## Remembering John Janis:

A Lakota Warrior's Heart Lawrence John Janis, 2021-01-29 A Lakota Warrior's Heart is a poetry book about culture life and love as seen from a Lakota poet's perspective His heartfelt and honest poetry is about the struggles and resilience of the Lakota people and about the way he perceived the beautiful Lakota way of life He wrote his poems to give light to his truth and his life experiences Hopefully by sharing his poetry it could help others find their own truth and light Earthquake Weather Tim Powers, 2018-10-02 Supernatural Adventure from a Master of Modern Fantasy The magical King of the West has been killed in California and his assassin is one of the multiple personalities in the head of Janis Cordelia Plumtree but which one One of them is a streetwise pickpocket Another is dead and can only speak in quotes from Shakespeare And another seems to be the unquiet ghost of her father And there are many others Sid Cochran is a one time winemaker who blames his wife's suicide on the wine god Dionysus and believes that Dionysus is now pursuing him Cochran and Plumtree escape together from a mental hospital in Los Angeles and pursued by ghosts gangsters and a crazy psychiatrist set out for San Francisco and the wine country to try to restore the dead King of the West to life But the god Dionysus himself is a player in this perilous game and not on their side At the publisher's request this title is sold without DRM Digital Rights Management About Tim Powers Powers writes in a clean elegant style that illuminates without slowing down the tale He promises marvels and horrors and delivers them all Orson Scott Card Other writers tell tales of magic in the twentieth century but no one does it like Powers The Orlando Sentinel immensely clever stuff Powers prose is often vivid and arresting All in all Powers unique voice in science fiction continues to grow stronger Washington Post Book World Powers is at heart a storyteller and ruthlessly shapes his material into narrative form The Encyclopedia of Science Fiction On Stranger Tides immediately hooks you and drags you along in sympathy with one central character's appalling misfortunes on the Spanish Main and escalates from there to closing mega thrills so determinedly spiced that your palate is left almost jaded David Langford On Stranger Tides was the inspiration for Monkey Island If you read this book you can really see where Guybrush and LeChuck were plagiarized derived from plus the heavy influence of voodoo in the game the book had a lot of what made fantasy interesting legendary game designer Ron Gilbert Powers's strengths are his originality his action crammed plots and his ventures into the mysterious dark and supernatural Los Angeles Times Book Review Powers work delivers an intense and intimate sense of period or realization of milieu taut plotting with human development and destiny and looming above all an awareness of history itself as a merciless turning of supernatural wheels Powers descriptions are breathtaking sublimely precise his status as one of fantasy's major stylists can no longer be in doubt SF Site Powers creates a mystical magical otherworld superimposed on our own and takes us on a marvelous guided tour of his vision Science Fiction Chronicle The fantasy novels of Tim Powers are nothing if not ambitious Meticulously researched and intellectually adventurous his novels rarely fail to be strange and wholly original San Francisco Chronicle *My Health Habits* Charlotte Townsend Whitcomb, 1929 A
