Longman Idioms Dictionary:

Longman Idioms Dictionary Karen Stern, Della Summers, 1998 Tearing your hair out over idioms Feel like you're always in the dark Don't worry you can't go wrong with the Longman Idioms Dictionary Longman American Idioms Dictionary, 1999

Longman Dictionary of English Idioms Thomas Hill Long, 1979-01 A complete and easy to use guide to English idioms With its detailed analysis of over 4500 idioms the Longman Dictionary of English Idioms provides the advanced learner with an indispensable reference tool *Longman Pocket Idioms Dictionary* Longman, 2001 *The Longman Dictionary of English Idioms* Thomas Hill Long, 1979 **Longman Pocket Idioms Dictionary** Della Summers, 2002-03 The Longman Pocket Idioms Dictionary focuses on over 3000 common idioms It covers frequently used similes and metaphorical idioms with easy to understand meanings as well as more obscure phrases The dictionary also provides definitions for many compound nouns that are idioms Entries may include variations of the main form opposites and related adjectives and nouns An idioms quiz and several blank pages for notes are found at the back of the dictionary Features Over 3000 idioms Clear and easy definitions Thousands of examples showing real usage A unique Activator section visually organizes similar idioms

The Longman Dictionary of Spanish Grammar and Idioms André O. Hurtgen, 1991 **English Dictionaries for Foreign Learners** Anthony Paul Cowie, 2002 This is the first history of dictionaries of English for foreign learners from their origins in Japan and East Asia in the 1920s to the computerized compilations of the present Monolingual dictionaries for foreign speakers were a revolutionary development at their outset and now represent a coming together of intellectual technological and commercial forces almost unequalled in book publishing As the author shows the early history of EFL dictionaries was research driven arising directly from research in linguistic theory and language pedagogy now it is user driven determined by what users require or are thought to require The pioneering dictionaries were the work of individuals Current dictionaries are the products of huge databases manipulated by sophisticated processing as publishers strive to share an immense and ever growing global market The book has both a thematic and a chronological structure Three chapters describe the historical sequence over a period of some sixty years These alternate with chapters dealing with phraseology computers and corpus linguistics and research into dictionary users and uses three subjects central to the development of ELT dictionaries over the last thirty years Anthony Cowie examines the way in which availability of massive computing power has transformed the recording and analysis of current speech and shows how the growth of research into the users and uses of dictionaries has led to developments both in ELT lexicography and method This readable and non technical account is directed at professionals in applied linguistics and English language teaching and at lexicographers but it will fascinate everyone concerned with the analysis of English and faced with the challenge of recording the subtleties of its grammar and meaning

The Longman Dictionary of French Grammar and Idioms André O. Hurtgen, 1991 *A Syntactic Study of Idioms* Anna Dąbrowska, 2018-09-30 Since the general tendencies of present day English focus more on idiomatic usage it seems to

be worth paying attention to the role phraseological units play in a language In the field of English phraseology linguists have shown a constant interest in idioms Undoubtedly not only are idioms an important part of the language and culture of the society but they also carry more impact than non idiomatic expressions because of their close identification with a particular language and culture It is difficult to speak or write English without using idioms especially while describing one's emotional or mental condition Therefore it is interesting and worthwhile to analyse both the language of phraseological units and emotions In other words this book focuses not only on idioms but also on one's psychological condition However its purpose is neither to discuss the issues of idioms and emotions from the psychological point of view nor provide a conceptual analysis of emotional metaphors Instead the book analyses idioms referring to psychological states in English from the perspective of syntax focusing particularly both on the syntactic structure of this specific set of verbal psych idioms and on the constraints on the way they are built Therefore the most current studies performed within the scope of the Phase Theory and the Idioms as Phases Hypothesis are chosen to address certain syntactic problems that idioms pose

Idioms in English Jürg Strässler, 1982

Food and Drink Idioms in English Laura Pinnavaia, 2019-01-10 Idioms carry an aura of mystery for all speakers owing to the discrepancy between their literal and non literal meanings This book clears up some of these ambiguities by examining a series of expressions that have derived from the most instinctive and essential of all human behaviour eating and drinking The quantity and quality of 276 food and drink idioms are explored investigating two hundred and fifty years of English monolingual lexicography and forty years of usage as attested by contemporary linguistic corpora The examination of these idioms syntactic semantic pragmatic historical social and cultural characteristics will foster in speakers a whole new approach to idiom comprehension and usage and will constitute thought provoking ground for further research in other idiom domains

From Words to Fixed Expressions Ewa Komorowska, Magdalena Lisiecka-Czop, Danuta Stanulewicz, 2025-07-14 The volume examines lexical and idiomatic phenomena in various Indo European languages covering a wide range of linguistic and interdisciplinary studies while addressing both single language issues and contrastive perspectives The key topics include vocabulary and in particular phraseology in Slavic Germanic and Romance languages across different areas of linguistic communication It explores the role of vocabulary in general as well as in therapeutic and specialised communication e.g. mathematical or mathematically motivated phraseology and legal terminology and in language acquisition The volume also concentrates on proverbs and idiomatic expressions

Teaching Language Arts to English Language Learners Anete Vásquez, Angela L. Hansen, Philip C. Smith, 2010-11-24 Examines the challenges that English language learners face and offers educators practical suggestions on how they can help their students learn English reading writing grammar and vocabulary as well as build their speaking listening and viewing skills

The Routledge Handbook of Cognitive Linguistics Wen Xu, John R. Taylor, 2021-06-03 The Routledge Handbook of Cognitive Linguistics provides a comprehensive introduction and essential reference work to cognitive linguistics It encompasses a wide range of

perspectives and approaches covering all the key areas of cognitive linguistics and drawing on interdisciplinary and multidisciplinary research in pragmatics discourse analysis biolinguistics ecolinguistics evolutionary linguistics neuroscience language pedagogy and translation studies The forty three chapters written by international specialists in the field cover four major areas Basic theories and hypotheses including cognitive semantics cognitive grammar construction grammar frame semantics natural semantic metalanguage and word grammar Central topics including embodiment image schemas categorization metaphor and metonymy construal iconicity motivation constructionalization intersubjectivity grounding multimodality cognitive pragmatics cognitive poetics humor and linguistic synaesthesia among others Interfaces between cognitive linguistics and other areas of linguistic study including cultural linguistics linguistic typology figurative language signed languages gesture language acquisition and pedagogy translation studies and digital lexicography New directions in cognitive linguistics demonstrating the relevance of the approach to social diachronic neuroscientific biological ecological multimodal and quantitative studies The Routledge Handbook of Cognitive Linguistics is an indispensable resource for undergraduate and postgraduate students and for all researchers working in this area *ReJoycing Rosa Bollettieri Bosinelli, Harold F. Mosher Jr., 2021-05-11* In this volume the contributors a veritable Who's Who of Joyce specialists provide an excellent introduction to the central issues of contemporary Joyce criticism **Bilingual Lexicography from a Communicative Perspective** Heming Yong, Jing Peng, 2007-06-27 This stimulating new book as the premier work introducing bilingual lexicography from a communicative perspective is launched to represent original thinking and innovative theorization in the field of bilingual lexicography It treats the bilingual dictionary as a system of intercultural communication and bilingual dictionary making as a dynamic process realized by sets of choices characterizing the overall nature of the dictionary It examines the dictionary and dictionary making by using a model of lexicography which stresses the three way relationship of compiler dictionary context and user and incorporates them into a unified coherent framework Throughout the study special focus is on English and Chinese bilingual lexicography It will serve not only as a valuable guide to those interested in dictionary compilation and theoretical inquiries but also as a textbook for undergraduate and postgraduate courses in bilingual lexicography Idiomatic Creativity Andreas Langlotz, 2006-01-01 This book revisits the theoretical and psycholinguistic controversies centred around the intriguing nature of idioms and proposes a more systematic cognitive linguistic model of their grammatical status and use Whenever speakers vary idioms in actual discourse they open a linguistic window into idiomatic creativity the complex cognitive processing and representation of these heterogeneous linguistic constructions Idiomatic creativity therefore raises two challenging questions What are the cognitive mechanisms that underlie and shape idiom representation How do these mechanisms define the scope and limits of systematic idiom variation in actual discourse The book approaches these problems by means of a comprehensive cognitive linguistic architecture of meaning and language and analyses them on the basis of corpus data from the British National

Corpus BNC Therefore Idiomatic Creativity should be of great interest to cognitive linguists phraseologists corpus linguists advanced students of linguistics and all readers who are interested in the fascinating interplay of language and cognitive processing This book has a companion website www.idiomaticcreativity.ch

Longman Idioms Dictionary Introduction

In today's digital age, the availability of Longman Idioms Dictionary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Longman Idioms Dictionary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Longman Idioms Dictionary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Longman Idioms Dictionary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Longman Idioms Dictionary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Longman Idioms Dictionary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Longman Idioms Dictionary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Longman Idioms Dictionary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Longman Idioms Dictionary books and manuals for download and embark on your journey of knowledge?
