Stephen H. Goode

Renderbrook A Century Under The Spade Brand:

Renderbrook Steve Kelton,1989 The hundred year history of the Renderbrook Spade Ranch mirrors the history of ranching in West Texas tracing ranching s evolution from an open range Longhorn dominated industry to today s forward looking specialized operations which survive by using state of the art technology in genetics nutrition marketing and range science The story is one of slow but steady progress from the horse and wagon era to the age of computers crossbreeding and embryo transplants **Elmer Kelton's The Unlikely Lawman** Steve Kelton,2022-07-26 Hewey Calloway one of the best loved cowboys in all of Western fiction returns in Elmer Kelton s *The Unlikely Lawman* as novel of his middling years as he looks for work but not too much work in 1904 West Texas Hewey Calloway is heading north to Colorado on a horse drive for an old friend Alvin Lawdermilk when he gets word that one of his hired hands is planning to rob him After the plot is foiled the fugitive horsehand is on the run and leaving bodies in his wake Deputized to help bring the criminal to justice Hewey is bestowed with a weight of responsibility that he s long avoided Never known for his skill or lack thereof with a pistol he can only pray that he and retired Texas Ranger Hanley Baker will be enough to put an end to this trail of dastardly deeds Steve Kelton will transport you to an Old West full of duplicity gunfights and the often unforgiving hardships of frontier life At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied [The Rise and Fall of the Lazy S Ranch](#) David J. Murrah,2022-01-18 The Lazy S Ranch one of the last major ranches to be established in Texas came into being at a time when most of the other great ranches were disappearing Founded in 1898 by Dallas banker and rancher Colonel Christopher Columbus Slaughter the Lazy S grew to comprise nearly 250 000 acres of the western High Plains in Cochran and Hockley counties much of which lay in a single contiguous pasture of more than 180 000 acres Even with careful investment and management C C Slaughter faced many challenges putting together an extensive ranch amid the development of the farmers frontier on the high plains Within a decade he crafted the Lazy S to become a showplace for well bred cattle effective range management and efficient utilization of limited water resources He created a working ranch that would serve as a long lasting legacy for his wife and nine children to remain undivided and indivisible But shortly after his death in 1919 the family drained its resources drove it into debt then divided the land ten ways In the 1930s good fortune returned to some of the Slaughter heirs with the discovery of oil on the family lands Though the Lazy S Ranch was soon forgotten the breakup of the ranch spurred a new era for the western Llano Estacado and led to the establishment of a county growth of four new towns and a railroad across the heart of the ranch fostered for the most part by the land development projects of Slaughter s descendants Here David J Murrah covers the entire fascinating history in *The Rise and Fall of the Lazy S Ranch* **Heaven's Harsh Tableland** Paul H. Carlson,2023-12-14 The Llano Estacado dubbed by author Paul H Carlson as heaven s harsh tableland covers some 48 000 square miles of western Texas and eastern New Mexico In this new survey of the region the story begins during prehistoric times and with descendants of the Comanche Apache and

other Native American tribal groups Other groups have also left their marks on the area Spanish explorers Comancheros and other traders European settlers farmers and ranchers artists and even athletes Carlson a veteran historian aims to review the Llano s historic contours from its earliest foundations to its energetic present and in doing so he skillfully narrates the story of the region up to the present time of modern agribusiness and urbanization Throughout the ten chronologically arranged chapters concise sidebars support the narrative highlighting important and interesting topics such as the enigmatic origins of the region s name fascinating geological and paleontological facts the arrival of humans the natural history of bison colorful characters in the history of the region and many others The resulting broad synthesis captures the entirety of the Llano Estacado summarizing and interpreting its natural and human history in a single carefully researched and clearly written volume Heaven s Harsh Tableland A New History of the Llano Estacado will provide a helpful enjoyable and authoritative guide to the history and development of this important region **Elmer Kelton's The Familiar Stranger** Steve

Kelton,John Bradshaw,2024-12-03 Elmer Kelton s Hewey Calloway one of the best loved cowboys in all of Western fiction returns in this novel of his middling years as he looks for work but not too much work in 1904 West Texas Hewey Calloway had intended to pass straight through Durango Colorado en route to visit a friend several miles northeast of the city He had left his home range about a year before with a herd of young horses It was supposed to be a relatively straightforward affair deliver the horses collect the payment and return home with the money Things got out of hand however and there he was in Durango a year later with plans to go north rather than south Oh well he thought he had always wanted to see new country It isn t long before his travels lead him to a cabin on a rainy night There he meets a young man sick as a dog who weakly tries to send him off And for good reason the man has smallpox and soon enough Hewey catches the deadly disease The man cares for him in turn and it s just as he is feeling better that the man disappears The next morning a Pinkerton detective turns up with posse looking for a wanted bank robber As he travels north Hewey seems to run in with both the young man who tended to him as well as the detective But something seems off about the Pinkerton detective and Hewey keeps his mouth shut When he reunites with his friend Hanley they do everything they can to get to the bottom of the mystery that threatens both theirs and this young man s life At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Beyond Texas Through Time* Walter L. Buenger,Arnoldo De León,2011-01-27 In 1991 Walter L Buenger and the late Robert A Calvert compiled a pioneering work in Texas historiography Texas Through Time a seminal survey and critique of the field of Texas history from its inception through the end of the 1980s Now Buenger and Arnoldo De Le n have assembled an important new collection that assesses the current state of Texas historiography building on the many changes in understanding and interpretation that have developed in the nearly twenty years since the publication of the original volume This new work Beyond Texas Through Time departs from the earlier volume s emphasis on the dichotomy between traditionalism and revisionism as they applied to various eras Instead the studies in this book consider the topical and

thematic understandings of Texas historiography embraced by a new generation of Texas historians as they reflect analytically on the work of the past two decades The resulting approaches thus offer the potential of informing the study of themes and topics other than those specifically introduced in this volume extending its usefulness well beyond a review of the literature In addition the volume editors introduction proposes the application of cultural constructionism as an important third perspective on the thematic and topical analyses provided by the other contributors Beyond Texas Through Time offers both a vantage point and a benchmark serving as an important reference for scholars and advanced students of history and historiography even beyond the borders of Texas **Writing on the Wind** Lou Halsell Rodenberger, Laura Payne

Butler, Jacqueline A. Kolosov, 2005 The vast disparate region called West Texas is both sparsely populated and scarcely recognized Yet it has given voice to a surprising number of women writers who have left more than a faint impression on its hardscrabble terrain and consciousness These writers do much more than evoke the land and its celebrated skies Often with humor and alw Contemporary Ranches of Texas Lawrence Clayton, 2001-11-15 Discusses 16 working ranches across Texas Alta Vista Canales Catarina O Connor and Ray in South Texas R A Brown Chimney Creek Goodnight J A Moorhouse Nail and Renderbrook Spade in the Panhandle and Northwest Texas and Hendrson Cove Hudspeth River Long X and Hoskins 101 in The Trans Pecos **Elmer Kelton** Judy Alter, James Ward Lee, 2011-03-01 When Elmer Kelton died in the fall of 2009 the literary world lost a consummate writer a man the New York Times called a novelist who brought the sensibility of the old style western to bear on a modern Texas landscape of oil fields and financially troubled ranches Kelton was also a modest kind man always willing to advise a struggling writer or write a blurb for a first time published author or assign publishing rights to his six masterpieces to a small university press TCU Press owes a great debt of gratitude to Kelton and this volume Elmer Kelton Memories and Essays attempts to explore just what it is that made Kelton its leading author Editors Judy Alter and James Ward Lee gathered together a group of Kelton aficionados who had either published or taught or sold his books or were simply friends In several meetings they divided up the main themes of Kelton s writing Alter provides the overview of Kelton s career Felton Cochran longtime owner of Cactus Books in San Angelo describes how the friendship between bookstore owner and author grew over the years Ricky Burk pastor of the church from which Kelton was buried talks about the man s influence in his community Kelton s son Steve explains how Kelton s career as journalist permeated his novels Ruth McAdams who has taught Kelton for years explores how he deals with the themes of endurance and change Joyce Roach delicately covers how race and ethnicity figure in Kelton s plots and the development of his unforgettable characters Lee gives readers his inimitable take on the Hewey Calloway Trilogy The Good Old Boys The Smiling Country and Six Bits a Day and Bob J Frye takes a wry look at Kelton s use of humor throughout his career The book also contains Kelton s own view of the history of the Western novel a response to revisionist criticism And finally Cochran provides us a list of most not all of Elmer Kelton s extraordinary body of work Empire Builder in the Texas Panhandle Paul H. Carlson, 1996 An outsider he

brought his business savvy and vision of civic growth to bear on America's last frontier *Oil, Taxes, and Cats* David J. Murrah, 2001-09-15 Many of the great Texas ranches established during the cattle boom of the 1880s became immediate business successes but as time passed many of them failed The historic ranches that have survived to the present are few *Oil Taxes and Cats* is the story of one of the survivors and of the family that kept it alive **Southwestern Historical Quarterly**, 1996 **The American Humanities Index** Stephen H. Goode, 1993 **Elmer Kelton Country** Elmer Kelton, 1993 Some who treasure Elmer Kelton's novels *Time It Never Rained* *The Good Old Boys* *Slaughter* and over thirty other titles may not realize that he led another professional life as a livestock journalist For forty two years he wrote fiction by night and traveled West Texas by day to report on livestock auctions range conditions and rodeo results To those who know him as the retired associate editor of *Livestock Weekly* his novels are less important than his knowledge of ranching This nonfiction collection assembled with Kelton's enthusiastic cooperation shows the connection between his separate careers Here are the causes that interest him and the themes that run through his fiction environmental issues agricultural developments the history of West Texas and its ranching lands the sport of rodeo the craft of writing Here too are the profiles and reminiscences of ranching people who give him ideas and character hints for his fiction the bits of history that spark new novels **Lambshead Legacy** Watt Matthews, 1997 Lyndon B Johnson The diary focusing on Watt's life from 1951 to 1980 contains Watt's records of the number and kind of cattle the work completed on them the pasture they were moved to and their sale price Also Watt recorded the weather at Lambshead the names of visitors and the parties with the names and number of people who attended At times Watt referred to the diary to refresh his memory or settle factual disputes Frances Mayhugh Holden's introduction **America, History and Life**, 1993 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **National Cowboy Hall of Fame Chuck Wagon Cookbook** B. Byron Price, 1995 Authentic recipes from the ranch and the range New Mexico Historical Review Lansing Bartlett Bloom, Paul A. F. Walter, 1991 **Progressive Farmer**, 1996 *Broke, Not Broken* Broadus A. Spivey, Jesse Sublett, 2014 Details the legal struggle of Homer Maxey against Citizen's National Bank a record breaking and precedent setting case Provided by publisher
