Reluctant Star:

Transnational Arab Stardom Kaya Davies Hayon, Stefanie Van de Peer, 2024-01-25 Building on the work of star studies scholars this collection provides contextual analyses of off screen representation as well as close textual analyses of films and star personas thereby offering an in depth study of the Arab star as text and context of Arab cinema Using the tools of audience reception studies the collection will also look at how stars of film stage screen and new media are viewed and received in different cultural contexts both within and outside of the Arabic speaking world Arab cinema is often discussed in terms of political representation and independent art film but rarely in terms of stardom glamour performance or masquerade Aside from a few individual studies on female stardom or aspects of Arab masculinity no major English language study on Arab stardom exists and collections on transnational stars or world cinema also often neglect to include Arab performers This new book seeks to address this gap by providing the first study dedicated entirely to stardom on the Arab screen Structured chronologically and thematically this collection highlights and explores Arab film screen and music stars through a transnational and interdisciplinary set of contributions that draw on feminist performance and film theories media studies sound studies material culture queer star and celebrity studies and social media studies

Reluctant Star Rodger W. Griffith, 2000-10-01 **The Last Rock Star Book** Camden Joy, 2011-11-01 Camden Joy's hero can't wrap up the quickie biography of rock star Liz Phair he's been commissioned to write Instead the shaky author finds himself recounting the troubled events of his own life His ex girlfriend who just might be the illegitimate daughter of dead Rolling Stone Brian Jones Liz Phair whom he's never met and a mystery girl seen looting a shop in an old newspaper photo all start to blur together in his mind If only he could get closer to his subject before the assignment spins out of control maybe he'd have a shot at the distinction he feels he deserves First

published in 1998 *The Last Rock Star Book* has become an underground cult classic **Acting for America** Robert T. Eberwein, 2010 The book focuses on the way various film icons engaged in and defined some major issues of cultural and social concern to America during the 1980s **Doc, Donnie, the Kid, and Billy Brawl** Chris Donnelly, 2025-02 Doc Donnie the Kid and Billy Brawl focuses on the 1985 New York baseball season a season like no other since the Mets came to town in 1962 Never before had both the Yankees and the Mets been in contention for the playoffs so late in the same season For months New York fans dreamed of the first Subway Series in nearly thirty years and the Mets and the Yankees vied for their hearts Despite their nearly identical records the two teams were drastically different in performance and clubhouse atmosphere The Mets were filled with young homegrown talent led by outfielder Darryl Strawberry and pitcher Dwight Gooden They were complemented by veterans including Keith Hernandez Gary Carter Ray Knight and George Foster Leading them was Davey Johnson a player's manager It was a team filled with hard nosed players who won over New York with their dirty uniforms curtain calls after hours activities and because well they weren't the Yankees Meanwhile the Yankees featured some of the game's greatest talent Rickey Henderson Dave Winfield Don Mattingly and Don Baylor led a dynamic offense while veterans such as Ron Guidry and Phil Niekro rounded out the pitching staff But the Yankees' abundance of talent was easily overshadowed by their dominating owner George Steinbrenner whose daily intrusiveness made the 1985 Yankees appear more like a soap opera than a baseball team While the drama inside the Mets clubhouse only made the team more endearing to fans the drama inside the Yankees clubhouse had the opposite effect The result was the most attention grabbing and exciting season New York would see in generations **Gay Fandom and Crossover Stardom** Michael DeAngelis, 2001-08-15 A case study of James Dean, Mel Gibson and Keanu Reeves and how they maintain their appeal to both gay and straight audiences *Action!* Carolyn Keene, 2011-09-13 So I agreed to play the part of Esther Rackham in a film about the heist that gave River Heights its name and there was all this trouble on the set and I figured out who was behind it Case closed right Wrong Once the camera starts rolling a huge fire breaks out on the set setting back production again We're running out of time and funds At least the fire turns up a key clue about who started it but I'll have to continue juggling acting and sleuthing Because it might be up to me to save this film from going up in flames The Future of NATO Expansion Zoltan Barany, 2003-07-21 In 1999 three East Central European states Poland Hungary and the Czech Republic gained membership in the North Atlantic Treaty Organization Professor Barany argues that once it began the Alliance should continue the enlargement process Nevertheless he maintains that only states that satisfy NATO's membership criteria should be allowed to join Through an extensive analysis of four countries Bulgaria Romania Slovakia and Slovenia who at the time of the book's original publication in 2003 were NATO aspirants Barany demonstrates that they were in several important respects unprepared for membership and that there was no pressing reason for NATO's haste Barany argues that while NATO should be clear that its doors remain open to qualified candidates the Alliance should hold off further expansion until
