*Reminiscences of a Life in the Islands* Helen Kapililani Sanborn Davis, 2000-01-01      **Reminiscences in the Life of Surgeon-Major George A. Hutton** George Allan Hutton, 1907      [Reminiscences of My Life In Camp](#) Suzie King Taylor, 2014-11-20

uzie King Taylor made a remarkable journey from slavery to freedom through service with the first black Civil War regiment to fight for freedom in America's history. Written toward the end of her life, her memories are not those of a battle veteran though she helped care for plenty of shattered bodies, heard the guns, and saw rebel soldiers at close range. At risk to her life and freedom, she served throughout the war as a teenaged nurse. Assigned as a laundress, she actually did very little laundering but instead played an important role in the care and spirits of black soldiers and their white commanders. Her depth of feeling about the past and her passionate hopes for the future bring her writing to life. This is an important contribution to American history that is made available in this volume for the first time for e-readers.

Susie King Taylor, 1848-1912, was an African American army nurse with the first black Union troops during the Civil War. She wrote the only memoir of an African American woman who had experience with combat troops. She was also the first African American to teach in a school for former slaves in Georgia. There is great beauty in some of the small details of Suzie King's recollections. She briefly ponders in amazement her ability to acclimate to the horrors of war. It seems strange how our aversion to seeing suffering is overcome in war; how we are able to see the most sickening sights such as men with their limbs blown off and mangled by the deadly shells without a shudder and instead of turning away, how we hurry to assist in alleviating their pain, bind up their wounds, and press the cool water to their parched lips with feelings only of sympathy and pity. She also writes of her delight in becoming proficient at field stripping, cleaning, and shooting a musket. Her final chapter is an eloquent plea for civil rights and a recognition that emancipation's promise was still a distant goal. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out of print volume is available as an affordable, well-formatted book for e-readers and smartphones. **Reminiscences of the Life and Work of Edward A. Lawrence, Jr.** Meta Lander, 1900      [Reminiscences of My Life in Camp](#) Susie King Taylor, 2006

Near the end of her classic wartime account, Susie King Taylor writes there are many people who do not know what some of the colored women did during the war. For her own part, Taylor spent four years without pay or formal training nursing sick and wounded members of a black regiment of Union soldiers. In addition, she worked as a camp cook, laundress, and teacher. Written from a perspective unique in the literature of the Civil War, *Reminiscences of My Life in Camp* not only chronicles daily life on the battlefield but also records interactions between blacks and whites, men and women, Northerners and Southerners during and after the war. Taylor tells of being born into slavery and of learning in secret to read and write. She describes maturing under her wartime responsibilities and traveling with the troops in South Carolina, Georgia, and Florida. After the

war Taylor dedicated herself to improving the lives of black Southerners and black Union Army veterans The final chapters of Reminiscences are filled with depictions of the racism to which these efforts often exposed her This volume reproduces the text of the original 1902 edition Catherine Clinton s new introduction provides historical context for the events that form the backdrop of Taylor s memoir as well as for the problems of race and gender it illuminates **A Life's Reminiscences of Scotland Yard** Andrew Lansdowne,1890 Memoirs of Archbishop Temple Ernest Grey Sandford,1906 **Memoirs of the life of Sir Walter Scott Bart.
