Robinson Crusoe Barnes Nobles Classics:

Robinson Crusoe Daniel Defoe, 2011-12-14 This Top Five Classics illustrated edition of Robinson Crusoe includes 28 beautiful color plates by N C Wyeth Elenore Plaisted Abbott and others Another 17 black and white illustrations by artists from editions published from the 18th to the early 20th century Helpful Introduction and detailed Author Bio Considered by many to be the first true English novel Robinson Crusoe is the original castaway story one man shipwrecked on a desert island with little but his wits and the available resources to sustain him Written in 1719 by Daniel Defoe and based in part on the true life accounts of actual marooned sailors of his day the book was an immediate success and spawned a new form of storytelling

Merchants of Culture John B. Thompson, 2021-04-14 These are turbulent times in the world of book publishing For nearly five centuries the methods and practices of book publishing remained largely unchanged but at the dawn of the twenty first century the industry finds itself faced with perhaps the greatest challenges since Gutenberg A combination of economic pressures and technological change is forcing publishers to alter their practices and think hard about the future of the books in the digital age In this book the first major study of trade publishing for more than 30 years Thompson situates the current challenges facing the industry in an historical context analysing the transformation of trade publishing in the United States and Britain since the 1960s He gives a detailed account of how the world of trade publishing really works dissecting the roles of publishers agents and booksellers and showing how their practices are shaped by a field that has a distinctive structure and dynamic This new paperback edition has been thoroughly revised and updated to take account of the most recent developments including the dramatic increase in ebook sales and its implications for the publishing industry and its future

The Routledge Companion to Cultural Text and the Nation Sheera Talpaz, Anuradha Dingwaney Needham, 2025-03-31 The Routledge Companion to Cultural Text and the Nation brings together over 30 articles by leading and emerging scholars from around the world who engage fresh critical lenses from affect studies to the medical humanities and re energize established frameworks to examine the interplay between cultural production and conceptualizations of the nation and nationalism The scholarship in this volume takes as its objects of analysis various forms of aesthetic and cultural production from film and literature to museums and costume books enriching the conversation that has often siloed these forms Geared toward scholars graduate students and upper level undergraduates across the humanities and social sciences this timely interdisciplinary collection is issued at a critical juncture in the transformation of the nation and the global resurgence of regressive and populist nationalist movements Both offering new insights reorienting our understanding of canonical materials and bringing noncanonical works to light this volume challenges long held assumptions about the nation while establishing its continued significance and future possibilities

The Culinary Imagination Sandra M. Gilbert, 2014-08-18 From the recipe novel to the celebrity chef renowned scholar Sandra M Gilbert explores the poetics and politics of food In this stunning and important work the prominent critic poet and memoirist Sandra

M Gilbert explores our relationship with food and eating through discussions of literature art and popular culture Focusing on contemporary practices The Culinary Imagination traces the social aesthetic and political history of food from myth to modernity from ancient sources to our current wave of food mania What does it mean to transform raw stuff into cooked dishes which then become part of our own bodies to savor festive meals yet resolve to renounce gluttony to act as predators where in another life we might have become prey Do the rituals of the kitchen have different meanings for men and women for professional chefs and home cooks Why today do so many of us turn so passionately toward table topics on the page online and on screen What are the philosophical implications of the food chain on which we all find ourselves In The Culinary Imagination Gilbert addresses these powerful questions through meditations on myths and memoirs children s books novels poems food blogs paintings TV shows and movies Discussing figures from Rex Stout to Julia Child and Andy Warhol from M F K Fisher and Sylvia Plath to Alice Waters and Peter Singer she analyzes the politics and poetics of our daily bread investigating our complex self definitions as producers consumers and connoisseurs of food The result is an ambitious lively and learned examination of the ways in which our culture s artists have represented food across a range of genres

Robinson Crusoe Daniel Defoe, 2019-08-27 Restless Classics presents the Three Hundredth Anniversary Edition of Robinson Crusoe the classic Caribbean adventure story and foundational English novel with new illustrations by Eko and an introduction by Jamaica Kincaid that contextualizes the book for our globalized postcolonial era Three centuries after Daniel Defoe published Robinson Crusoe this gripping tale of a castaway who spends thirty years on a remote tropical island near Trinidad encountering cannibals captives and mutineers before being ultimately rescued remains a classic of the adventure genre and is widely considered the first great English novel But the book also has much to teach us in retrospect about entrenched attitudes of colonizers toward the colonized that still resound today As celebrated Caribbean writer Jamaica Kincaid writes in her bold new introduction The vivid vibrant subtle important role of the tale of Robinson Crusoe with his triumph of individual resilience and ingenuity wrapped up in his European which is to say white identity has played in the long uninterrupted literature of European conquest of the rest of the world must not be dismissed or ignored or silenced

The Historical Novel, Transnationalism, and the Postmodern Era Susan Brantly, 2017-02-17 This book explores the genre of the historical novel and the variety of ways in which writers choose to represent the past demonstrating how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood It traces how concerns of the postmodern era such as critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process Nineteenth-Century Fictions of Childhood and the Politics of Play Michelle Beissel Heath, 2017-09-18 Drawing evidence from transatlantic literary texts of childhood as well as

from nineteenth and early twentieth century children's and family card board and parlor games and games manuals

Nineteenth Century Fictions of Childhood and the Politics of Play aims to reveal what might be thought of as playful literary citizenship or some of the motivations inherent in later nineteenth and early twentieth century Anglo American play pursuits as they relate to interest in shaping citizens through investment in good literature Tracing play as a societal and historical construct as it surfaces time and again in children's literary texts as well as children's literary texts as they surface time and again in situations and environments of children's play this book underscores how play and literature are consistently deployed in tandem in attempts to create ideal citizens even as those ideals varied greatly and were dependent on factors such as gender ethnicity colonial status and class

Enlightened Aid Amanda Kay McVety, 2015 Enlightened Aid examines the intellectual and political origins of Point Four the first American aid program for the developing world and the economic and diplomatic implications of its operations in Ethiopia

Spaceship Earth in the Environmental Age, 1960-1990 Sabine Höhler, 2015-10-06 The idea of the earth as a vessel in space came of age in an era shaped by space travel and the Cold War Höhler's study brings together technology science and ecology to explore the way this latter day ark was invoked by politicians environmentalists cultural historians writers of science fiction and many others across three decades

Dynamism, Openness, And Inclusion: How Singapore Can Make The Transition From An Era Of Catch-up Growth To Life In A Mature Economy

Hian Teck Hoon, 2018-12-21 As Singapore progresses from a newly independent nation to a more mature economy the economic challenges it faces have evolved In the 50 years following Singapore's independence the country tackled economic challenges relating to a fledgling nation that included launching onto a path of economic take off and managing workers wage aspirations without rising unemployment It met those challenges successfully transiting from relative poverty in the 1960s to relative prosperity today As the country enters the next phase of its economic development having now surpassed the US standard of living as measured by real GDP per capita it faces another set of challenges How to transit from catch up growth arising from technological diffusion from frontier economies to generating indigenous innovation How to face the problem of a shrinking local workforce How to manage a shift in job preferences with rising wealth and educational attainments This volume provides a theory of Singapore's economic development With a coherent theory capable of explaining how Singapore got to where it is the book analyses how the future might look like for the Singapore economy With its forward looking analysis this book is valuable to students as it weaves macroeconomic data together with growth theory and highlights the interaction of economic forces with social influences and political institutions It also serves as a good reference for other emerging economies that like Singapore want to avoid the middle income trap and for researchers interested in analysing the economic possibilities for current and future Singaporeans Street

Urchins, Sociopaths and Degenerates David Floyd, 2014-02-15 From the notable emergence of orphan figures in late eighteenth century literature through early and middle period Victorian fiction and as this book argues well into the fin de siecle this potent literary type is remarkable for its consistent recurrence and its metamorphosis as a register of cultural conditions The striking ubiquity of orphans in the literature of these periods encourages inquiry into their metaphoric implications and the manner in which they function as barometers of burgeoning social concerns The overwhelming majority of criticism focusing on orphans centres particularly on the form as an early to middle century convention primarily found in social and domestic works in effect the non traditional aberrant at times Gothic orphan of the fin de siecle has been largely overlooked if not denied outright This oversight has given rise to the need for a study of this potent cultural figure as it

pertains to preoccupations characteristic of more recent instances This book examines the noticeable difference between orphans of genre fiction of the fin de siècle and their predecessors in works including first wave Gothic and the majority of Victorian fiction and the variance of their symbolic references and cultural implications **Martha Stewart's Organizing** Martha Stewart, 2019-12-21 How to organize everything from America's most trusted lifestyle authority with color photographs throughout and hundreds of ideas projects and tips **Daniel Defoe in Context** Albert J. Rivero, George Justice, 2023-05-11 Innovative in its structure and approach Daniel Defoe in Context contains 42 essays by leading scholars illuminating the life times and world of Daniel Defoe Defoe is one of the most important literary figures in English history thanks not only to his pioneering novels Robinson Crusoe and Moll Flanders but also to his notable works in journalism travel writing conduct literature and verse both satiric and serious Written with general readers and students in mind the essays in this volume provide up to date knowledge about eighteenth century literature culture and history in a high quality clearly written but completely accessible form Together they demonstrate the ways not only in which Defoe's world shaped his writing but also in which Defoe's writings profoundly affected his world and therefore our world The Secret Agent Joseph Conrad, 2007-03 Set in early twentieth century London and inspired by an actual attempt to blow up the Greenwich Observatory The Secret Agent is a complex exploration of motivation and morality The title character Adolf Verloc is obviously no James Bond In fact he and his circle of misfit saboteurs are not spies but terrorists driven less by political ideals than by their unruly emotions and irrational hatreds Verloc has settled into an apparent marriage of convenience Family life gives him a respectable cover while his wife hopes to get help in handling her halfwit brother Stevie Instead Verloc involves Stevie in one of his explosive schemes an act that leads to violence murder and revenge Darkly comic the novel is also obliquely autobiographical Joseph Conrad's parents were involved in the radical politics of their time and their early deaths left him profoundly distrustful of any sort of political action Steven Marcus is Professor of English and Comparative Literature and George Delacorte Professor in the Humanities at Columbia University and a specialist in nineteenth century literature and culture He is the author of more than 200 publications **The Dignity of Commerce** Nathan B. Oman, 2017-01-19 Why should the law care about enforcing contracts We tend to think of a contract as the legal embodiment of a moral obligation to keep a promise When two parties enter into a transaction they are obligated as moral beings to play out the transaction in the way that both parties expect But this overlooks a broader understanding of the moral possibilities of the market Just as Shakespeare's Shylock can stand on his contract with Antonio not because Antonio is bound by honor but because the enforcement of contracts is seen as important to maintaining a kind of social arrangement today's contracts serve a fundamental role in the functioning of society With The Dignity of Commerce Nathan B. Oman argues persuasively that well functioning markets are morally desirable in and of themselves and thus a fit object of protection through contract law Markets Oman shows are about more than simple economic efficiency To do business with others we must demonstrate

understanding of and satisfy their needs This ability to see the world from another s point of view inculcates key virtues that support a liberal society Markets also provide a context in which people can peacefully cooperate in the absence of political religious or ideological agreement Finally the material prosperity generated by commerce has an ameliorative effect on a host of social ills from racial discrimination to environmental destruction The first book to place the moral status of the market at the center of the justification for contract law The Dignity of Commerce is sure to elicit serious discussion about this central area of legal studies **A Connecticut Yankee in King Arthur's Court** Mark Twain,2005-09 A blow on the head transports a Yankee to 528 A D where he proceeds to modernize King Arthur s kingdom by organizing a school system constructing telephone lines and inventing the printing press Shipwreck and Island Motifs in Literature and the Arts ,2015-05-19 The motifs of island and shipwreck have been present in literature and the arts from ancient times Whether they occur as plot elements as part of literary or film imagery as symbols in paintings as leitmotifs in songs or as concepts in philosophical theories both have always been a source of fascination to authors artists and scholars In Shipwreck and Island Motifs in Literature and the Arts Brigitte Le Juez and Olga Springer have gathered essays that explore shipwreck and island figures in texts as historically culturally and artistically diverse as Walter Scott s The Lord of the Isles Cristina Fern ndez Cubas The Lighthouse reality TV series Treasure Island pop songs of the BBC Radio programme Desert Island Discs or The Otolith Group s essay film Hydra Decapita *Bowker's Guide to Characters in Fiction 2007* ,2008-02 The Origins of the English Novel, 1600-1740 Michael McKeon,2002-05-22 The novel emerged McKeon contends as a cultural instrument designed to engage the epistemological and social crises of the age
