Reprint of the original first published in 1873 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      **Remedies in Tort** Lewis Klar,Linda D. Remedies is one of the key organizing concepts of the obligations approach to the common law This second edition modernizes the former 1995 edition quite considerably It determines the place of remedies in contract and tort within the debate about the reform of the common law obligation      *Business Torts Litigation* Ann E. Georgehead,David A. Soley,Robert Y. Gwin,2005 A litigator s guide to current business torts law this book provides a concise review of or introduction to the important issues general rules and major exceptions to the rules in each of the major business torts subjects areas along with practical guidance through the situations you are likely to encounter in assessing preparing and presenting a case BOOK JACKET      **The Law of Remedies for Torts** Francis Hilliard,2017-08-21      *Remedies for Torts, Breach of Contract, and Equitable Wrongs* Andrew Burrows QC FBA,Andrew S. application of academic context and enduring subject matter      **A Treatise on Torts** Sydney Hastings,1885      **A Treatise on the Law of Torts** Charles Greenstreet Addison,1906      **Remedies for Torts and Breach of Contract** Andrew S. Burrows,1987-01-01      **The Protection of Property Rights Through Tort Law** Victoria Evans,2025-08-07 This book analyses the problems caused by relying on tort law mechanisms to protect tangible property interests in the common law and suggests a new way of thinking to rectify these issues As English common law relies primarily on tort law for the protection of tangible property interests property rights are protected by a group of claims that as a whole are informed by a set of concerns that have little to do with the vindication of property rights The book demonstrates how tort law tends to focus on loss within the case law and argues that this fundamental mismatch wholly undermines the category of property rights since the protection of property through tort is simultaneously too broad and too narrow Discussing trespass to goods trespass to land private nuisance conversion and negligent property damage the book advances a novel way of re thinking about the property protecting torts far better suited to their unique role within the law Using cases throughout the book will be of interest to students scholars and practitioners within the fields of property law tort law and private law in general
