Proeve,Steven Tudor,2016-04-08 Remorse is a powerful important and yet academically neglected emotion This book one of the very few extended examinations of remorse draws on psychology law and philosophy to present a unique interdisciplinary study of this intriguing emotion The psychological chapters examine the fundamental nature of remorse its interpersonal effects and its relationship with regret guilt and shame A practical focus is also provided in an examination of the place of remorse in psychotherapeutic interventions with criminal offenders The book s jurisprudential chapters explore the problem of how offender remorse is proved in court and the contentious issues concerning the effect that remorse and its absence should have on sentencing criminal offenders The legal and psychological perspectives are then interwoven in a discussion of the role of remorse in restorative justice In *Remorse Psychological and Jurisprudential Perspectives* Proeve and Tudor bring together insights of neighbouring disciplines to advance our understanding of remorse It will be of interest to theoreticians in psychology law and philosophy and will be of benefit to practising psychologists and lawyers *The Moral Psychology of*

Criminal Law's Person Claes Lernerstedt, Matt Matravers, 2022-02-10 The state's use of the threat and imposition of punishments to regulate conduct is thought or at least said by many to be legitimised by the idea that the criminal law's burdens only fall on those who are blameworthy for their conduct However the formal concept of blameworthiness needs to be made substantive This puts various ideas regarding the criminal law's person at the heart of debates about blame guilt and responsibility How is the criminal law's person constructed by whom and with what disciplinary norms How is it threatened by new knowledge and how do those threats play out amongst the various stakeholders who claim the criminal law's person as theirs To address these and cognate questions this volume brings together an international group of academics to engage with the criminal law's person from a range of disciplinary perspectives **Identity, Narcissism, and**

the Other Jean Arundale, 2018-03-09 Practitioners of psychoanalysis find three central themes to be recurrent and ubiquitous in every analysis firstly issues around identity the struggle to know the self to understand the self and to be the self in an authentic way Intricately entangled with self identity is the problem of narcissism essentially viewed as a defensive retreat to a mental state characterized by an unconscious belief in the special value of the self and the diminution of the Other However there are a multitude of inherent anxieties involved in close and intimate relationships As Freud pointed out even in our most intimate relationships there is an element of hostility Threats to both the self and other and various anxieties around libidinal contact will be examined in this book using case material and the relationship between these three important themes identity narcissism and the other separate but interconnected will be explored Pathways to

and The Ideal Defendant in the Making of Remorse and Responsibility Stewart Field, Cyrus Tata, 2023-05-18 This book investigates how defendants are assessed by criminal justice decisionmakers such as judges lawyers probation officers parole board members and those involved in restorative justice What attitudes and emotions are defendants expected to show How are these expectations communicated The book argues that defendants at various stages of the criminal justice process are expected to show a more or less free acceptance of guilt and individual responsibility along with a display of appropriate emotions ideally including genuine remorse It examines why such expressions of individual responsibility and remorse are so important to decision makers and the state With contributors from across the world the book opens new comparative possibilities and research agendas *Sermons Preached in St. Paul's Cathedral* Joseph Barber Lightfoot, 1891

Boda, 2009-06-30 The biblical theological approach Boda takes in this work is canonical thematic tracing the presentation of the theology of sin and its remedy in the canonical form and shape of the Old Testament The hermeneutical foundations for this enterprise have been laid by others in past decades especially by Brevard Childs in his groundbreaking work But *A Severe Mercy* also reflects recent approaches to integrating biblical understanding with other methodologies in addition to Childs s Thus it enters the imaginative space of the ancient canon of the Old Testament in order to highlight the word views and literary shapes of the texts taken individually and as a whole collection For the literary shape of the individual texts it places the word views of the dominant expressions and images as well as various passages in the

larger context of the biblical books in which they are found For the literary shape of the texts as a collection it identifies key subthemes and traces their development through the Old Testament canon The breadth of Boda s study is both challenging and courageous resulting in the first comprehensive examination of the topic in the 21st century Psychological Bulletin,1907 *Fear and Forgiveness* Harsh Mander,2009 Human History Is Not Just A History Of Cruelty But Also Of Compassion Sacrifice Courage And Kindness What We Choose To Emphasise In This Complex History Will Define Our Lives Blood Flowed Freely On The Streets And Tens Of Thousands Of Homes Were Razed To The Ground An Estimated 2000 Men Women And Children Mostly From The Muslim Community Were Raped And Murdered And More Than Two Hundred Thousand People Fled In Terror As Their Homes And Livelihoods Were Systematically Destroyed However Gujarat Abounds With Thousands Of Untold Stories Of Faith And Courage That Endured Amidst The Fear And Hate Dhuraji And Babuben Thakur Who Sheltered 110 Muslims For Ten Days In Their Home Of Rambhai Adivasi Who Restored His Muslim Neighbour S Roof In The Face Of Local Opposition Rabiya Of Ratanpur Who Waits In The Hope That The People From Her Village Will Call Her Back One Day And Then Every Thing Will Be All Right Bilkis Bano And Niyaz Bibi Whose Perseverance And Determination Have Made Them Symbols Of Courage In The Face Of Adversity Harsh Mander S *Fear And Forgiveness The Aftermath Of Massacre* Written Over The Past Six Years Is Not Just About The Grim Events Of 2002 Of The State S Lack Of Accountability And The Failure Of Justice Of The Numerous Commissions And Their Reports Of The Indiscriminate Use Of The Draconian Prevention Of Terrorism Act 2002 Of Police Brutality And The Trauma Of Relief Camps It Is About The Acts Of Compassion And Courage Of The Hundreds Who Risked Their Own Lives And Those Of Their Families And Their Homes To Save Innocent Men Women And Children And Even Today Help The Betrayed And Shattered Minority Heal And Rebuild The Book Compels Us To Acknowledge The Flaws In Our Judicial Social And Rehabilitative Structures While Showing That The Way Forward Must Be One Of Sympathy Understanding And Forgiveness **Caste, Conversion, A Colonial Conspiracy** Pt Satish K. Sharma MBCS FRSA,2021-10-30 Every Hindu walks through life carrying a subliminal guilt that his or her ancestors were caste discriminators and every devout Christian walks tall and proud in the knowledge that his or her ancestors helped to free the crushed downtrodden from the depraved Hindoo caste system and being an accepted truth no one questions it any more What if they are both victims of the same deception of the same multigenerational fraud Almost everyone has heard of the Ancient Hindu Caste system and how horrible it is but what if it wasn t ancient and it wasn t Hindu Almost everyone on the planet knows that the colonialist erasure of indigenous languages and ideas was a horrific chapter in human history but what if it s not over what if it s morphed in to a new form just as devastating and destructive and what if the Caste issue holds the key to revealing it In 2016 the British Hindu community was rocked when it became the target of demonisation and dehumanisation by anti Hindu Anglican Evangelists Allegations were made that caste discrimination was not a relic of history but was present and not only present but rife amongst the British Indian community The author Pt Satish K Sharma a

Dharmic Scholar and Theologian and a long serving community worker undertook the task of determining the real history of Caste and of establishing its presence or absence in the 21st century Britain The revelations contained in this work were the revelations which incinerated the false claims which had been levelled revealed the hidden hand behind the anti Hindu media campaign but also provided the context and framework with which this long running civilisational wound could heal This book is essential reading for every Hindu AND every Christian if Caste related suffering is to stop **The Repairable and the Irreparable** Johann Michel,2022-12-19 Since the mid twentieth century Western societies have seen an unprecedented increase in movements demands and policies in favor of reparations The historical catastrophes that shook the last century are both the immediate origin of this groundswell and its founding paradigm The Repairable and the Irreparable Being Human in the Age of Vulnerability places reparation within a wider contemporary context and describes it in its full anthropological depth Repair is a global phenomenon that does not present itself in a unified way Ideas of repair and reparation are expressed at different levels for instance one can mend a damaged object heal a wound redress an injury or make amends for an offence Johann Michel explores how repair and reparation tell us about human beings natural vulnerability our moral fallibility and our social incompleteness but also about the many capabilities we draw upon to mitigate these shortcomings It is from the heart of human finitude that repair and reparation draw meaning and the irreparable whether due to time or to a debt that can never be repaid haunt any policy of reparation Such are the challenges to be addressed by a philosophy of repair and reparation constructed in renewed dialogue with the social sciences
