Cuando el alma escribe Silvia Pérez, 2013-08-28 El libro que quiero presentar es un trabajo de largo plazo siempre me he preguntado porqué en algunos momentos de la vida las personas actuamos de forma diferente en iguales circunstancias es por eso que me decidí a intentar plasmar en papel las sensaciones y sentimientos que a veces no sabemos expresar con palabras Creo que algunas personas se sentirán identificadas y a otras les daré la oportunidad de comprender Espero que les guste The book I want to present is a long term work I have always asked myself why in some moments in life we react differently under the same circumstances that is why I decided to put to paper the feelings and reflections which sometimes are hard to explain with words I think some people will feel identified with it and some other will have the chance to understand I hope you like it

Bibliografía española, 1998-11 **Rendición / Surrender** Ray Loriga, 2017-06-27 Ray Loriga Premio Alfaguara de novela 2017 por Rendición Una historia sobre la autoridad y la manipulación colectiva con ecos de Kafka y Orwell Una fábula sobre el destierro la pérdida la paternidad y los afectos Han pasado diez largos años desde que estalló la guerra y el matrimonio sigue sin conocer el paradero de sus hijos sin saber si su país fue el agresor o el agredido Fuera cual fuese el origen de la contienda el hombre de campo y ella su antigua patrona siguen amándose y sus vidas transcurren sencilla y rutinariamente Un día un muchacho mudo entra en su propiedad Al principio lo encierran como a un prisionero pero acaban por tomarle cierto cariño y cuando las autoridades comunican que la zona debe ser evacuada y que tienen que poner rumbo a la ciudad transparente los tres parten juntos En ese momento el muchacho es bautizado como Julio Las puertas de la metrópoli muestran una clara advertencia el aire mece los cuerpos sin vida de los traidores En su interior la ciudad transparente es casi un paraíso que provee a sus habitantes de todo aquello que cualquiera desearía en un hogar armonía limpieza y protección Impera un orden riguroso una calma autoritaria y una absoluta transparencia no están permitidos los secretos ni las paredes En una sociedad en la que lo privado es de dominio público en un mundo feliz y asfixiante que ataca pasivamente a la

dignidad del ser humano emergen los más estremecedores augurios de nuestro futuro Una historia kafkiana y orwelliana sobre la autoridad y la manipulación colectiva una parábola de nuestras sociedades expuestas a la mirada y al juicio de todos Sin caer en moralismos a través de una voz humilde y reflexiva con inesperados golpes de humor el autor construye una fábula luminosa sobre el destierro la pérdida la paternidad y los afectos La trama de Rendición sorprende a cada página hasta conducirnos a un final impactante que resuena en el lector tiempo después de cerrar el libro Del Jurado del XX Premio Alfaguara de novela Críticas A Loriga se le puede considerar el verdadero iniciador de una escritura que se aleja del realismo español un monólogo mental en un paisaje desolado como salido de un cuadro de Hopper con unos protagonistas cuyo núcleo social generalmente roto es el de la familia Una escritura depurada de breves párrafos que no describe sino que va silenciosa como los neumáticos de un automóvil sobre una autopista J A Masoliver Rendas La Vanguardia Ray Loriga es un fascinante cruce entre Marguerite Duras y Jim Thompson Pedro Almodóvar La voz de una nueva generación The Daily Telegraph Ray Loriga es un escritor de culto emergente que destila genio en cada página Scotland on Sunday Loriga se ha unido al selecto grupo de escritores que como Houellebecq y Murakami están redefiniendo la ficción del siglo XXI Wayne Burrows The Big Issue ENGLISH DESCRIPTION Ray Loriga winner of the 2017 Alfaguara Novel Prize for Rendición SurrenderThe jury has recognized a Kafkaesque Orwellian story about authority and collective manipulation a parable of our societies that are exposed to the sight and judgment of all Without falling into idealism and through a humble thoughtful voice with unexpected bursts of humor the author constructs a luminous fable about exile loss parenthood and affection The plot of Rendición Surrender surprises us on every page until leading us to a stunning ending that resonates in the reader well after having put the book down It has been ten long years since war broke out and the couple still doesn't know the whereabouts of their children or if their country was the aggressor or the victim Whatever the origin of the dispute he a farm laborer and she his former employer continue to love each other and their days pass simply and routinely One day a mute boy enters their property At first they lock him up like a prisoner but they end up becoming fond of him and when the authorities announce that the area needs to be evacuated and they must set out for the transparent city the three go together In that moment the boy is baptized as Julio The gates of the metropolis display a clear warning in the air swing the lifeless bodies of traitors Inside the transparent city is almost a paradise that provides its inhabitants with everything one could want in a home harmony neatness and protection Strict order authoritarian calm and absolute transparency reign supreme neither secrets nor walls are permitted In a society in which everything private is public domain in a happy and suffocating world that passively attacks the dignity of human beings emerge the most chilling portents of our future Critics have said Loriga can be considered the true originator of writing that moves away from Spanish realism a mental monologue in a desolate landscape as if taken from a Hopper painting with protagonists whose only social nucleus generally broken is that of family Refined writing of short paragraphs that doesn't describe but rather goes silently like the tires of a car on a highway J A
