Thought In England In The Nineteenth Century books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Thought In England In The Nineteenth Century books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Thought In England In The Nineteenth Century books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Thought In England In The Nineteenth Century books and manuals for download and embark on your journey of knowledge?
