Remembering A History Of Orange County Virginia:

Remembering Frank Stringfellow Walker, 2004 The Colonial Churches of St. Thomas' Parish Orange County, Virginia Lizabeth Ward Papageorgiou, 2008 St Thomas Parish in Virginia was formed from St Mark s Parish in 1740 The new parish encompassed present day Orange Greene and a strip of southern Madison counties Based on an extensive examination of primary sources the work at hand is the first accurate description of the formation of St Thomas Parish its member churches its ministers and others who played a significant part in its colonial history In the absence of surviving vestry books for St Thomas Parish or even an accurate map of the parish the author was able to extract valuable information pertaining to St Thomas Parish from the surviving vestry books of the neighboring parishes of St Mark s and St George s However as Mrs Papageorgiou explains in her Preface Spotsylvania and Orange County road orders comprise the backbone of her study The road orders for the construction and maintenance of roads as recorded in county court order books provide evidence to the existence of churches and chapels throughout the parish The road orders value to the genealogist is that they identify the overseers and work crews assigned to maintain the road and any bridges along it So for example the road orders tell us that between November 1 1726 and April 2 1734 John Rucker Thomas Jackson Joseph Hawkins Abraham Bledsoe Henry Downes John Davis and George Eastham all served as overseers of roads near Southwest Mountain Chapel in St Thomas Parish This work is an excellent example of historical reconstruction The Introduction explains how when and why St Thomas was established from its parent and grandparent parishes St Mark s and St George s Next the author uses the road orders and other sources to pinpoint the timing and location of each of the following places of worship Germana Church Southwest Mountain Chapel Southwest Mountain Church Upper Chapel St Thomas Parish Upper Church Middle Brick Church Pine Stake Church and New Orange Church Mrs Papageorgiou has also appended a number of important court orders at the back of the volume The third chapter gives the tenure of every parish minister and his family members The final chapter recounts how previous writers notably Bishop William Meade and Philip Slaughter have recorded the history of St Thomas Parish and where more often than not they went astray Students of Virginia church history will welcome the comprehensive bibliography that follows the appendices *A History of Orange County, Virginia* William Wallace Scott, 1907 *The Virginia Magazine of History and Biography* Philip Alexander Bruce, William Glover Stanard, 1906 *Germanna Road Dr.* Peter G. Rainey, 2010-06-30 This is a history of the land and the landowners along Germanna Road and connecting roads from the Rapidan River to Wilderness Run The chapters that follow provide the history of the lower end of Orange County especially the Alexandria Tract with particular attention to the land in and around Lake of the Woods My brother asked me Why should I care about the Alexandria Tract My simple answer was Because we are descendants of Alexander Spotswood He got me to thinking about what motivates anyone to write and especially to research and record one s findings for posterity When the English settler came to Virginia he brought his law and his library The concept of land boundaries and personal

ownership were foreign until then as was the concept of written records The land records journals and family records of the five generations of Spotswoods their relatives and neighbors that lived on and near the Lake of the Woods area have been preserved but their story has not previously been written Similarly the modern pioneers that came in the late 1960s and later to form the community of Lake of the Woods should have their story preserved Of all the places within a few hours of Washington D C why pick the Wilderness to develop a large lake recreational community The answer to this question cannot be found in any published history of Orange County Why would families sell their home of generations including the family cemetery The simple answer of for the right price is not the only explanation

From Arlington to Appomattox Charles R. Knight, 2021-06-15 Brilliant really gives one a sense of what it took to both lead and run an army in the Civil War Superb Chris Kolakowski author of The Virginia Campaigns March August 1862 In From Arlington to Appomattox Charles Knight does for Robert E Lee and students of the Civil War what E B Long's Civil War Day by Day did for our understanding of the conflict as a whole This is not another Lee biography but it is every bit as valuable as one We know Lee rode out to meet the survivors of Pickett's Charge and accept blame for the defeat that he tried to lead the Texas Brigade in a counterattack to save the day at the Wilderness and took a tearful ride from Wilmer McLean's house at Appomattox But where was Lee and what was he doing when the spotlight of history failed to illuminate him Focusing on what he was doing day by day offers an entirely different appreciation for Lee Readers will come away with a fresh sense of his struggles both personal and professional and discover many things about Lee for the first time through his own correspondence and papers From Arlington to Appomattox is a tremendous contribution to the literature of the Civil War Knight's study will become the standard reference work on Lee's daily wartime experiences R E L Krick author of Staff Officers in Gray A staggering work of scholarship Jeffry D Wert author of A Glorious Army Robert E Lee's Triumph 1862-1863 A pleasure to read Michael C Hardy author of General Lee's Immortals Keeps the reader engaged Journal of America's Military Past

The Lion's Den (PB) Frank B. Atkinson, 2020-01-07 The Lion's Den PB By Frank B Atkinson The Lion's Den is essential reading for anyone whose confidence in American democracy has been shaken by recent events There is plenty to discourage and alarm us these days the supply of negative political role models real and fictional seems endless Frank Atkinson leaves no doubt that we can do better and be better Just in time it seems he arrives with some exemplary political characters a powerfully uplifting story and a summons to get to work restoring the ethic of principled citizenship and service that reflects the better angels of our nature and offers hope for bringing Americans

together again LARRY J SABATO Director UVA Center for Politics The Lion s Den offers a prescription for American renewal at a time of eroding confidence in our political institutions and growing confusion about our national purpose In Frank Atkinson s formulation there are no quick fixes for our broken politics no easy cure for what ails our democracy A republic s community spirit and capacity for constructive self governance depend on a consensus about essential values and the active choice to practice promote and perpetuate those values The ethic of principled citizenship and service that Atkinson considers indispensable for American renewal is not an inherited trait like every ethic it is a character requiring cultivation And it is strongest when grounded in personal faith and integrity illuminated by hard learned lessons from history and experience inspired by worthy human exemplars propelled by the optimistic pursuit of a more perfect union and kindled in a culture of mutual respect and forbearance guided by the Golden Rule No starry eyed idealist Frank Atkinson s major nonfiction works The Dynamic Dominion and Virginia in the Vanguard turned a candid lens on the hard fought modern politics of his native state In The Lion s Den he offers a compelling fictional account of life in the political arena at once a venue for selfless contribution and palace of selfish ambition Inspired by timeless lessons from the Book of Daniel Madison s vision of competition and compromise and the colorful politics of his contemporary Commonwealth Atkinson places his characters in a modern day lion s den where they grapple with vexing moral and practical choices But Atkinson s players find the grace to come together and he suggests so can we

A Slave in the White House Elizabeth Dowling Taylor,2012-01-03 New York Times Bestseller A fascinating portrait of one of the men enslaved by James and Dolley Madison and his journey toward freedom Publishers Weekly Paul Jennings was born into slavery on the plantation of James and Dolley Madison in Virginia later becoming part of the Madison household staff at the White House Once he was finally emancipated by Senator Daniel Webster later in life he would give an aged and impoverished Dolley Madison his former owner money from his own pocket write the first White House memoir and see his sons fight with the Union Army in the Civil War He died a free man in northwest Washington at seventy five Based on correspondence legal documents and journal entries rarely seen before this amazing portrait of the times reveals the mores and attitudes toward slavery of the nineteenth century and sheds new light on famous figures such as James Madison who believed the white and black populations could not coexist as equals General Lafayette who was appalled by this idea Dolley Madison who ruthlessly sold Paul after her husband s death and many other since forgotten slaves abolitionists and civil right activists A portrait of a remarkably willful ambitious opportunistic and in his own way well connected American You could also call it the American dream Fortune A great historical biography Houston Style Magazine A must read The Daily Beast Thorough research an important story of human struggle determination

and triumph The Dallas Morning News *Against War and Empire* Richard Whatmore,2012-07-31 Whatmore presents an intellectual history of republicans who strove to ensure Geneva's survival as an independent state Whatmore shows how the Genevan republicans grappled with the ideas of Rousseau Coltaire Bentham and others in seeking to make Europe safe for small states by vanquishing the threats presented by war and by empire **Arcadian America** Aaron Sachs,2013-01-08 Perhaps America's best environmental idea was not the national park but the garden cemetery a use of space that quickly gained popularity in the mid nineteenth century Such spaces of repose brought key elements of the countryside into rapidly expanding cities making nature accessible to all and serving to remind visitors of the natural cycles of life In this unique interdisciplinary blend of historical narrative cultural criticism and poignant memoir Aaron Sachs argues that American cemeteries embody a forgotten landscape tradition that has much to teach us in our current moment of environmental crisis Until the trauma of the Civil War many Americans sought to shape society into what they thought of as an Arcadia not an Eden where fruit simply fell off the tree but a public garden that depended on an ethic of communal care and whose sense of beauty and repose related directly to an acknowledgement of mortality and limitation Sachs explores the notion of Arcadia in the works of nineteenth century nature writers novelists painters horticulturists landscape architects and city planners and holds up for comparison the twenty first century's and his own tendency toward denial of both death and environmental limits His far reaching insights suggest new possibilities for the environmental movement today and new ways of understanding American history *The Blue, the Gray, and the Green* Brian Allen Drake,2015 An unusual collection of Civil War essays as seen through the lens of noted environmental scholars this book's provocative historical commentary explores how nature disease climate flora and fauna etc affected the war and how the war shaped Americans' perceptions understanding and use of nature *Thornton Family History of Greene County, Virginia* Diana Jean Muir,2019-03-07 The first Architect of the Capitol William Thornton was raised in England and studied medicine at the University of Edinburgh in Scotland Dr Thornton traveled extensively on a study tour in Europe before briefly practicing medicine in Philadelphia 1786 1790 where he met and married Anna Maria Brodeau His descendants can now be found across the United States including Virginia Pennsylvania Georgia Tennessee Ohio Illinois and Florida Originally from Yorkshire England the name Thornton means thorn hill **Public Administration and Society** Richard C Box,2016-09-16 Update and expanded and featuring three new readings this book provides a unique approach for instructors who want to expose their students to the social political and historical context of the practice of public administration While most introductory texts cover a wide range of topics and are oriented toward details of management technique this innovative volume focuses instead on the broader society within which public service practitioners work The author's own text is skillfully interwoven with a collection of seminal readings and documents that illuminate the key issues of past and present for public service professionals in a democratic society Public Administration and Society develops two important themes One is an emphasis on the historical

development of institutions and practices giving students in depth background and knowledge to effect meaningful change
The second theme involves local government and the public practitioner s role in fostering democracy citizenship citizenship
and community self government **History of the Rucker Family and Their Descendants** Edythe Rucker Whitley,1927
