Remittance Man:

The Fra Elbert Hubbard, Felix Shay, 1910 **Nature's Noblemen** Monica Rico, 2013-07-16 DIV In this fascinating book Monica Rico explores the myth of the American West in the nineteenth century as a place for men to assert their masculinity by roughing it in the wilderness and reveals how this myth played out in a transatlantic context Rico uncovers the networks of elite men British and American who circulated between the West and the metropolises of London and New York Each chapter tells the story of an individual who by traveling these transatlantic paths sought to resolve anxieties about class gender and empire in an era of profound economic and social transformation All of the men Rico discusses from the well known including Theodore Roosevelt and Buffalo Bill Cody to the comparatively obscure such as English cattle rancher Moreton Frewen envisioned the American West as a global space into which redemptive narratives of heroic upper class masculinity could be written div **Quarterly Review of the Michigan Alumnus** ,1959 Includes section Some Michigan books **The Promised Land** Pierre Berton, 2002-09-10 After the pioneers described in *The National Dream* The Last Spike and Klondike came the settlers a million people who filled a thousand miles of prairie in a single generation **The Range Men** Leroy Victor Kelly, 2009 Journalist Leroy Victor Kelly s *The Range Men* chronicles the early days of ranching in southwestern Alberta from the arrival of the first large herds in 1876 through to 1913 Kelly gathered material from the records of the North West Mounted Police William Pearce s government reports the Calgary Herald the Macleod Gazette and other publications and collected anecdotes from old time stockmen such as George Lane and John Ware A window into the period after the buffalo but before extensive settlement *The Range Men* paints a vivid engrossing and sometimes unflattering picture of colonial life and attitudes Kelly s unvarnished account of the relentless march of progress as settlements were built and big ranches like the Cochrane the Medicine Hat and the Bar U were born notes the impact of farming on the wild prairie ecology and documents treaty betrayals and efforts to reduce and subdue First Nations through smallpox and rum More than a story of cattle trades and the hard beginnings of the Alberta cowboy *The Range Men* is an authentic and important slice of history *Medical Record* George Frederick Shrady, Thomas Lathrop Stedman, 1915 *Collier's* ,1911 *The Canadian Countryman* ,1928 **Return to Sender** Karsten Paerregaard, 2015-01-30 Return to Sender is an anthropological account of how Peruvian emigrants raise and remit money and what that activity means for themselves and for their home communities The book draws on first hand ethnographic data from North and South America Europe and Japan to describe how Peruvians remit to relatives at home collectively raise money to organize development projects in their regions of origin and invest savings in business and other activities Karsten Paerregaard challenges unqualified approval of remittances as beneficial resources of development for home communities and important income for home countries He finds a more complex situation in which remittances can also create dependency and deprivation *The Horses of My Life* - Richard Dunwoody Richard Dunwoody, 2010-03-01 Richard Dunwoody was the most successful steeplechase jockey of his time During

his fantastic career he rode over 10 000 times often partnering the top National Hunt horses such as Desert Orchid and Miinnehoma His staggering collection of 1 699 wins in Britain has earned him professional respect and a string of accolades including an MBE In this fascinating book Dunwoody remembers the great horses he has ridden and the high points of his remarkable career In 1986 he rode to victory in the Grand National on West Tip and repeated this triumph in 1994 on Miinnehoma It was with One Man that he won two consecutive King George VI chases Although his career was full of memorable partnerships and victories it is for riding Desert Orchid that Dunwoody is best remembered Dessie was a hugely popular horse apart from Red Rum he was the only racehorse with a fan club and the pair rode their way to a remarkable seven victories Yet despite his big race victories his determination and ambition remained constant driving him on to even greater achievements In a book full of stories anecdotes and opinions Richard tells not only of the glory surrounding his career but also of the hard work involved in achieving that glory the struggle to ensure that both horse and rider were at their peak on race day the pitfalls and the setbacks endured and the quirks and characteristics of some of the finest horses in this tough sport Wyoming Folklore James R. Michener, 2014-09-09 *Tales of the South Pacific* is the iconic Pulitzer Prize winning masterpiece that inspired a Broadway classic and launched the career of James A Michener one of America's most beloved storytellers. This thrilling work invites the reader to enter the exotic world of the South Pacific and luxuriate in the endless ocean, the coconut palms, the waves breaking into spray against the reefs, the full moon rising behind the volcanoes. And yet here also are the men and women caught up in the heady drama of World War II: the young Marine who falls for a beautiful Tonkinese girl, the Navy nurse whose prejudices are challenged by a French aristocrat, and all the soldiers and sailors preparing for war against the seemingly peaceful backdrop of a tropical paradise.
