Rena's Promise A Story Of Sisters In Auschwitz:

Rena's Promise Rena Kornreich Gelissen, Heather Dune Macadam, 1995 Original publication and copyright date 1995

Rena's Promise Heather Dune MACADAM, 1997 **Rena's Promise** Rena Kornreich Gelissen, Heather Dune

Macadam, 2015-03-17 An expanded edition of the powerful memoir about two sisters' determination to survive during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz. In March 1942, Rena Kornreich and 997 other young women were rounded up and forced onto the first Jewish transport of women to Auschwitz. Soon after, Rena was reunited with her sister Danka at the camp, beginning a story of love and courage that would last three years and forty-one days. From smuggling bread for their friends to narrowly escaping the ever-present threats that loomed at every turn, the compelling events in *Rena's Promise* remind us that humanity and hope can survive inordinate brutality.

Writing the Holocaust Zoë Vania Waxman, 2008-06-26 Arguing against the prevailing view that Holocaust survivors encouraged by a new and flourishing culture of witnessing have come forward only recently to tell their stories, *Writing the Holocaust* examines the full history of Holocaust testimony from the first chroniclers confined to Nazi-enforced ghettos to today's survivors writing as part of collective memory. Zoë Waxman shows how the conditions and motivations for bearing witness changed immeasurably. She reveals the multiplicity of Holocaust experiences, the historically contingent nature of victims' responses, and the extent to which their identities—secular or religious, male or female, East or West European—affected not only what they observed but also how they have written about their experiences. In particular, she demonstrates that what survivors remember is substantially determined by the context in which they are remembering.

Traumatic Memories of the Second World War and After Peter Leese, Jason Crouthamel, 2016-10-05 This collection investigates the social and cultural history of trauma to offer a comparative analysis of its individual, communal, and political effects in the twentieth century. Particular attention is given to witness testimony, to procedures of personal memory and collective commemoration, and to visual sources as they illuminate the changing historical nature of trauma. The essays draw on diverse methodologies, including oral history, and use varied sources such as literature, film, and the broadcast media. The contributions discuss imaginative communal and political responses as well as the ways in which the later welfare of traumatized individuals is shaped by medical, military, and civilian institutions. Incorporating innovative methodologies and offering a thorough evaluation of current research, the book shows new directions in historical trauma studies.

Genocide and Gender in the Twentieth Century Amy E. Randall, 2021-12-16 Focusing on events in Rwanda, Armenia, and the former Yugoslavia, as well as the Holocaust, *Genocide and Gender in the Twentieth Century* investigates how historically and culturally specific ideas led to genocidal sexual violence. Expert contributors also consider how these ideas, in conjunction with issues relating to femininity, masculinity, and understandings of gendered identities, contributed to perpetrators' tools and strategies for ethnic cleansing and genocide. The 2nd edition features five brand new chapters which explore imperialism

race gender and genocide the Cambodian genocide memory and intergenerational transmission of Holocaust trauma and genocide gender and memory in the Armenian case An extended and enhanced introduction which makes use of recent scholarship on gender and violence Historiographical and bibliographical updates throughout Key primary document excerpt from the 1948 UN Convention on the Prevention and Punishment of Genocide Updated and revised in its second edition Genocide and Gender in the Twentieth Century is the authoritative study on the complex gender dimensions of ethnic cleansing and genocide in the 20th century

The Numbers on My Parents' Arms Jerry Bagel, 2019-09-19 In June 1991 sitting in his hospital room contemplating cardiac bypass surgery my father said Vus ich hot adorch geleibt What I have lived through I wasn't sure at the time if he meant his recent heart attack but over time especially after researching his journey it became clear to me I thought I knew my dad's plight only to realize some of his most horrible experiences were never brought to my attention The adage of the first casualty of war is the truth hung in the balance with loss and trauma deserves its own sanctity Helen Friedman and Sam Bagel walked through the shadows of death lost their entire nuclear families and like the Phoenix bird re-emerges from its own ashes they too resurrected themselves to start a family be happy and thankful people

Experience and Expression Elizabeth Roberts Baer, Myrna Goldenberg, 2003 Publisher's description The many powerful accounts of the Holocaust have given rise to women's voices and yet few researchers have analyzed these perspectives to learn what the horrifying events meant for women in particular and how they related to them In Experience and Expression the authors take on this challenge providing the first book length gendered analysis of women and the Holocaust a topic that is emerging as a new field of inquiry in its own right The collection explores an array of fascinating topics rescue and resistance the treatment of Roma and Sinti women the fate of female forced laborers Holocaust politics nurses at so called euthanasia centers women's experiences of food and hunger in the camps the uses and abuses of Anne Frank and the representations of the Holocaust in art film and literature in the postwar era

Star Crossed Heather Dune Macadam, Simon Worrall, 2023-08-22 For readers of The Nightingale by Kristin Hannah who are looking for an immersive true account of Nazi occupied Paris Star Crossed is an epic story of love and resistance during WW2 from the award winning author of Pen America Literary Award Finalist and Goodreads Choice Award Nominee 999 Part historical portrait of life during the Occupation part valentine to The City of Light and the resilience of its people this transportive love story follows the romance between a Catholic Resistance fighter and a Holocaust victim who meet at the famous Caf Flore before war prejudice and disapproving families set them on divergent and tragically inevitable paths A Goodreads Choice Awards Nominee What a beautiful heartbreaking story Erica Robuck National Bestselling Author of Sisters of Night and Fog Paris 1940 The City of Light has fallen under German occupation Among patriotic Parisians the pursuit of art culture and jazz has become a bold act of defiance So has forbidden love for talented and spirited Jewish teenager Annette Zelman a student at the Beaux Arts and dashing young Catholic poet Jean Jausion Despite their devout families vehement opposition the young

couple finds acceptance at the famed Caf de Flore whose habitués include Simone de Beauvoir, Jean Paul Sartre, Pablo Picasso, Django Reinhardt and other luminaries of the Latin Quarter. For a time, Annette and Jean feel they have eluded the brute might of the relentless Nazis and more immediately their parents' threats and demands. But as restrictions on the Jewish community escalate to arrests and deportations, the maleficent forces gathering around the young lovers set them on divergent and tragically inevitable paths. Drawn from never before published family letters and other treasures, as well as archival sources and exclusive interviews, *Star Crossed* offers us precious insight into the Holocaust and the lives French people bravely led under the Hitler regime. This breathtaking true story of beauty, art, liberation and the transformative power of love resonates with an intimate story of undying devotion seen through the prism of history. *The Holocaust* David M. Crowe, 2018-05-04. This book details the history of the Jews, their two millennia old struggle with a larger Christian world and the historical anti-Semitism that created the environment that helped pave the way for the Holocaust. It helps students develop the interpretative skills in the fields of history and law. **The Train Journey** Simone Gigliotti, 2009. Deportations by train were critical in the Nazis' genocidal vision of the Final Solution of the Jewish Question. Historians have estimated that between 1941 and 1944 up to three million Jews were transported to their deaths in concentration and extermination camps. In his writings on the Final Solution, Raul Hilberg pondered the role of trains. How can railways be regarded as anything more than physical equipment that was used when the time came to transport the Jews from various cities to shooting grounds and gas chambers in Eastern Europe. This book explores the question by analyzing the victims' experiences at each stage of forced relocation: the round ups and departures from the ghettos, the captivity in trains and finally the arrival at the camps. Utilizing a variety of published memoirs and unpublished testimonies, the book argues that victims experienced the train journeys as mobile chambers comparable in importance to the more studied fixed locations of persecution such as ghettos and camps.

Stealth Altruism Arthur B. Shostak, 2017-07-12. Though it has been nearly seventy years since the Holocaust, the human capacity for evil displayed by its perpetrators is still shocking and haunting. But the story of the Nazi attempt to annihilate European Jewry is not all we should remember. *Stealth Altruism* tells of secret, non-militant, high-risk efforts by Carers: those victims who tried to reduce suffering and improve everyone's chances of survival. Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality. Arthur B. Shostak explores forbidden acts of kindness such as sharing scarce clothing and food rations, holding up weakened fellow prisoners during roll call, secretly replacing an ailing friend in an exhausting work detail and much more. He explores the motivation behind this dangerous behavior, how it differed when in or out of sight, who provided or undermined forbidden care, the differing experiences of men and women, how and why gentiles provided aid and most importantly, how might the costly obscurity of stealth altruism soon be corrected. To date, memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another. Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors.

Feminism, Literature and Rape Narratives Sorcha Gunne, Zoe Brigley Thompson, 2012-08-06 The essays in this volume discuss narrative strategies employed by international writers when dealing with rape and sexual violence whether in fiction poetry memoir or drama In developing these new feminist readings of rape narratives the contributors aim to incorporate arguments about trauma and resistance in order to establish new dimensions of healing This book makes a vital contribution to the fields of literary studies and feminism since while other volumes have focused on retroactive portrayals of rape in literature to date none has focused entirely on the subversive work that is being done to retheorize sexual violence Split into four sections the volume considers sexual violence from a number of different angles Subverting the Story considers how the characters of the victim and rapist might be subverted in narratives of sexual violence In Metaphors for Resistance the essays explore how writers approach the subject of rape obliquely using metaphors to represent their

suffering and pain The controversy of not speaking about sexual violence is the focus of The Protest of Silence while The Question of the Visual considers the problems of making sexual violence visible in the poetic image in film and on stage These four sections cover an impressive range of world writing which includes curriculum staples like Toni Morrison Sarah Kane Sandra Cisneros Yvonne Vera and Sharon Olds

Women and the Divine G. Howie, 2016-04-30 This collection explores the question of whether it is possible to reconceive the category of transcendence from a feminist perspective The contributors use the concept of transcendence to approach questions relating to the body desire and subjectivity while offering a response to secular relativism

German Women's Life Writing and the Holocaust Elisabeth Krimmer, 2018-09-20 Examines women's life writing in order to shed light on female complicity in the Second World War and the Holocaust

Gender, Religion and Diversity Ursula King, Tina Beattie, 2005-12-01 Gender Religion and Diversity provides an introduction to some of the most challenging perspectives in the contemporary study of gender and religion In recent years women's and gender studies have transformed the international study of religion through the use of interdisciplinary and cross cultural methodologies which have opened up new and highly controversial issues challenging previous paradigms and creating fresh fields of study As this book shows gender studies in religion raises new and difficult questions about the gendered nature of religious phenomena the relationship between power and knowledge the authority of religious texts and institutions and the involvement and responsibility of the researcher undertaking such studies as a gendered subject This book is the outcome of an international collaboration between a wide range of researchers from different countries and fields of religious studies The range and diversity of their contributions is the very strength of this book for it shows how gendering works in studying different religious materials whether foundational texts from the Bible or Koran philosophical ideas about truth essentialism history or symbolism the impact of French feminist thinkers such as Irigaray or Kristeva or again critical perspectives dealing with the impact of race gender and class on religion or by deconstructing religious data from a postcolonial critical standpoint or examining the impact of imperialism and orientalism on religion and gender

The Holocaust Norman Goda, 2016-11-03 The Holocaust Europe the World and the Jews is a readable text for undergraduate students containing sufficient but manageable detail The author provides a broad set of perspectives while emphasizing the Holocaust as a catastrophe emerging from an international Jewish question This text conveys a sense of the Holocaust's many moving parts It is arranged chronologically and geographically to reflect how persecution experience and choices varied over different periods and places Instructors may also take a thematic approach as the chapters have distinct sections on such topics as German decisions Jewish responses bystander reactions and other themes

Re-examining the Holocaust through Literature Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust

literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context Your Life is a Book Brenda Peterson, Sarah Jane Freymann, 2014-10-14 Learn how to write your memoir and get published with the help of two well known publishing professionals Everyone has a story to tell Your Life is a Book guides budding writers through the transformative process of memoir writing to publication In addition to exploring the unique elements of crafting a memoir story arc point of view dialogue where to start not the beginning Your Life is a Book also focuses on the self exploration awareness and understanding that this emotional literary project triggers With proven writing exercises and prompts this book is a practical and enlightening guide to perfecting the art of memoir writing
