Mather, 2017-10-16 Excerpt from Remarkable Providences Illustrative of the Earlier Days of American Colonisation HE very natural and laudable Curiosity to examine and compare the past with the present has been recently gratified to a great extent by the republication of rare and curious books The labours of the Percy Parker Camden Shakespeare and Hansard Knollys Societies have contributed a store of information most pleasant and profitable The Harleian and Somers collection of Tracts have rendered accessible a vast number of singularly interesting but rugged pamphlets in contrast With which our popular literature sheds a benign influence over society While it exhibits an equally superior elegance of appearance The volume now offered to the public is one of a series of the popular books of a bygone age which will form a valuable library of old authors that in their original forms are too rare and expensive to be generally accessible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
