Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader s Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory *Essential Stories* V. S. Pritchett,2007-12-18 Introduction by JEREMY TREGLOWN In his daily walks through London notes Jeremy Treglown in his Introduction to this collection Pritchett watched and listened to people as a naturalist observes wild creatures and birds He knew that oddity is the norm not the exception This finely attuned sense coupled with an understanding that nothing in life is mundane is what makes these stories so immensely enjoyable Drawing on a vast treasure chest of writings Treglown has selected sixteen of Pritchett s gems including A Serious Question which makes its debut in book form here Featuring some of the best work from a long career this new compilation of Pritchett s brilliantly compact stories illuminates his legendary skills A Careless Widow & Other Stories Victor Sawdon Pritchett,1989 Set for the most part in London Cornwall and the South Coast the stories included in this collection are proof that one of the great masters of the short story is still in his late eighties at the height of his powers and one of them Cocky Olly The story of two runaway children is widely considered to be among the very best he has written Mr. Beluncle V. S. Pritchett,2009-02-19 Like most great comedy writes Darin Strauss in his Introduction Mr Beluncle makes sport of the Stuffed Shirt the Hypocritical Pious Gentleman and the Tyrant as well as the Big Spender and all these descriptions fit a single character Mr Beluncle himself One of V S Pritchett s most enduring characters Mr Beluncle is narcissistic sanctimonious and self indulgent yet despite these flaws he is undeniably compelling Readers who follow this quirky British furniture salesman on his seemingly ordinary escapades shopping for ridiculously expensive houses attending services at his peculiar church presiding over a tumultuous family meal are in for a delightful and disquieting ride Poignant hilarious and utterly unforgettable Mr Beluncle is an ideal introduction to one of the English language s most gifted authors The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George
