Anton, 2014-05-14 I was the youngest child of ten raised during the years of The Great Depression and World War Two My book *Windows In Time* is an overview of life growing up in the as some call them The Good Old Days I invite the reader to step back in time and enjoy the good bad sad happy and funny experience of yesterday What follows is some personal background I am married to a special man for many years We were blessed with a son and daughter They are grown now and we have three wonderful grandchildren By now you probably know my major interest in life is my family Next to them my extended family friends and our community My writing background includes publication in *Outdoor Life Magazine* *Outdoor Life Deer Hunter's Yearbook* 1987 a magazine *Michigan Woman* and varied freelance business and technical writing I retired from Xerox Corporation where I was a Senior Customer Representative a liaison between customers and the Company among other duties I retired early from Xerox to care for my aged mother and in laws My life has been full I enjoyed being a stay at home mom while my children were young I went back to pursue my educational interests the same year my eldest child began her college career and enjoyed a fulfilling career I seem to find writing about my self the most difficult of all *The Book of Paradise* Itzik Manger, 2023-09-19 Electrifying sparkles with Manger's song and poetry and is brilliantly layered with literary and folkloric references Tablet There is something joyous about Manger's playful language The Jewish Chronicle The raucously witty Yiddish classic about a Jewish Paradise afflicted by very human temptations and pains a delightful new translation perfect for fans of Michael Chabon Witty playful and slyly profound this story of a young angel expelled from Paradise is the only novel by one of the great Yiddish writers which was written just before the outbreak of World War II As a result of a crafty trick the expelled angel retains the memory of his previous life when he's born as a Yiddish fluent baby mortal on Earth The humans around him plead for details of that other realm but the Paradise of his mischievous stories is

far from their expectations a world of drunken angels lewd patriarchs and the very same divisions and temptations that shape the human world Published here in a lively new translation by Robert Adler Peckera The Book of Paradise is a comic masterpiece from poet satirist Itzik Manger that irreverently blurs the boundaries between ancient and modern and sacred and profane where the shtetl is heaven and heaven is the shtetl *Jefferson's Sons* Kimberly Brubaker Bradley, 2011-09-15 This story of Thomas Jefferson's children by one of his slaves Sally Hemings tells a darker piece of America's history from an often unseen perspective that of three of Jefferson's slaves including two of his own children As each child grows up and tells his story the contradiction between slavery and freedom becomes starker calling into question the real meaning of life liberty and the pursuit of happiness This poignant story sheds light on what life was like as one of Jefferson's invisible offspring
