Douglas Shantz

Renaissance Monks Monastic Humanism In Six Biographical Sketches:

Renaissance Monks Franz Posset, 2005 This volume deals with the intellectual world of progressive monks on the eve of the Reformation in the sixteenth century Biographical sketches of three Benedictines and three Cistercians vicariously represent the lives and works of humanists in cloisters Klosterhumanismus *Renaissance Monks* Franz Posset, 2022-09-30 This volume deals with the intellectual world of progressive Benedictine and Cistercian monks who vicariously represent humanists in cloisters Klosterhumanismus Bibelhumanismus in German speaking lands Conradus Leontorius 1460 1511 Maulbronn Benedictus Chelidonium c 1460 1521 Nuremberg and Vienna Bolfgangus Marius 1469 1544 Aldersbach in Bavaria Henricus Urbanus c 1470 c 1539 Georgenthal in the region of Gotha and Erfurt Vitus Bild Acropolitanus 1481 1529 Augsburg Nikolaus Ellenbog 1481 1543 of Ottobeuren For the first time in historical theological research new insights are provided into the world of the social group called Monastic Humanists who emerged next to the better known Civic Humanists within the diverse international phenomenon of Renaissance humanism **Encyclopedia of Martin Luther and the Reformation** Mark A. Lamport, 2017-08-31 The Encyclopedia of Martin Luther and the Reformation is a comprehensive global study of the life and work of Martin Luther and the movements that followed him in history and through today Organized by a stellar advisory board of Luther and Reformation scholars the encyclopedia features nearly five hundred entries that examine Luther's life and impact worldwide The two volume set provides overviews of basics such as the 95 Theses as well as more complex topics such as reformational distinctions Entries explore Luther's contributions to theology sacraments his influence on the church and contemporaries his character and more The work also discusses Luther's controversies and topics such as gender sexuality and race Publishing at the five hundredth anniversary of the Reformation this is an essential reference work for understanding the Reformation and its legacy today *Zealots for Souls* Anne Huijbers, 2018-01-22 *Zealots for souls* draws attention to the impact of the Observant reforms within the Order of Preachers and ambitiously stirs up a broad scope of questions pertaining to the institutional narratives produced within the order between c 1388 and 1517 Through the narratives and the forms of remembrance they fostered the author traces the development of contemporary characteristics of the Dominican self understanding The book shows the fluid boundaries between the genres order chronicles convent chronicles collective biographies highlights the interplay between the narrative and the intended audience addresses the complex question of authorship and assesses the indebtedness of modern printed narratives to older chronicles or biographical collections The book demonstrates that the majority of the extant institutional narratives were written by Observant Dominicans who strived for the internal reform of their order They wrote history to justify their own reform agenda and therefore produced invariably partisan chronicles The work's method is widely applicable and contributes to further reassessment of institutional narratives as sources for the analysis of religious and intellectual transformations *Between Sardis and Philadelphia: The Life and World of Pietist Court Preacher Conrad*

Bröske Douglas Shantz, 2008-09-30 This study examines the life and world of Conrad Bröske 1660-1713 Court Preacher in Offenbach Main His claim to fame lies in a ten year period between 1694 and 1704 in which this Marburg trained pastor became a prolific author polemicist and promoter of chiliastic writings thanks to a meeting with Thomas Beverley in 1693 and the baptism of a Muslim convert in 1694 Bröske lived a complex existence between Sardis and Philadelphia as a Reformed court preacher and Philadelphian chiliast His two sided experience was actually the norm among the Pietists including so called radicals Life between paradigms was the German way of being radical in early modern times due to a lack of religious toleration compared to England and the Netherlands Bröske's story belongs to the rise of Early Evangelicalism that W R Ward has recently discussed Women, Gender, and Radical Religion in Early Modern Europe Sylvia Monica Brown, 2007 This collection of essays explores the role of women and gender in a broad range of radical religious movements of the post Reformation **Politics and Reformations** Christopher Ocker, 2007 These twenty three essays explore the historiographies of the Reformation from the fifteenth century to the present and study the history of religion from the sixteenth to eighteenth centuries especially in Germany but also in Switzerland the Netherlands and colonial Mexico The Empire of the Cities Aurelio Espinosa, 2009 This study of the Spanish monarchy bureaucracy and representative government under Charles V before and after the comunero revolt 1520-1521 demonstrates how the emperor and Castilian republics institutionalized management procedures that promoted accountability advanced a meritocracy and facilitated expansionism and domestic stability The Serpent and the Rose: The Immaculate Conception and Hispanic Poetry in the Late Medieval Period Lesley K. Twomey, 2008-06-03 The Serpent and the Rose examines the theological and liturgical context for the doctrine of the Immaculate Conception in the Middle Ages from primary sources in Iberian archives Its main focus is a study of Marian poetry from Alfonso the Wise and Gonzalo de Berceo through to the poetry collections of the late fifteenth century showing how poets took themes from the Bible and apocryphal literature combining them to defend and praise Mary's conception without sin Individual chapters assess how they depicted Mary's prefiguration in the Old Testament by the Woman who defeated the serpent the young bride of the Song of Songs or the semi deity Wisdom how they portray her as the mystic rose and as the new Eve **Wandering Women and Holy Matrons** Leigh Ann Craig, 2009 This book explores women's experiences of pilgrimage in Latin Christendom between 1300 and 1500 C E Later medieval authors harbored grave doubts about women's mobility literary images of mobile women commonly accused them of lust pride greed and deceit Yet real women commonly engaged in pilgrimage in a variety of forms both physical and spiritual voluntary and compulsory and to locations nearby and distant Acting within both practical and social constraints such women helped to construct more positive interpretations of their desire to travel and of their experiences as pilgrims Regardless of how their travel was interpreted those women who succeeded in becoming pilgrims offer us a rare glimpse of ordinary women taking on extraordinary religious and social authority Two Sixteenth-Century Premonstratensian Treatises on Religious Life

Jacob Panhausen, 2021-03-15 Jacob Panhausen stands as a major but little studied figure in the renewal of the Premonstratensian Order during the crucial decades of the sixteenth century when the very survival of religious life hung in the balance. His career 1540-1582 as abbot of Steinfeld in Germany spanned the whole era of the Council of Trent and its aftermath and he died the same year that Saint Norbert was officially canonized. This volume presents the first English translation of two Latin texts by Jacob Panhausen: *A Loving Exhortation to Prelates and Those in Their Charge* and *Treatise on Monastic Life and Religious Vows*. The introduction offers a biographical and analytical overview of this outstanding Norbertine reformer illuminating a crucial time in the renewal of the Premonstratensian Order during and after the Council of Trent. Intended as they were for his confreres at Steinfeld and other abbeys, they show his zeal for reform, his dedication to the monastic tradition and his humanistic and exegetical concerns. *Preachers by Night: The Waldensian Barbes (15th-16th Centuries)* Gabriel Audisio, 2007 This work traces the history of the barbes, the Waldensian preachers whose itinerant mission maintained the fervent but clandestine faith of a dissent which from Lyons extended across much of Europe enduring despite the Inquisition from the 12th-16th century. *The Conversos and Moriscos in Late Medieval Spain and Beyond* Kevin Ingram, 2009 Converso and Morisco are the terms applied to those Jews and Muslims who converted to Christianity, mostly under duress, in late medieval Spain. *Converso and Moriscos: Studies* examines the manifold cultural implications of these mass conversions. **Pico's Heptaplus and Biblical Hermeneutics** Crofton Black, 2006-10-01 This is the first full-length study of the Heptaplus, the commentary on the creation narrative of Genesis 1 by the celebrated Italian philosopher Giovanni Pico della Mirandola. It focuses on Pico's theory of allegory. This theory was fundamentally dissimilar to mainstream medieval and Renaissance approaches to biblical interpretation. Rather than use the standard four senses of Scripture, Pico adopted an esoteric hermeneutic stance characteristic of Neoplatonic and kabbalistic exegesis and developed an allegorical theory based on epistemology and the idea of intellectual ascent. The exploration of this theme makes it possible not only to interpret the Heptaplus in relation to Pico's other works but also to assess its role as a response to the contemporary philosophical controversy surrounding the intellect. *Queen's Apprentice* Joseph F. Patrouch, 2010 This study seeks to examine a number of themes relating to the roles of the women's court of the central European Habsburgs. These include its role in helping consolidate their holdings in central Europe and the Holy Roman Empire and structure their relations with the rest of Europe. *The Crown and the Cosmos* Darin Hayton, 2015-11-11 Despite its popular association today with magic astrology was once a complex and sophisticated practice grounded in technical training provided by a university education. *The Crown and the Cosmos* examines the complex ways that political practice and astrological discourse interacted at the Habsburg court, a key center of political and cultural power in early modern Europe. Like other monarchs, Maximilian I used astrology to help guide political actions, turning to astrologers and their predictions to find the most propitious times to sign treaties or arrange marriage contracts. Perhaps more significantly, the emperor employed astrology

as a political tool to gain support for his reforms and to reinforce his own legitimacy as well as that of the Habsburg dynasty

Darin Hayton analyzes the various rhetorical tools astrologers used to argue for the nobility antiquity and utility of their discipline and how they strove to justify their science on the grounds that through its rigorous interpretation of the natural world astrology could offer more reliable predictions This book draws on extensive printed and manuscript sources from archives across northern and central Europe including Poland Germany France and England *The 'Book' of Travels: Genre, Ethnology, and Pilgrimage, 1250-1700* Palmira Brummett, 2009-04-24 The early modern era is often envisioned as one in which European genres both narrative and visual diverged indelibly from those of medieval times This collection examines a disparate set of travel texts dating from the thirteenth to the seventeenth centuries to question that divergence and to assess the modes themes and ethnologies of travel writing It demonstrates the enduring nature of the itinerary the variant forms of witnessing including imaginary maps the crafting of sacred space as a cautionary tale and the use of the travel narrative to represent the transformation of the authorial self Focusing on European travelers to the expansive East from the soft architecture of Timur's tent palaces in Samarqand to the ambiguities of sexual identity at the Mughul court these essays reveal the possibilities for cultural translation as travelers of varying experience and attitude confront remote and foreign or not so foreign space

Public Opinion and Changing Identities in the Early Modern Netherlands, 2006-11-01 Was there such a thing as public opinion before the age of newspapers and party politics The essays in this collection show that in the Low Countries at least there certainly was In this highly urbanised society with high literacy rates and good connections news and public debate could spread fast in the sixteenth and seventeenth centuries enabling the growth of powerful opposition movements against the Crown the creation of the Dutch Republic and of the distinctive Netherlandish culture of the Golden Age Contributors include Hugh Dunthorne Raingard Esser Jonathan Israel Gustaaf Janssens Henk van Nierop Guido Marnef M E H Nicolette Mout Andrew Pettegree Judith Pollmann Paul Regan Andrew Sawyer Jo Spaans Andrew Spicer and Juliaan Woltjer Supervised by Alastair Duke *The Primacy of the Postils* John M. Frymire, 2009-12-23 Scholarship on the German Reformation has long equated preaching with Protestantism just as many scholars have employed sermons but usually in supplemental and unsystematic ways Based on an analysis of over 400 standard sermon collections postils produced by Catholics Lutherans and Calvinists 1520 1620 this study offers the first comprehensive systematic presentation of these works from a cross confessional perspective It lays to rest the notion that preaching was somehow distinctively Protestant while tracing the creation production use and censorship of postils These sermon collections were nothing less than the applied distillation of Christianity delivered on a regular basis by the clergy to the laity and as such the most important vehicle for the dissemination of ideas in early modern Germany

Renaibance Monks Monastic Humanism In Six Biographical Sketches Introduction

In today's digital age, the availability of *Renaibance Monks Monastic Humanism In Six Biographical Sketches* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Renaibance Monks Monastic Humanism In Six Biographical Sketches* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Renaibance Monks Monastic Humanism In Six Biographical Sketches* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Renaibance Monks Monastic Humanism In Six Biographical Sketches* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Renaibance Monks Monastic Humanism In Six Biographical Sketches* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Renaibance Monks Monastic Humanism In Six Biographical Sketches* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Renaibance Monks Monastic Humanism In Six Biographical Sketches* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Renaissance Monks Monastic Humanism In Six Biographical Sketches books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Renaissance Monks Monastic Humanism In Six Biographical Sketches books and manuals for download and embark on your journey of knowledge?

FAQs About Renaissance Monks Monastic Humanism In Six Biographical Sketches Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Renaissance Monks Monastic Humanism In Six Biographical Sketches is one of the best book in our library for free trial. We provide copy of Renaissance Monks Monastic Humanism In Six Biographical Sketches in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Renaissance Monks Monastic Humanism In Six Biographical Sketches. Where to download Renaissance Monks Monastic Humanism In Six Biographical Sketches online for free? Are you looking for Renaissance Monks Monastic Humanism In Six Biographical Sketches PDF? This is definitely going to save you time and cash in something you should think about.
