Remembering The University Of Utah:

Remembering, the University of Utah Elizabeth Haglund, 1981 **Remembering** D. Stephen Lindsay, Colleen M. Kelley, Andrew P. Yonelinas, Henry L. Roediger, III, 2014-11-13 In the 22 chapters in this volume many of the world's foremost memory scientists report on their cutting edge research on the nature of human memory with several chapters reporting new empirical studies that are being published for the first time All the contributions are inspired by the work of Larry Jacoby on human memory with his emphasis on episodic memory that is the processes and mechanisms that enable us to remember our own past experiences In addition the volume reflects Jacoby's appreciation that memory enters into a wide range of psychological phenomena including perceiving attending and performing The stellar list of contributors and the breadth of coverage makes this volume essential reading for researchers and graduate students in cognitive psychology and cognitive neuroscience as well as being a tribute and celebration of the inspirational groundbreaking and ongoing work of Larry Jacoby

Remembering the Forgotten War Michael Van Wagenen, 2012 This book answers the deeper question of how remembrance of the U S Mexican War has shaped the complex relationship between these former enemies now turned friends The distant violence becomes a new lens through which to view today's rivalries and resentments Page 7 **Scenes from the High Desert** Virginia Kerns, 2010-10-01 If a religion cannot attract and instruct young people it will struggle to survive which is why recreational programs were second only to theological questions in the development of twentieth century Mormonism In this book Richard Ian Kimball explores how Mormon leaders used recreational programs to ameliorate the problems of urbanization and industrialization and to inculcate morals and values in LDS youth As well as promoting sports as a means of physical and spiritual excellence Progressive Era Mormons established a variety of institutions such as the Deseret Gymnasium and camps for girls and boys all designed to compete with more worldly attractions and to socialize adolescents into the faith Kimball employs a wealth of source material including periodicals diaries journals personal papers and institutional records to illuminate this hitherto underexplored aspect of the LDS church In addition to uncovering the historical roots of many Mormon institutions still visible today *Sports in Zion* is a detailed look at the broader functions of recreation in society *Mormon Women's History* Rachel Cope, Amy Easton-Flake, Keith A. Erikson, Lisa Olsen Tait, 2017-11-29 *Mormon Women's History Beyond Biography* demonstrates that the history and experience of Mormon women is central to the history of Mormonism and to histories of American religion politics and culture Yet the study of Mormon women has mostly been confined to biographies family histories and women's periodicals The contributors to *Mormon Women's History* engage the vast breadth of sources left by Mormon women journals diaries letters family histories and periodicals as well as art poetry material culture theological treatises and genealogical records to read between the lines reconstruct connections recover voices reveal meanings and recast stories *Mormon Women's History* presents women as incredibly inter connected Familial ties of kinship are multiplied and stretched through the practice and

memory of polygamy social ties of community are overlaid with ancestral ethnic connections and local congregational assignments fictive ties are woven through shared interests and collective memories of violence and trauma Conversion to a new faith community unites and exposes the differences among Native Americans Yankees and Scandinavians Lived experiences of marriage motherhood death mourning and widowhood are played out within contexts of expulsion and exile rape and violence transnational immigration establishing civilization in a wilderness and missionizing both to new neighbors and far away peoples Gender defines limits and opens opportunities for private expression public discourse and popular culture Cultural prejudices collide with doctrinal imperatives against backdrops of changing social norms emerging professional identities and developing ritualization and sacralization of lived religion The stories experiences and examples explored in *Mormon Women's History* are neither comprehensive nor conclusive but rather suggestive of the ways that Mormon women's history can move beyond individual lives to enhance and inform larger historical narratives

Ghosts of Memory Janet Carsten, 2008-04-15 *Ghosts of Memory* provides an overview of literature on relatedness and memory and then moves beyond traditional approaches to the subject exploring the subtle and complex intersections between everyday forms of relatedness in the present and memories of the past Explores how various subjects are located in personal and familial histories that connect to the wider political formations of which they are a part Closely examines diverse and intriguing case studies e.g. Catholic residents of a decayed railway colony in Bengal and sex workers in London Brings together original essays authored by contemporary experts in the field Draws on anthropology literature memory studies and social history

Doing Oral History Donald A. Ritchie, 2015 *Doing Oral History* is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community The recent development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce and disseminate quality recordings At the same time digital technology has complicated the preservation of the recordings past and present This basic manual offers detailed advice for setting up an oral history project conducting interviews and using oral history for research making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history

A Newsmen Remembered Robert Smith Jordan, 2011-04-12 *A Newsmen Remembered* is not just the story of the life of Ralph Burdette Jordan RBJ or Jock who was a remarkable newspaperman motion picture publicist war correspondent It is also a glimpse into an era of American social and political history that is now unfortunately largely forgotten if not discarded The compelling

personalities with whom he engaged Aimee Semple McPherson William Randolph Hearst Louis B Mayer General Douglas MacArthur are but fading memories which this book briefly restores The first half of the 20th century began as an era of optimism that encompassed a belief that working hard along with seizing the main chance would produce social professional and financial success Ralph Jordan certainly exuded that optimism in everything that he encountered in his short life Along with his contemporaries moving into the great largely ill defined middle class was his overarching goal Within this goal family life was an important ingredient for him marriage in his day was still a partnership with clearly defined marital roles and expectations Ralph and Marys marriage reflected that domestic configuration Religious faith if not always observed to the letter also formed an important part of their family life It could not be otherwise for them and those other largely third generation descendants of Mormon pioneers and their non Mormon contemporaries with whom they associated These so called Mormon second and third generation diasporans were willing even eager to leave behind them the remoteness of what was then described as Zion to seek more promising futures elsewhere retaining as best they could their unique heritage Thus Ralph Jordans story is indeed a life and times story worth telling

Nowhere to Remember Laura Arata, David W. Harvey, 2021-06-22 There wasn't that many people but they were good people Madeline Gilles First time I ever tasted cherries or even seen a cherry tree was in White Bluffs Or ever ate an apricot or seen an apricot It was covered with orchards and alfalfa fields Leatris Boehmer Reid Euro American Priest River Valley settlers turned acres of sagebrush into fruit orchards Although farm life required hard work and modern conveniences were

often spare many former residents remember idyllic close knit communities where neighbors helped neighbors Then in 1943 families received forced evacuation notices Fruit farmers had to leave their crops on their trees And that was very hard on them no future no money they moved wherever they could get a place to live Catherine Finley recalled Some were given just thirty days and Manhattan Project restrictions meant they could not return Drawn from Hanford History Project personal narratives Nowhere to Remember highlights life in Hanford White Bluffs and Richland three small agricultural communities in eastern Washington's mid Columbia region It covers their late 1800s to early 1900s origins settlement and development the arrival of irrigation dependence on railroads Great Depression struggles and finally their unique experiences in the early years of World War II David W Harvey examines the impact of wagon trade steamships and railroads grounding local history within the context of American West history Robert Franklin details the tight bonds between early residents as they labored to transform scrubland into an agricultural Eden Laura Arata considers the early twentieth century experiences of women who lived and worked in the region Robert Bauman utilizes oral histories to tell forced removal stories Finally Bauman and Franklin convey displaced occupants reactions to their lost spaces and places of meaning and explore ways they sought to honor their heritage *We Are What We Remember* Laura Mattoon D'Amore, Jeffrey Meriwether, 2013-01-16

Commemorative practices are revised and rebuilt based on the spirit of the time in which they are re created Historians sometimes imagine that commemoration captures history but actually commemoration creates new narratives about history that allow people to interact with the past in a way that they find meaningful As our social values change race gender religion sexuality class our commemorations do too *We Are What We Remember The American Past Through Commemoration* analyzes current trends in the study of historical memory that are particularly relevant to our own present our biases our politics our contextual moment and strive to name forgotten overlooked and denied pasts in traditional histories Race gender and sexuality for example raise questions about our most treasured myths where were the slaves at Jamestowne How do women or lesbians protect and preserve their own histories when no one else wants to write them Our current social climate allows us to question authority and especially the authoritative definitions of nation patriotism and heroism and belonging How do we uncommemorate things that were miscommemorated in the past How do we repair the damage done by past commemorations The chapters in this book contributed by eighteen emerging and established scholars examine these modern questions that entirely reimagine the landscape of commemoration as it has been practiced and studied before
