Had She But Known Charlotte MacLeod, 2016-12-06 Before Agatha Christie there was America's Mistress of Mystery This is the story of her life and creative legacy from the butler who did it to Batman In the decades since her death in 1958 master storyteller Mary Roberts Rinehart has often been compared to Agatha Christie But while Rinehart was once a household name today she is largely forgotten The woman who first proclaimed the butler did it was writing for publication years before Christie's work saw the light of day She also practiced nursing became a war correspondent and wrote a novel The Bat that inspired Bob Kane's creation of Batman Born in Allegheny City Pennsylvania before it was absorbed into Pittsburgh and raised in a close knit Presbyterian family Mary Roberts was at once a girl of her time dutiful God fearing loyal and a quietly rebellious spirit For every hour she spent cooking cleaning or sewing at her mother's behest while her frail younger sister had fun Mary eked out her own moments of planning dreaming and writing But becoming an author wasn't on her radar yet Bestselling mystery writer Charlotte MacLeod grew up on Rinehart's artfully crafted novels such as the enormously successful The Circular Staircase cozies before the concept existed After years of seeing Christie celebrated and Rinehart overlooked MacLeod realized that it was time to delve into how this seemingly ordinary woman became a sensation whose work would grace print stage and screen From Rinehart's grueling training as a nurse and her wartime interviews with a young Winston Churchill and Queen Mary to her involvement with the Blackfoot Indians and her work as doctor's wife mother of three playwright serialist and novelist this is the unforgettable story of America's Grande Dame of Mystery

Burkhalter, 2010-12 History Romance Destiny The Third Novel in the Trilogy Dr John Burel's great grandson John Harrison was a toddler when his family pioneered from South Carolina to Mississippi. As a youngster he proudly helped his family bellwether the Civil War and rebirth of the New South. By the early 1900s he was a prosperous farmer and landowner. Time passed quickly and too soon he was an old man. Join Grandpa and feel the biting north wind as he shuffled onto the front porch cupped his hands around his mouth and shouted It's hog killing day. Watch the bustling families rush toward the big house to slaughter enough hogs to carry them through the winter. Summer finally arrived and brought old time gospel singing and preaching to their country church on the hill. Mama rose early on Sunday morning and filled her basket with fried chicken biscuits baked sweet potatoes and fried apple pies. After preaching there was going to be another dinner on the ground. Everyone was excited. Without a doubt those were the good years. But all that changed. Walk down the dismal road with the Burrell family as they helplessly watched the reckless Roaring Twenties and Great Depression bring a flourishing economy and their comfortable lifestyle to a grinding halt. Feel Grandpa's pain and humiliation when the bank called in his Deed of Trust and he was forced to sell his last 640 acre farm and home for a few dollars. Sit for awhile and listen to his grandson Cecil Allen Burrell The Man Himself as his thought provoking stories detail how they all survived those disastrous years. With their eyes on the future John Harrison's children and grandchildren navigated their way back into prosperity and eventually reclaimed their part of the American dream the same dream brought to America by their Great3 Grandfather Dr Jean Baptiste Elz ar Burel in 1778 Life Through the Seasons John Comer, 2009-02 There was a time when life seemed simple and not so complicated. In Life through the Seasons author John Comer reflects on those times. In this personal memoir he describes life through the eyes of a farm boy growing up in rural Missouri during the 1940s and 1950s. His family of eight two parents and six children lived from season to season always preparing for the next. Comer tells of life before electricity running water and television while describing his family's relationships traditions and values. Most importantly he recounts how his modest upbringing contained all of the essential experiences for life health and happiness which included Christian spirituality honesty respect and hard work. In this evocative narrative Comer has captured the flavor of the time and has brought it to life. Sometimes tried and tested his family learned to value the troubling times as well as the good Faith and

determination formed the foundation of his being Life through the Seasons illustrates those simpler times This book has been enjoyed by people who grew up in the 40s and 50s It makes a great gift at Christmas birthdays and on Mother s and Father s Day **A Refuge from the Storm** Douglas K. placed him in the care of a sadistic pedophile teacher and Daniel spent the next 3 years of his life being sexually and physically assaulted. Threatened and silenced, young Daniel's behavior deteriorated and his family was asked to leave the community. Daniel and his family moved back to the Hare Krishna temple in Finland where, after brief attendance at a local public school, Daniel was sent alone to the Hare Krishna boarding school in Mayapur, India. There, Daniel was again subjected to sexual and physical abuse, this time at the hands of older students. *My Karma My Fault* takes us through the rest of Daniel's anguished childhood and teenage years, probes his innocent faith and the loss of it, and brings us into his adulthood where he finally finds normalcy and at least a measure of peace. It took Daniel years to get to the point where he could write this book and two years to compose it. It is not the story of a victim but of one who has survived. *The Horsieman* Duncan Williamson, 2012-12-10

Duncan Williamson was the son, grandson, and great grandson of nomadic tinsmiths, basket makers, pipers, and storytellers. In this book, he describes his life as a traveller with verve, candour, and intimacy, recounting a childhood spent on the shores of Loch Fyne, work on the small hill farms in the summer, walking with barrows and prams, and later with horse and cart, the length and breadth of Scotland. He recalls camping with hundreds of traveller families from the 1940s to the 1960s, his marriage to his cousin Jeanie Townsley, and all the various traditional skills and arts which must be perfected for a man to maintain his family adequately. *The Horsieman* is the story of traditions long vanished, of traveller trades of building tents, of routes travelled, and traditional camping sites, of stories, songs, music, and cures which have been the heritage and tradition of travelling people in Scotland through the ages. Set mainly in Argyll, Tayside, and all stations in between, Duncan Williamson's story is told with great warmth and humour, and in the inimitable style of one Scotland's master storytellers.
