Rembrandt And His Pupils

John Charles Van Dyke

Rembrandt And His Pupils:

Drawings by Rembrandt and His Pupils Rembrandt Harmenszoon van Rijn, Holm Bevers, 2009 This catalogue explores the workings of Rembrandt's studio in the form of drawings made by the master himself and fifteen of his pupils *Drawings by Rembrandt and His Pupils* Rembrandt Harmenszoon van Rijn, Holm Bevers, 2009 Rembrandt was the most famous painter of the Dutch Golden Age and the opportunity to work in his studio attracted young artists for nearly four decades until the artist's death in 1669 This catalogue explores the workings of Rembrandt's studio in the form of drawings made by the master himself and fifteen of his pupils Rembrandt and his students would often depict the same subject matter as an exercise and make drawings of the same nude models In his later years Rembrandt also made sketching trips outside Amsterdam to create his innovative landscapes of the Dutch countryside His students followed this example sometimes depicting the same sites Organized chronologically *Drawings by Rembrandt and His Pupils* Telling the Difference is a groundbreaking study that presents more than forty works by Rembrandt and related works by his pupils It explores the scholarship of recent decades that has brought new and more systematic criteria to bear on determining the authenticity of Rembrandt drawings and defines the styles of his pupils and followers with ever greater precision In so doing this volume demystifies the sometimes baffling exercise known as connoisseurship and seeks to re-enact the daily practices that Rembrandt used to teach his students and bring them to artistic maturity This is an essential book for anyone interested in the Dutch Golden Age or the lives and careers of Rembrandt and the artists in his immediate circle A major exhibition of these drawings will be on view at the J Paul Getty Museum from December 8 2009 to February 28 2010 Book Jacket **Rembrandt and His Pupils** North Carolina Museum of Art, Wilhelm Reinhold Valentiner, 1956 *Rembrandt and His Pupils*, 1956 The Impact of a Genius Albert Blankert, Groninger Museum, 1983 Catalogus van een in 1983 gehouden tentoonstelling in het Groninger Museum over het werk van Rembrandt en vooral dat van zijn leerlingen en navolgers in de 17e eeuw Drawings by Rembrandt and His Pupils, 2009 **Rembrandt and His Pupils** Montreal Museum of Fine Arts (MONTREAL), 1969 **Rembrandt and the Female Nude** Eric Jan Sluiter, Rembrandt Harmenszoon van Rijn, 2006 Rembrandt's extraordinary paintings of female nudes Andromeda Susanna Diana and her Nymphs Dana Bathsheba as well as his etchings of nude women have fascinated many generations of art lovers and art historians But they also elicited vehement criticism when first shown described as against the grain anticlassical even ugly and unpleasant However Rembrandt chose conventional subjects kept close to time honored pictorial schemes and was well aware of the high prestige accorded to the depiction of the naked female body Why then do these works deviate so radically from the depictions of nude women by other artists To answer this question Eric Jan Sluiter in *Rembrandt and the Female Nude* examines Rembrandt's paintings and etchings against the background of established pictorial traditions in the Netherlands and Italy Exploring Rembrandt's intense dialogue with the works of predecessors and peers Sluiter demonstrates that more than any other artist Rembrandt set out to incite the greatest possible empathy in the

viewer an approach that had far reaching consequences for the moral and erotic implications of the subjects Rembrandt chose to depict In this richly illustrated study Sluijter presents an innovative approach to Rembrandt's views on the art of painting his attitude towards antiquity and Italian art of the Renaissance his sustained rivalry with the works of other artists his handling of the moral and erotic issues inherent in subjects with female nudes and the nature of his artistic choices

Rembrandt and the Inspiration of India Stephanie Schrader, 2018-03-20 This sumptuously illustrated volume examines the impact of Indian art and culture on Rembrandt 1606-1669 in the late 1650s By pairing Rembrandt's twenty-two extant drawings of Shah Jahan Jahangir Dara Shikoh and other Mughal courtiers with Mughal paintings of similar compositions the book critiques the prevailing notion that Rembrandt brought life to the static Mughal art Written by scholars of both Dutch and Indian art the essays in this volume instead demonstrate how Rembrandt's contact with Mughal painting inspired him to draw in an entirely new refined style on Asian paper an approach that was shaped by the Dutch trade in Asia and prompted by the curiosity of a foreign culture Seen in this light Rembrandt's engagement with India enriches our understanding of collecting in seventeenth-century Amsterdam the Dutch global economy and Rembrandt's artistic self-fashioning A close examination of the Mughal imperial workshop provides new insights into how Indian paintings came to Europe as well as how Dutch prints were incorporated into Mughal compositions

Rembrandt and His School John Charles Van Dyke, 1923

Rembrandt and his pupils, 1956

Rembrandt's Late Pupils David Albert De Witt, Leonore van Sloten, Jaap van der Veen, 2015 Many compositional sketches show Rembrandt's distinctive method for training pupils and his own imagination Genre and landscape drawings demonstrate how the pupils studied a range of specialist themes and techniques to achieve comprehensive mastery Finished paintings some still produced in Rembrandt's studio reveal their instruction under Rembrandt but also their individual responses to his model His instructions drew aspiring young painters such as Nicolaes Maes Willem Drost Abraham van Dijck and Jacobus Leveck They came for the second phase of their training to become independent masters They saw Rembrandt as a comprehensive teacher and not only imitated his virtuoso brush work but also followed his instruction in a wide range of subject matter from historical narrative to landscape

AUTHOR Leonore Van Sloten is a curator at the Rembrandt House Museum David De Witt is chief curator of the museum Jaap van der Veen is the research curator

A Corpus of Rembrandt Paintings VI Ernst van de Wetering, 2014-11-11 A revised survey of Rembrandt's complete painted oeuvre The question of which 17th-century paintings in Rembrandt's style were actually painted by Rembrandt himself had already become an issue during his lifetime It is an issue that is still hotly disputed among art historians today The problem arose because Rembrandt had numerous pupils who learned the art of painting by imitating their master or by assisting him with his work as a portrait painter He also left pieces unfinished to be completed by others The question is how to determine which works were from

Rembrandt's own hand Can we for example define the criteria of quality that would allow us to distinguish the master's work from that of his followers Do we yet have methods of investigation that would deliver objective evidence of authenticity To what extent do research techniques used in the physical sciences help Or are we after all still dependent on the subjective expert eye of the connoisseur The book provides answers to these questions Prof Ernst van de Wetering the author of our forthcoming book which deals with these questions has been closely involved in all aspects of this research since 1968 the year the renowned Rembrandt Research Project RRP was founded In particular he played an important role in developing new criteria for authentication Van de Wetering was also witness to the way the often overly zealous tendency to doubt the authenticity of Rembrandt's paintings got out of hand In this book he re attributes to the master a substantial number of unjustly rejected Rembrandts He also was closely involved in the re discovery of a considerable number of lost or completely unknown works by Rembrandt The verdicts of earlier specialists including the majority of members of the original RRP up to 1989 were based on connoisseurship the self confidence in one's ability to recognise a specific artist's style and hand Over the years Van de Wetering has carried out seminal research into 17th century studio practice and ideas about art current in Rembrandt's time In this book he demonstrates the fallibility of traditional connoisseurship especially in the case of Rembrandt who was par excellence a searching artist The methodological implications of this critical view are discussed in an introductory chapter which relates the history of the developments in this turbulent field of research Van de Wetering's account of his own involvement in it makes this book a lively and sometimes unexpectedly personal account The catalogue section presents a chronologically ordered survey of Rembrandt's entire painted oeuvre of 336 paintings richly illustrated and annotated For all the paintings re attributed in this book extensive commentaries have been included that provide a multi faceted new insight into Rembrandt's world and the world of art historical research Rembrandt's Paintings Revisited is the concluding sixth volume of A Corpus of Rembrandt Paintings Volumes I V 1982 1986 1989 2005 2010 It can also be read as a revisionary critique of the first three Volumes published by the old RRP team up till 1989 and of Gerson's influential survey of Rembrandt's painted oeuvre of 1968 69 At the same time the book is designed as an independent overview that can be used on the basis that anyone seeking more detailed information will be referred to the five previous digital versions of the Volumes and the detailed catalogues published in the meantime by the various museums with collections of Rembrandt paintings This work of art history and art research should belong in the library of every serious art historical institute university or museum

Rembrandt/not Rembrandt in the Metropolitan Museum of Art: Paintings, drawings, and prints: art-historical perspectives Hubertus von Sonnenburg, Walter A. Liedtke, Metropolitan Museum of Art (New York, N.Y.), 1995

Drawings of Rembrandt Seymour Slive, 1965 *A Corpus of Rembrandt Paintings V* Ernst van de Wetering, 2013-12-12

This volume is the fifth volume of A Corpus of Rembrandt Paintings a project devoted to all Rembrandt's paintings This is the work of The Rembrandt Research Project consisting of a group of scholars led since 1993 by Professor Ernst van de Wetering

The project began in 1968 with the aim of separating Rembrandt's own paintings from the vast number of Rembrandtesque paintings made by his many apprentices and followers. Having opted for a chronological approach to the cataloguing of Rembrandt's paintings from 1625 till 1642 in the first three volumes, it was decided in 1993 to adopt a thematic approach for further volumes. This was largely to facilitate the recognition of different hands. The new approach yielded much more information not only about Rembrandt's working methods but also about the function and meaning of his works. This expanded field of view meant that etchings and drawings with similar themes also needed to be included. In 2005 Volume IV appeared devoted to Rembrandt's self-portraits in painting, etching and drawing. Volume V consists of a catalogue and analysis of the so-called small-scale history and genre paintings. That theme was chosen because this type of complex work shows a variety of full-length protagonists acting in different narrative settings. For this reason, in the 17th-century painting, etching or drawing, biblical and mythological scenes were looked upon as an artist's greatest challenge. The choice of this theme proved to be highly fruitful in several ways. Small-scale history pieces reveal Rembrandt's artistic ambitions most clearly. They also offer the authors a much more accurate view of the daily routine in Rembrandt's studio; his apprentices mostly copied this type of work or used it as a starting point for their own. As a result, it was easier to distinguish the works by the master himself from those of his pupils. All aspects of the skills necessary to create a pictorial illusion play a part in the creation of small-figured history paintings. These aspects were referred to as the basis of the noble art of painting in Rembrandt's days. Two seventeenth-century painter-theoreticians discussed these principles systematically in two books which up till now have only sporadically been consulted in the context of 17th-century studio practice. Karel van Mander wrote his *Grond der edel vry schilderconst* (Basis of the Art of Painting) in 1604, and Samuel van Hoogstraten produced his *Inleyding tot de hooge schoole der schilderconst* (Academy of Painting) in 1678. Van Hoogstraten was a pupil of Rembrandt between 1642 and 48. Comparing the two books and considering them in relation to Rembrandt's oeuvre gradually reveals his original views on painting and how these had developed during his career. Thus the authors of this new Volume of *A Corpus* have gained an unexpected and profound insight into Rembrandt's ideas and approach to his art. The basic aspects of painting included the following topics: function and methods of drawing, human proportions, various positions, poses and gestures of figures, ways of arranging a scene's protagonists in a composition, facial expressions of a variety of emotions, light, shadows and reflected light, landscape and animals, draperies and articles of clothing, methods of painting and various characteristics and uses of colours. The way these basic aspects were selected and dealt with presumed that the more practical side to the art of painting would be learned by the apprentice in the daily routine of his master's studio. With the development of art history in the nineteenth century, the basic aspects of the art of painting listed above acquired the vague label of style. However, the seventeenth-century categorization of the basic aspects provides a much more acute means of probing the views and criteria for judging a painting by Rembrandt and his contemporaries than the concept of style. Volume

V in the series A Corpus of Rembrandt Paintings breaks new ground from the point of view of art history not only in its approach to Rembrandt as an artist but more particularly to his thinking about painting Moreover a detailed comparison of Rembrandt's works and those by his apprentices who based their works on his led to a profound and detailed understanding of Rembrandt's views on pictorial quality In art historical literature quality usually does not feature prominently since it is regarded as being too subjective This comparative approach together with the analysis of seventeenth century categories of thought about painting have given the research on Rembrandt a new impetus at the same time allowing us to see more clearly through seventeenth century eyes That is why the new volume of the Corpus is an important publication not only for art historians but also for all who want to fully enjoy the numerous works of art that date back to the Dutch Golden Age now scattered in museums around the world

The Ashgate Research Companion to Dutch Art of the Seventeenth Century Wayne Franits, 2017-07-05 Despite the tremendous number of studies produced annually in the field of Dutch art over the last 30 years or so and the strong contemporary market for works by Dutch masters of the period as well as the public's ongoing fascination with some of its most beloved painters until now there has been no comprehensive study assessing the state of research in the field As the first study of its kind this book is a useful resource for scholars and advanced students of seventeenth century Dutch art and also serves as a springboard for further research Its 19 chapters divided into three sections and written by a team of internationally renowned art historians address a wide variety of topics ranging from those that might be considered traditional to others that have only drawn scholarly attention comparatively recently

Rembrandt: A Life Charles L. Mee Jr., 2016-10-24 Until now he has remained a mystery leaving only a few sentences the letters of his bankruptcy a mistress's notarized complaint and the most glorious compassionate paintings ever to astonish the eye The first pure biography of this enigmatic legend is a fascinating detective story in which clue by clue the man himself emerges Charles Mee historian and playwright renders a finely textured portrait of the artist against a richly described background of seventeenth century life He captures the human Rembrandt the ordinary man and unexpected genius We see the youthful arrogant poseur son of a small town miller seeking a life of art amid the cosmopolitan bustle of Amsterdam We see the outsider struggling to rise without patron or court commissions failing as an entrepreneur while immortalizing simple people in works of haunting complexity We see the inspired moments behind masterworks like *The Anatomy Lesson* and *Nightwatch* and all the conflicting guises of their creator bohemian and aspiring bourgeois husband and lover honored genius penurious vagabond and finally the essential dichotomy the egocentric master who despite his intense self absorption captured the diversity of humanity with extraordinary empathy sensitivity and grace

Rembrandt and His Circle Michiel C. Plomp, 2006 Treasured throughout Europe since the seventeenth century Dutch artist Rembrandt van Rijn's prints were objects of esteem during his lifetime 1606-1669 Artists writers and collectors at the time admired Rembrandt's work and already in 1641 when the artist was in his mid thirties he was praised in a German publication as one of the most

noteworthy printmakers of the era In 1995 The Metropolitan Museum of Art presented Rembrandt Not Rembrandt an exhibition that displayed the artists paintings drawings and prints but concentrated on his connoisseurship Although much of the information contained in this volume depends heavily on the 1995 exhibition the focus here is different In this manuscript more attention is paid to Rembrandt s pupils and to other artists from his immediate circle In part because of his fame Rembrandt was a sought after teacher The exact number of his pupils is unknown but may have numbered about forty or fifty Some of them such as Ferdinand Bol Govaert Flinck and Nicolaes Maes would become important artists in their own right The pupils closely imitated Rembrandt s style and technique creating works that are sometimes hard to distinguish from those of the master Apart from their beauty and sheer quality the pupils works on paper have undergone serious investigation only in recent decades resulting in quite a number of repercussions and changes of attribution in the master s oeuvre a process that continues today This volume and the exhibition it accompanies celebrate Rembrandt s 400th birthday The Metropolitan Museum of Art web site *Rembrandt and His Pupils* Ernst van de Wetering, Svetlana Alpers, 1993

This book delves into Rembrandt And His Pupils. Rembrandt And His Pupils is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Rembrandt And His Pupils, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Rembrandt And His Pupils
 - Chapter 2: Essential Elements of Rembrandt And His Pupils
 - Chapter 3: Rembrandt And His Pupils in Everyday Life
 - Chapter 4: Rembrandt And His Pupils in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Rembrandt And His Pupils. The first chapter will explore what Rembrandt And His Pupils is, why Rembrandt And His Pupils is vital, and how to effectively learn about Rembrandt And His Pupils.
3. In chapter 2, the author will delve into the foundational concepts of Rembrandt And His Pupils. The second chapter will elucidate the essential principles that need to be understood to grasp Rembrandt And His Pupils in its entirety.
4. In chapter 3, this book will examine the practical applications of Rembrandt And His Pupils in daily life. This chapter will showcase real-world examples of how Rembrandt And His Pupils can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Rembrandt And His Pupils in specific contexts. This chapter will explore how Rembrandt And His Pupils is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Rembrandt And His Pupils. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Rembrandt And His Pupils.

Rembrandt And His Pupils Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rembrandt And His Pupils has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rembrandt And His Pupils has opened up a world of possibilities. Downloading Rembrandt And His Pupils provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rembrandt And His Pupils has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rembrandt And His Pupils. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rembrandt And His Pupils. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rembrandt And His Pupils, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rembrandt And His Pupils has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rembrandt And His Pupils Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read

eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rembrandt And His Pupils is one of the best book in our library for free trial. We provide copy of Rembrandt And His Pupils in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rembrandt And His Pupils. Where to download Rembrandt And His Pupils online for free? Are you looking for Rembrandt And His Pupils PDF? This is definitely going to save you time and cash in something you should think about.
