Using his father's handwritten notes, journal entries and correspondences, Beau L'Amour uncovers how and why many never-before-seen manuscripts were written and speculates about the ways they might have ended. These selections celebrate L'Amour's vision and virtuosity, including the first seven chapters of a powerful novel about the Trail of Tears, a chilling Western horror story and a tale of the American Revolution featuring a character related to L'Amour's well-known Sackett family. At the other end of the spectrum are classic adventures such as *The Golden Tapestry* set in 1960s Istanbul as well as several uniquely different attempts at what would have been the most profoundly intimate of all of L'Amour's novels, a saga of reincarnation that stretches from a time before time to the period of Alexander the Great and on to Warlord Era China. Illustrated with rare photographs, this book reveals the L'Amour you have never known: his personal struggles as a writer and the contest between mortality and a literary legacy too big for one life to contain. *Lost Treasures* indeed a behind-the-scenes look at the unpublished work and unrealized aspirations of an iconic writer of Westerns. Kirkus Reviews: A valuable addition to L'Amour's literary legacy.

Booklist: Louis L'Amour's *Lost Treasures* is a project created to release some of the author's more unconventional manuscripts from the family archives. In *Louis L'Amour's Lost Treasures Volumes 1*, Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels and treatments that his father was never able to publish during his lifetime. L'Amour's never-before-seen first novel *No Traveller Returns* faithfully completed for this program is a voyage into danger and violence on the high seas. These exciting publications will be followed by *Louis L'Amour's Lost Treasures Volume 2*. Additionally, many beloved classics will be rereleased with an exclusive *Lost Treasures* postscript featuring previously unpublished material including outlines, plot notes and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.
