**The Reluctant Healer** Emily Gardiner Neal, Anne Cassel, 2000 A powerful thinker and writer Emily Gardiner Neal served as a model for the healing movement in America during the 1950s This engaging autobiography chronicles Neal's remarkable journey from skepticism to faith and into a ministry of healing A North Wind book **The Living Church**, 2000-07 Faith Beyond Faith Healing Kimberly Winston, 2002 What happens to one's belief in God when faith healing fails A journalist looks at faith healing and discovers that the absence of a healing miracle does not always mean the absence of God **The Episcopalians** David Hein, Gardiner H. Shattuck, 2005-08-01 The story of Episcopalians in America is the story of an influential denomination that has furnished a large share of the American political and cultural leadership Beginning with the Episcopal Church's roots in sixteenth century England *The Episcopalians* offers a fresh account of its rise to prominence Chronologically arranged it traces the establishment of colonial Anglicanism in the New World through the birth of the Episcopal Church after the Revolution and its rise throughout the nineteenth century ending with the complex array of forces that helped shape it in the 20th century and the consecration of Gene Robinson in 2003 The authors focus not only on the established leadership of the church but also to the experience of lay people the form and function of sacred space the evolution of church parties and theology relations with other Christian communities and the evolving ministries of women and minorities **The Publishers Weekly**, 2004 **A Faith Destroyed** Leanne Hathaway, 2008-07 I find your offer sir to be an agreeable one This signaled to the crowd that there would not be a hanging and many began to sullenly walk away upon being denied the once in a lifetime opportunity of seeing an infant strangled from Bessie's Smile Life often produces monumental pain and suffering and yet it is so easy for too many of us to ignore the pain of others we see around us *Five Unexpected Endings* is a collection of five short stories which depict various characters from various backgrounds who all have one thing in common They are part of the human race The stories are meant to entertain but they are also intended to show that we all have the same fears insecurities needs and desires We must always consider those we are on the planet with and we must never consider anyone as less important than we are *Five Unexpected Endings* is meant to uplift and comfort but it is also meant to warn that there are consequences when we do not respect the humanity of our fellow man **A Woman's Journey to God** Joan Borysenko, 2001 Studies how women have related to God in different cultures and religions *Sensual Faith* Lyvonne Briggs, 2023-03-21 An invitation for women to discover a healthier approach to spirituality and sexuality that centers pleasure rather than shame from body and sex positive preacher and author Lyvonne Briggs Home is not an address Home is where you feel safe And your body is aching to be your home How you view your body and your sexuality is informed and strengthened by spiritual practices but how many of us can say that religion has drawn us closer to our bodies That's because worship spaces that are intended to be spiritual safe houses have not historically been welcoming to our bodies forcing us to leave our flesh at the door This ideological amputation is at best a disservice and at worst a sin

The remedy Radical self hospitality In Sensual Faith Lyvonne Briggs charts a path for us to practice spiritual wellness that aligns and harmonizes our bodies with pleasure and sexuality By centering the rich traditions of ancient West African spirituality Sensual Faith offers a radically inclusive model of companioning one's self Filled with wellness rituals journal prompts affirmations and practices Sensual Faith shows us how to celebrate our bodies as our very homes Pleasure is your birthright writes Briggs so whether it's accepting your flesh nurturing your intuition learning the language of consent or sumptuous self care let radical self hospitality guide you to healthy sexuality

**My Father's Protection** Corina Anna, 2010-10 The only thing that denying or ignoring the truth does is to delay the inevitable It will eventually come out The end result is worth the hurt and struggle it takes to face the truth Writing this book took courage and the power of God Corina Anna had to confront the lies of shame dysfunction and fear of rocking the boat to bring forth the truth of her painful childhood Corina Anna's honesty will bring liberation to those who have been scarred by the shame of their pasts particularly victims of sexual and physical abuse First and foremost this book is a testament to the power of God's great love and protection for all those who trust in Him Corina Anna's message of hope will encourage you whether you've been a believer for many years or you're still wondering if you can trust God with your life Her candidness in sharing how she has learned to interact with God in her everyday circumstances will inspire you to experience God's kindness and direction in your own life

Healing Neen Tonier Cain, 2014-09-02 Choose for yourselves this day whom you will serve Joshua 24:15 NIV It is almost unfathomable to believe that just nine years ago Neen was in prison a place as familiar to her as the streets she lived on In just 15 years she had been arrested 83 times with 66 convictions Neen had and lost four children she was a crack addict a prostitute and desperately lost But as long as she had breath she would still have hope One day after 32 years hustling on the streets of Annapolis Neen's crumb of hope turned into a seed of trust Then I will make up to you for the years that the swarming locust has eaten Joel 2:25 NASV Healing Neen isn't just another story about victims and survivors or recovery and redemption ultimately it is a story of Good News and a testament to God's grace and presence It is the story of a woman's path to salvation and a propitious glimpse into the potential buried deep within some of society's most vulnerable people See that you do not despise one of these little ones For I tell you that in heaven their angels always see the face of my Father who is in heaven Matthew 18:10 ESV But this story isn't just about Neen it's about the value of human life the depth of suffering and the heights of grace It is a convincing *cri de Coeur* for better practices in the way we treat and counsel those caught in the cycles of trauma addiction and serial incarceration Neen brings us face to face with the ubiquitous corruption neglect and abuse in some of the systems meant to safeguard at risk women and children yet she leaves us with hope that things can change for the better Today Tonier Cain's calling is to help save thousands of other Neens across the nation She is a leading advocate for trauma informed care in prisons and mental health facilities She is a champion for examining and improving the way we help one another toward redemption and she is the voice of compassion and promise for so many still living on the fringe who need to hear where there's breath there's hope
