**A Remarkable Woman** Anne Edwards, 1986 A biography of Katharine Hepburn **Katharine Hepburn** Anne Edwards, 2019-06-21 Katharine Hepburn grande dame of American actresses fierce individualist and living legend Nominated for 12 Academy Awards and winner of four Hepburn achieved stardom against formidable odds The woman behind the legend emerges in this sympathetic yet clear eyed portrait of her exceptional life and loves Filled with accounts of her relationships with Spencer Tracy Howard Hughes and many others here is the fascinating story of a determined and invincible woman From her ferociously guarded private life to Broadway s lights and Hollywood s Golden Age A Remarkable Woman reveals a star whose courage and magnetism knew no bounds Throughout her life Hepburn spoke her mind mixing a native Yankee forthrightness with the social conscience she learned from her parents and her own brand of stubbornness This book is a fascinating look not only at the invincible Katherine Hepburn but at a whole era the golden age of Hollywood set against the struggles for women s equality and the glittering lights of Broadway Katharine Hepburn Hourly History, 2022-03-21 One of the foremost screen sirens of her era Katharine Hepburn was universally known for her grace wit and charm She rose to the top of celebrity status in the great Golden Age of Hollywood and she was able to maintain her sense of stardom all the way to her twilight years During her many years in the limelight Hepburn was dogged by wild gossip and rumors due to her eccentricities and often solitary lifestyle Her long lived affair with heartthrob Spencer Tracy was also quite often the talk of the town Discover a plethora of topics such as The Suicide of Her Brother Struggling to Perform Love and Marriage Broadway Success Box Office Flops Later Life and Death And much more Discover the life of Katharine Hepburn the fiercely independent actress who became a Hollywood legend With a record four Academy Awards and a trailblazing spirit she redefined stardom and style Perfect for fans of classic cinema and iconic performers Get your copy today and celebrate the legacy of a true screen legend **Katharine Hepburn** Andrew Britton, 2003 Of all the major Hollywood stars Katharine Hepburn was the least conventional conforming to none of the stereotypes of female superstardom She was not an exotic outsider in Hollywood like Greta Garbo or Marlene Dietrich nor was she a victim of the studios like Judy Garland or Marilyn Monroe and she was certainly not a creature of the system like Joan Crawford and Lana Turner Instead she always appeared intelligent willful and independent able to develop her own persona within the confines of the studio system Andrew Britton proposes a feminist reading of Hepburn s films arguing that her persona raises problems about class female sexuality and women s oppression that strain to the limits the conventions of a cinema ultimately committed to the reassertion of bourgeois gender roles Hepburn s work is also used to explore more general issues such as the functioning of the star system This is one of the very few analyses of American cinema to focus on a film star rather than a director or a genre and as such is essential reading for anyone interested in the movies First published in the United Kingdom twenty years ago this lavishly illustrated new edition features a foreword by the noted film critic Robin Wood
