First and Last Love Robert W. Miles,2014-11-03 The many thoughts and gratifying memories recounted in this volume began in 1924 and ended in 2013 The memories are of the author s development as a songwriter and the many talented and likeable people he got to know The locale is mainly New York City with important time spent as a composer at a Catskill Mountain resort Many of the thoughts are about the changing popular music scene in America

Words I Love, Volume 6 Charles Santiago,2025-07-29 The poems of Words I Love An Earthly Heavenly Romance spring from the experience of a man losing his wife after thirty years of marriage The poems appeared sporadically at first but eventually became a mainstay of the widower s daily life The poems are love letters between an earthly man and his heavenly wife reflecting an ongoing spiritual union Death was seen to be not the end of their life together but the beginning of a new life experienced on a higher spiritual plane than before The husband had no idea whatsoever that this new life with his wife was even possible When his wife died he presumed that she was dead and gone Now he realizes with immense gratitude that his wife is alive and here and he looks forward every day to reading and writing love letters from heaven

Words I Love, Volume 3 Charles Santiago,2025-03-12 A grieving widower was counseled to keep a journal of his experience as a means of therapy to help him cope with the loss of his wife The journal he started keeping became a portal into a world of poetry reflecting a new hidden life that he and his wife shared The wife s death was seen as a second wedding leading to a higher spiritual life The

husband's future death was seen as a third wedding leading to a yet higher spiritual life The grieving widower finds his grief to have been in vain From heaven he hears a sweet and powerful refrain Since that day we tasted death We've learned my dear to live again 134 A Studious Earthly Beau lines 3-4 **Whispers of Yesterday** Nancy Nickelsberg, Herb Etheridge, 2012-02 *Words I Love to Recite* Charles Santiago, 2024-02-15 The experience of the afterlife is normally considered to take place after death Death is seen as a wall of partition between those living and those departed Dead and gone are words often used to describe the departed The writer of these poems was at his wife's bedside when she took her last breath Anyone observing the horror and desperation the author expressed at that moment would have concluded that he truly believed his wife was dead and gone In fact he did believe she was dead and gone A grief counselor suggested to the new widower that he keep a journal of his experience He started keeping a journal which from the start was a dialogue between him and his departed wife The prose dialogue soon became peppered with poems The widower began to notice that there were sometimes correlations between what was written in the poems and his daily experience The poems and his daily experience became for the new widower proof enough that the afterlife can be experienced this side of the grave Aramis, or The Love of Technology Bruno Latour, 1996-04-01 The story of Aramis the guided transportation system intended for Paris is told in this fictional account by several parties an engineer and his professor company executives and elected officials a sociologist and Aramis itself who delivers a passionate plea on behalf of technological innovations that risk being abandoned by their makers **The Rendezvous of Love** Albert M. Ewing, 19?? *Alexander, Child of Love* Eleanor K. Boner, 2011-12 This is a story so personal it took fifty years to write Alexander Child of Love is not a self-help book about how to best survive the death of a child Alexander's story is the story of the power of love The more you love the longer you love the larger you become Long after my son's death I was profoundly shocked to learn that Alexander was actually murdered As you read you will come to understand why the word murdered was not ill-chosen The story I am about to tell you is not simply about a mother and child It is about the human spirit and the heights to which it can ascend to overcome extreme physical disability and pain In essence it is about love During my son's mortal life I learned for the first time the meaning of real love I learned that such love has the power to work miracles in our lives *Romeo and Juliet's Fateful Love: A Retelling in Modern English* Pasquale De Marco, 2025-07-26 Journey into the depths of one of the greatest love stories ever told Romeo and Juliet's Fateful Love This comprehensive exploration delves into the timeless themes characters and cultural significance of Shakespeare's masterpiece Beyond the tragic romance of Romeo and Juliet this book offers a profound examination of human nature exploring love loss forgiveness and the consequences of hatred Shakespeare's masterful use of language and imagery brings the characters and their emotions to life allowing readers to experience the full spectrum of human experience Uncover the secrets of this enduring tale as we delve into Romeo and Juliet's ill-fated love and the profound lessons it imparts Join us on a journey through Verona where two feuding families the Montagues and Capulets are locked in a bitter conflict Amidst this

Words I Love, Volume 2 Charles Santiago,2024-12-27 When a loving husband lost his wife his world was turned all upside down He began to seek a higher life and a higher life is what he found Questions came and brought relief Can love be stronger than the grave Are humans more than animated clay Are departed loved ones not able to communicate with those they love on Earth Could it be that far from being in a remote afterlife only minimally or not at all engaged with their loved ones on Earth departed loved ones are fully aware of their loved ones earthly lives and can interact with them moment by moment Could it be that only resistance to this idea keeps it from becoming a reality

No Heart Left to Love Vittoria Winters,2022-04-14 A heart is said to be the powerhouse of the emotion that we all long to be drowned into love Yet what happens when you no longer have a heart to love That even the heart that beats inside you ceased to acknowledge its mere existence Nevertheless it is said that the only way to know if you still have love is to know that love cannot exist without a heart or so they thought No Heart Left to Love is a poetry and prose collection that pertains to all things about love family romance heartbreaks and heartaches betrayal loss longingness unrequited love and whether you still have what it takes to love a living beating heart within your chest
