Remaking Motherhood How Working Mothers Are Shaping Our Childrens Future:

Remaking Motherhood Anita Shreve, 1988 This study proposes that the children of working mothers are enriched rather than deprived and enjoy greater independence and a fuller sense of life's options

Working Mother, 1987-07 The magazine that helps career moms balance their personal and professional lives

Motherhood Anne Manne, 2005-09 Covers the debates over early institutional childcare the problems of reconciling work and family life the crisis of fertility and the impact of the new capitalism on the changing landscape of childhood

Representations of Motherhood Donna Bassin, Margaret Honey, Meryle Mahrer Kaplan, 1994-01-01 Explores the maternal experience from the mother's point of view The book questions a society that has devalued and sentimentalized motherhood and presents images of generative and creative women who are also mothers It also discusses the portrayal of mothers in art film and literature

Taking Sex Differences Seriously Steven E. Rhoads, 2010-05 Most discussions of sexuality today assume that differences between men and women are insubstantial and that the boundary between the masculine and the feminine is highly porous To reflect the idea that male and female roles have been socially constructed they speak of gender instead of sex and ridicule the double standard of studs and sluts Because men and women are virtually interchangeable it is argued men should do an equal share of domestic work so that women can compete equally with men outside the home This vision of androgyny has compelling aspects But Dr Steven Rhoads finds one problem whatever we might like to believe sex distinctions remain a deeply rooted part of human nature In *Taking Sex Differences Seriously* he assembles a wealth of scientific evidence showing that these differences are hardwired into our biology They range from the subtle women instinctively carry babies on their left side near the maternal heartbeat to the profound women with higher testosterone levels are more promiscuous more competitive and more conflicted about having children Rhoads explores male female disparities in aggression and dominance in sexuality and nurturing He shows how denial of these differences has affected phenomena such as the sexual revolution and fatherless families and policies such as Title IX and the call for universal day care But he also says that society is improved by discouraging some natural tendencies like men's temptation toward predatory sex and encouraging others like women's greater interest and talent in caring for babies Steven Rhoads dispels social clichés and spotlights biological realities in this provocative book Meticulously researched and elegantly written *Taking Sex Differences Seriously* is a groundbreaking look at the way we are

Shaping the Future for Early Childhood Programs Lawrence J. Schweinhart, Leslie De Pietro, 1988

From Superwomen to Domestic Goddesses Natasha Campo, 2009 This book examines the rise and fall of feminism in the public imagination in the last twenty years and explains why feminism failed and has become the catch cry of a generation Today many women turn their back on feminism because they feel betrayed by the promises of feminism Yet during the 1980s the popular ideal of the Superwoman offered a source of empowerment and pride for women and equality with men even having it all seemed possible Through a close reading of popular culture sources this book shows how women's

engagement with feminism has shifted over time and considers its future as a social movement **The Stars are Fire** Anita Shreve, 2017 A novel based on the true story of the largest fire in Maine's history follows the experiences of a pregnant woman who struggles to protect her two young children and watches her home burn while her husband joins the volunteer firefighters **How Does Work Affect the Family?** Greenhaven, Greenhaven Press Editors, 1989 Various authors debate how sex roles were established and how men and women respond to changes in sex roles Includes critical thinking skills activities **Kirkus Reviews** , 1987 Adult books are categorized by genre i.e. fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical The Working Woman's Baby Planner Marla Schram Schwartz, 1993 This all in one organizer planner and information resource should help the working mother to be meet the special demands and challenges of both her job and pregnancy Included is help on making the right child care choices tips for prenatal care advice on relieving stress and physical discomfort at work ways to make the most of maternity leave and nutrition vitamin exercise charts *New Books on Women and Feminism* , 1988 *The Writers Directory* , 2013 **OECD Panel Group on Women, Work, and Health** , 1993 *Braille Book Review* , 1988 **Twenty-first-century American Novelists** Lisa Abney, Suzanne Disheroon Green, 2004 Authors at the dawn of the twenty first century focus predictably on topics that influence their society Recurring with notable frequency in the writing of contemporary American authors are issues such as the environment gender roles terrorism and ecoterrorism domestic abuse religion and spirituality technology sexual and racial identities the economy the family and its construction drug use and its social ramifications and a resurgence in regionalism **The publishers weekly** , 1987 *Effects of Employment and Social Support on First-time Mothers Age 30 and Older the First Year of Motherhood* Constance Mae Smith, 1994 International Who's Who of Authors and Writers 2004 Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters The American Humanities Index Stephen H.
