Hilton,2018-06-18 Memory is an important facet of all our lives If we lose these packages of pain and pleasure called memory that are so instrumental in establishing our humanity then we lose the essence of who we are That is what has happened to the dark hearted Killer described in this story who is out there now Have you ever been at a location and wished you could witness and experience the events that happened in that space in the past The Killer chronicled herein has that power The Ring of Remembrance is the contemporary story of this ruthless murderer with an unbridled mind who by harnessing supernatural forces and the powers of his mysterious ring for the past thirty years has stalked the darkness of Christmas night slaughtering one family per year Throughout the past three decades everyone who has ever trailed the fiend has either been murdered or driven insane The FBI has squashed media coverage convincing the public that the horrors are over but this Christmas the truth is revealed and FBI special agent Justinian Rooks having just sealed his first big case is summoned by the director to take on a new investigation As the Killer begins to break his signature one piece of evidence just may have the best chance ever of bringing the monster to justice the Ring of Remembrance      *A Quest for Remembrance* Madeleine Scherer,Rachel Falconer,2019-11-20 A Quest for Remembrance The Underworld in Classical and Modern literature brings together a range of arguments exploring connections between the descent into the underworld also known as katabasis and various forms of memory Its chapters investigate the uses of the descent topos both in antiquity and in the reception of classical literature in the nineteenth to twenty first centuries In the process the volume explores how the hero's quest into the underworld engages with the theme of recovering memories from the past At the same time we aim to foreground how the narrative format itself is concerned with forms of commemoration ranging from trans cultural memory remembering the literary and intellectual canon to commemorating important historical events that might otherwise be forgotten Through highlighting this duality this collection aims to introduce the descent narrative as its own literary genre a memorious genre related to but distinct from the quest narrative      **Remembrance** Charles Casimer Krawczyk,2006-05 This book is given by the Holy Spirit from the Godhead and His throne room for whosoever If you the reader want to find out how God wants you to conduct yourself in revival then this is the book for you Other mentions in the Bible are expounded upon such as the offices of the Priest Prophet and King Also since this is His revival he warns about not doing things His way God wants to encourage each person to go

out and save souls This book is instructive on how God is working in revival It is timely The reader will find the book as a guide for direction instruction and encouragement as well as goad each reader and inspire them It will confirm what God has said throughout His Word and there is ample warning for those who disregard His counsel Also there is comfort Again for those who ignore the contents of this book there is correction All the credit honor and glory go to God Please do not ascribe and of these to me I am just the scribe and a servant who delights in watching God work Gear up your faith and challenge yourself to go to work for the Lord Jesus I am called and work in several of the five fold offices And also I am a member of a respected ministry association and ordained by them
