Remembering the Dead Sentus Francis Dikwe, 2020-01-07 Remembering the dead is a topic which connects various cultures and traditions The reception of the African tradition of ancestorship is a theological enrichment in the ecumenical discussions all over the world In our time the exchange of gifts plays a great role in promoting unity of the Churches Especially the concepts of African theology with the incomparable special position of Jesus Christ as proto ancestor are important for the interconfessional dialogues The veneration of the ancestors in Africa can be a help to begin ecumenical discussions in this regional context on the question of the veneration of the saints According to African tradition the ancestors also have influence on the process of purification Therefore the veneration of the ancestors contributes to providing answers to the ecumenical controversies about the understanding of the eschatological purification Sentus Francis Dikwe SDS born in 1980 in Morogoro Tanzania ordained priest of the Salvatorian Congregation He attained doctorate in theology 2020 in Munster Germany

**Remembering Your Creator** Matthew Mead, C. Matthew McMahon, 2020-11-13 Remember now thy Creator in the days of thy youth while the evil days come not nor the years draw nigh when thou shalt say I have no pleasure in them Ecclesiastes 12:1 Puritan minister Matthew Mead delivers a stirring call to awaken the soul to its greatest duty remembering and honoring God while strength and time remain With unwavering clarity he lays before the reader the weight of Solomon's charge urging men and women especially in their youth to set their hearts fully upon the Lord Jesus Christ before the cares of this world harden them to eternal things This is no idle sermon nor a mere call to moral living It is a rich and masterful work of scriptural exposition driving deeply into the text and unfolding the full measure of God's claim upon the soul Mead does not deal in half hearted religion nor does he flatter the reader with excuses for delay He sets forth Christ as the only refuge the only hope and the only rightful object of a life well spent Whether you are young and standing at the threshold of life or older and in need of renewed zeal Remembering Your Creator is a call to fix your thoughts upon the Lord to seek Him early and to live in the light of eternity

**The Development of Dogma** Guy Mansini, 2023-10-27 The Development of Dogma examines the nature of dogmatic statements and the causes of development It devotes particular attention to the emergence of the form of dogmatic statements at the Council of Nicaea but notes how this form is anticipated in the New Testament It situates dogma and its development within the matrix of the great fundamental theological realities of Scripture Tradition and Magisterium Fr Mansini examines at some length how the Church comes to recognize a development as a genuine development rather than as a distortion of the word of God The Development of Dogma is especially valuable today for its discussion and defense of the philosophical presuppositions of dogma which are often simply presupposed but should not be ignored in a complete account of development These presuppositions touch on fundamental philosophical issues including the nature of knowledge the objectivity and trustworthiness of names and the various logical forms employed in understanding how development is related to a closed revelation The historicity of human knowledge is also addressed and the role of dogma itself in heading off the extreme relativism the historical nature of man is supposed to imply for ecclesial faith and life The Church's dogma about dogma enunciated at the First Vatican Council is also examined The role of certain fundamental concepts in understanding the possibility of the irreformability of dogma it speaks of is expressly addressed

concepts in principle accessible to all human beings and that enable a trans cultural trans temporal proposal and reception of revealed truth      Remembering: the Soul of You Meyrene Cowell,2021-10-27 In 1998 someone asked me to contemplate the question Who am I When I removed all the labels such as daughter wife mother and teacher and then even my name too I realised how vulnerable I was I wondered what was left of me That was the catalyst that began my search for the Greater Me my eternal Spirit self As I searched listened and read I gained new belief systems that were wider than religion and more liberating than my social conditioning The greatest freedom came though when I finally understood the language of symbols especially those used in the ancient Marseilles Tarot Pack I spent almost twenty years exploring the blueprint of the archetypes that are embedded in these cards Each of the 22 major arcana cards took me on a deep souljourney towards consciousness knowledge and a change of heart What I discovered was that I am more than I could ever have imagined and so are you When we become conscious of painful and inhibiting beliefs that no longer serve us we begin a journey into loving acceptance of self and others too      The Art and Politics of Wana Shamanship Jane Monnig Atkinson,1992-03-10 This book is a marvelous counterpoint to the rich scholarship that has developed on the center in Southeast Asian societies providing for the first time an in depth study of the play of personhood and power and their historical transformations on the Indonesian periphery Toby Alice Volkman Social Science Research Council A very important work not only for the specialists of island Southeast Asia but also for the general anthropologist Atkinson accomplishes a number of tasks in fresh and innovative ways George E Marcus Rice University Impressively informed by major theoretical issues Atkinson s work at the same time brings her readers into the everyday world of the Wana in Sulawesi Indonesia Renato Rosaldo Stanford University

Gerald Janzen, 2012-11-06 Where in the world was Jesus when he prayed Where is any one of us when we pray Since we are embodied creatures our prayer location can be mapped onto space time coordinates Since we are social creatures our prayers are also situated within our social locations But do these sets of

coordinates exhaustively identify the place that prayer takes when truly entered into Conversely can either set totally prevent prayer from taking place there These questions lie at the intersection of resolutely religious vis a vis resolutely secular understandings of existence The studies in this volume explore dimensions of these issues traced in selected texts from both parts of the Christian Bible     *Fleshing the Spirit* Elisa Facio,Irene Lara,2014-04-10 *Fleshing the Spirit* brings together established and new writers to explore the relationships between the physical body the spirit and spirituality and social justice activism The anthology incorporates different genres of writing such as poetry testimonials critical essays and historical analysis and stimulates the reader to engage spirituality in a critical personal and creative way     **The Brain and the Spirit** Gena St. David,2021-10-29 *The Brain and the Spirit* invites readers to embark on a practice of listening to the Christ story through the earpiece of neuroscience After many years steeped in brain science the author had an unexpected encounter with a theologian James Alison whose trust in God and forgiveness toward others appeared to defy neurobiological explanation How did his encounter with the Christ story produce in him the Christlike responses that it did This question launched the author on a thrilling quest to listen to the scriptures and take up questions of creation humanity sin Jesus salvation the Spirit and the body of Christ to hear what might get amplified by our ever expanding understanding of the human brain Readers are invited to eavesdrop on the twists and turns of the author s story and take up their own practice of listening to the Spirit scripture and theology through the earpiece of neuroscience and to become curious how the Christ story may spark trust which unlocks our brain s capacity to engage reality with relationality kindness creativity and access to joy     *The Spiritual Battle with the Mind* Paul R. Hillman,2013-07-24 The focus of the book is to let the readers know that the Devils focus is to use the mind as a place of isolation He will try to bring back the past of fear to block one from reaching his or her own destiny This book tells you that only the word of God brings healing to the mind In addition only the word of God can bring restoration to a mind that is wrestling and a heart that is broken When you finish reading this book you will be able to get past your pass from the old you into a brand new you It all begins in the belief in your mind     **My God and I** Lewis B.
