*This Dying Thing* David Payton,2012-06 The inspiration of this book came from the death of my mother Frances Edith Nix Tolliver She died February 19th 2007 She was born April 24th 1920 I was fortunate enough to have her 56 years of my life We are not raised to die we are raised to live even though the plot from mankind is like they would do sheep cows or chickens although you are cared for to a certain degree you are not going to make it out of this world alive My thought on this is that if we were raised to die there would probably be more tragedy probably be more destruction and chaos and then again maybe not I also agree that because there are enormous amounts of people and quite a few that would like to run the world a certain way we will never unite to a calm and peace that can exist given the right circumstances

Suicide and the Self Dariusz Galasiński, Justyna Ziółkowska, 2025-07-28 This book centres on self accounts of suicidal behavior using a Critical Discourse Analysis CDA approach to offer a qualitative perspective within current suicidology and suicide prevention research Suicide and the Self A Discourse Analysis Approach to Self Narratives of Suicide is the first qualitative study to explore suicide through the eyes of the person experiencing it The volume is grounded in foundational CDA concepts which view social reality as constructed through language and draw on data from real people s writings interviews visual representations and farewell letters to understand the discursive resources and linguistic patterns in these narratives from varied temporal perspectives By focusing on how individuals construct their own stories Galasi ski and Zi kowska show how a discourse analytic approach can enrich suicidological research and inform suicide prevention efforts This book is essential reading for scholars in suicidology medical humanities allied health and discourse analysis

The Open Past: Subjectivity and Remembering in the Talmud Sergey Dolgopolski, 2013 The Open Past challenges a view of time that has dominated philosophical thought for the past two centuries In that view time originates from a relationship to the future and the past can be only a fictitious beginning the necessary phantom of a starting point a chronological period of before This view of the past has permeated the study of the Talmud as well resulting in the application of modern philosophical categories such as the thinking subject subjectivity and temporality to the thinking displayed in the texts of the Talmud The book seeks to reclaim the originary power and authority the past exerts in the Talmud Central to the task of reclaiming a radical role for the past are medieval notions of the virtual and their contrasting modern appropriations the thinking subject among them These serve as both a bridging point and a demarcation between the practices of thinking and remembering displayed in the conversations held by the characters in the Talmud by contrast to other rhetorical or philosophical schools and disciplines of thought

**Off Broadway Musicals, 1910-2007** Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off

Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer

*Tender Tarnish* Richard Lee Cook,2020-04-03 The Fire and Rain Chronicles It s where the souls of the living dead are nothing more than earth bound spirits At the least shadowed memories of those endlessly wandering in the darkness of despair and hopelessness Bound by destiny s shackles in a blacken abyss Rarely does a glimmer of light slice through the dense curtain of madness One survivor still lives to tell the story of this ill fated family up on Hell s Half Acre

**Eternal Seas** N. Christine Samuelson,2018-03-12 Lifelong tragedies of loved ones at sea perpetuate Ella Rowe s soul deep fear of it Feeling cursed she s haunted by secrets lies spirits and memories of living in other times all with similar fates Ella s fear forces her to run from love until the sea brings her the perfect man Navy fighter pilot Daniel Ellsworth A fated and powerful attraction draws them together in Key West But believing that loving Daniel will make him the curse s next victim Ella wants to run Daniel questions pursuing her knowing death could be a consequence They begin a timeless odyssey of mystery and peril leading back to Ella s ancestral home in Maine Will their destiny be fulfilled or will tragedy be repeated as Ella and Daniel endure heartbreak to find love and face death to find life

**Nemesis** Mark Binmore,2017-10-08 After A Sorta Fairytale was published I was inundated with requests to talk more about my prose lyrics One part of me felt that the text should speak for itself and that to explain would be like naming the colours of a painting while forgetting to look at the picture This was why I only explained some of the words and meanings contained within the book Another part of me wanted to acknowledge the genuine interest people were showing and so I replied haphazardly it seemed to those who would have asked For this publication I have decided to continue the theme but this time in full I have in response provided some background to the pieces in the hope that the understanding of the words and meanings may have some uniformity This of course will go part of the way to explain them for it is also my hope that everyone who reads them may hold their own interpretation I have written about them by searching for the genesis of the

words in diaries and notebooks I have kept and so the background has as a result the flavour of a personal journal It is in a way my book of days It s only when you finish the book the stories and what they are saying that you know I write a piece I work on it for a while and then leave it I might not go back to these words for three maybe six months When I do go back that s where I try and see what the emotional feeling was what was in the words There is also reflection contained within this publication as I revisit just a few pieces a process that presents so I have been told a fascinating portrait of a writer in a constant state of evolution I have re written some elements whilst keeping the essence of verse making these something of a Director s Cut but in word not vision For some time I have felt that I wanted to revisit some of my works and that they could benefit from having new life breathed into them and now these selections have another layer of work woven into their fabric Nemesis has an arrangement of journeys in the rain through the length of a lifetime amongst history between emotions and journeys across great oceans So although it s not a themed collection of words as such there is an underlying connection between the pieces These notes are only part of the equation

**Prayers to Papa** Kate VanPelt, 2023-11-28 Have you ever read the Bible from Genesis through Revelations Does it seem like a daunting task How can you apply what you read to your own life Prayers to Papa seeks to turn this daunting task into a beautiful journey through the Bible at your own pace It offers scripture prayer music recommendations and space for you to journal your praises intentions and answered prayers This journey can comfort educate and inspire you but most of all it can bring you into a special intimate relationship with God connecting you to His plan from the beginning of time Some days the travel may be hard and other times it may seem like a vacation this was author Kate VanPelt s experience But God showed up for her every day giving her prayer and song hearing her intentions and answering her He became her closest most cherished friend and he can do the same for you This devotional presents a guided reading journey through the Bible filled with scripture prayer music and space for journaling
