## Look Around Whales:

**Never Look Back** Marilyn Parman, 2010-04-01 NEVER LOOK BACK is the author's first book. It is a fictionalized memoir most of which is based on actual events in her life and which has been riddled with tragedies, abuse, and crime against her family as well as extreme crime against two of her daughters and against her mother who was murdered. Her husband dies in the end, the crowning blow to her character Marion Whitehead. However, Marion restructures her life and enters the music business again as a virtuoso soloist and chamber ensemble musician primarily after thirty years in retirement due to her latent guilt relative to her daughter's being kidnapped while Marion was on her concert tour. *The Ocean's Gift* Celeste Mayfield, 2014-09-30 Olivia Duncan lives a boring, ordinary life. She is home schooled along with her best friend Conner. Her social activities are limited to Conner and his grandmother Gerdie who just happens to be their teacher. Her father died before she even got to know him. Her single mother Ann Marie is the local doctor and has no desire to have a life outside of the clinic. Her worst fears come to light when she hears screams and wails that wake her from her sleep. When she goes to investigate the noises, she comes across a fishing boat at the source of the sounds. Poachers are thick in this area of the bay and she doesn't have to guess what these men are up to. Out here in the middle of the night, Olivia and her best friend Conner come across a bloody scene the next day while out for a walk. She knows where the blood came from and as she describes the scene to him, a fear bubbles up inside of her. Olivia doesn't ask the question that's been burning in her mind: Conner and his family have been in the fishing business for over three generations. They supply fresh sea food to the local restaurants in town but they also kill larger game for profit. When an abandoned beluga appears while Olivia is sitting on the dock, they both find a friendship worth fighting for. The friendship that they share over the next three years is filled with laughter, fun, amazement, and danger. When Olivia is forced to move, she must leave all hope behind of ever seeing the beluga again. Never in her wildest dreams did she think that the beluga could find her once more. When the beluga appears with her new pod, Olivia realizes that this is her second chance. She calls in a specialist to help her as she fights to keep them all safe and alive. Olivia Duncan is an ordinary girl who lives an ordinary life but finds the chance to save an extraordinary gift. **The Museum of Whales You Will Never See** A. Kendra Greene, 2020-05-12 Filled with charming illustrations, this delightful book about Iceland's 265 museums is as quirky and mesmerizing as the country's dreamscape itself. Forbes. Mythic creatures, natural wonders, and the mysterious human impulse to collect are on beguiling display in this poetic tribute to the museums of an otherworldly island nation for readers of *Atlas Obscura* and fans of the Mutter Museum, the Morbid Anatomy Museum, and the Museum of Jurassic Technology. Iceland is home to only 330,000 people, roughly the population of Lexington, Kentucky, but more than 265 museums and public collections. They range from the intensely physical like the Icelandic Phallogological Museum which collects the penises of every mammal known to exist in Iceland to the vaporously metaphysical like the Museum of Icelandic Sorcery and Witchcraft which poses a particularly Icelandic problem: How to display what can't

be seen In *The Museum of Whales You Will Never See* A Kendra Greene is our wise and whimsical guide through this cabinet of curiosities showing us in dreamlike anecdotes and more than thirty charming illustrations how a seemingly random assortment of objects a stuffed whooper swan a rubber boot a shard of obsidian a chastity belt for rams can map a people's past and future their fears and obsessions The world is chockablock with untold wonders she writes there for the taking ready to be uncovered at any moment if only we keep our eyes open **Love and Whales** Dawn Anderson,2013-08-13 A lovestory set in the early to mid 1800 s in historic Sandwich MA The story evolves around the whaling industry of the time

**The Whale in the Cave** Mike Avitabile,2018-01-30 Have you ever looked up at the sky and wondered if it was really the layer between us and the rest of the universe What if it was the other way around but we've been lied to all this time what if going up is actually going inside the Earth and going down is going out Luke Balena a dopey impressionable 26 year old is standing on the edge of a hidden cave in the Malibu forest revisiting a stoned conversation with his friend Wolf before he mysteriously disappeared three days earlier Is he down there now joyously exploring an uncharted dimension With nothing to lose Luke prepares to climb in and find out for himself But first one more hit Unpredictable and unforgettable *The Whale in the Cave* is Mike Avitabile at his deadpan peak a whimsical mesmerizing and hilarious satire on the consequences of believing in anything

**Whale Talker** Mike Axelrod, **The Walking Whales** J. G. M. Hans Thewissen,2019-04-29 A first person account of the discoveries that brought to light the early fossil record of whales As evidenced in the record whales evolved from herbivorous forest dwelling ancestors that resembled tiny deer to carnivorous monsters stalking lakes and rivers and to serpentlike denizens of the coast Thewissen reports on his discoveries in the wilds of India and Pakistan weaving a narrative that reveals the day to day adventures of fossil collection enriching it with local flavors from South Asian culture and society Dust jacket flap *Who Hunts the Whale* Laura Kate Dale,Jane Aerith Magnet,2023-02-16 Supremacy

People of the Whale Linda Hogan, 2025-04-25. With her unparalleled gifts for truth and magic, Linda Hogan reinforces my faith in reading, writing, living. Barbara Kingsolver, *Raised in a remote seaside village*. Thomas Witka just marries Ruth, his beloved since infancy. But an ill-fated decision to fight in Vietnam changes his life forever. Cut off from his Native American community, he fathers a child with another woman. When he returns home a hero, he finds his tribe in conflict over the decision to hunt a whale, both a symbol of spirituality and rebirth and a means of survival. In the end, he reconciles his two existences only to see tragedy befall the son he left behind.

*Song of the Whale* Sunil MS, 1901. There is a whale in the city of Bangalore and only the Listeners can hear it. The Wanderer, a man suffering from dissociative amnesia, is sucked into this secret world of the Listeners and joins their search for the mysterious whale. He is unable to hear the song of the whale that beckons the Listeners every night. Filled with longing for the music, the Wanderer finds strange new friendships and love in this bizarre world of the Listeners. But the world he has built sits on the shoulder of a lie. Caught between the impenetrable wall of his past and the promise of a future, he turns to the Song of the Whale to set him free.

Mitzoda, 2021-07-07 Life can be a conscious voyage on the sea of dreams surfing the waves of love This book is a response to the calling of my soul who longed to tell her story which might inspire people to open up to live their story according to their own inner wisdom Our soul keeps us constantly connected to the Source and you might already have your preferred way of communicating with it Whether through prayer meditation dreaming or by listening to intuition body awareness breath flow the language of nature or the magic of synchronicity everyone has access to their guidance within We all carry a unique gift we have come here to develop and that makes each being an original work of art While we live we are fully responsible for our mental physical emotional and spiritual condition We were born into a specific body and background potentially aware of how on a deeper level everything is interconnected at the level of body soul humanity our planet and the universe at large Creating this book has become a three year journey of healing self acceptance and increasing awareness of the uniqueness of my own journey Where is the place on Earth where I am supposed to be I asked myself a few years ago During that time my natural desire to grow my awareness on the path to mastery in being myself attracted many kindred spirits who whom we support each other We enjoy being and living this mystery together The dream of our soul holds the idea of what it wants to experience and create for ages and across lifetimes The task of our human self is to open up to this big dream of the soul and allow it to reconcile anything that is not aligned with this great soul s intent in our current life Each of us moves within the flow of life as an endless experiment Collectively we are on Earth in the middle of a war for our consciousness and energy The only way out of the chaos is through higher vibrational states of being such as love peace and joy It all starts with our thoughts emotions words and actions Let s not wait for any savior to tell us what to do Instead let s turn inward To the truth about the light of the Source which is our essence Let s anchor in the awareness that we are love and thus allow our body to radiate it in the form of light outside of us A few years ago I had a dream in which I was presented with a list of values that will be fundamental on Earth in the future I missed humanity among them Our soul heart empathy and humanness these qualities are now needed more than ever before As the old structures of the outside world fall apart and we are seemingly constrained by restrictions we are presented a life chance to immerse ourselves inside and by consciously sailing the endless sea of dreams on the waves of love to return to our essence which is crystal clear love Only when we harmonize within may the outside world change The game we play here therefore begins and ends inside each of us      *Moby Dick* Herman

Melville, 1902      **The Cultural Lives of Whales and Dolphins** Hal Whitehead, Luke Rendell, 2022-12-22 An astonishing unconstrained exploration of the nature and practice of cetacean culture a revolutionary book Philip Hoare author of *The Whale* In the songs and bubble feeding of humpback whales in young killer whales learning to knock a seal from an ice floe in the same way their mother does and in the use of sea sponges by the dolphins of Shark Bay Australia to protect their beaks while foraging for fish we find clear examples of the transmission of information among cetaceans Just as human cultures

pass on languages and turns of phrase tastes in food and in how it is acquired and modes of dress could whales and dolphins have developed a culture of their very own Unequivocally yes In *The Cultural Lives of Whales and Dolphins* cetacean biologists Hal Whitehead who has spent much of his life on the ocean trying to understand whales and Luke Rendell whose research focuses on the evolution of social learning open an astounding porthole onto the fascinating culture beneath the waves As Whitehead and Rendell show cetacean culture and its transmission are shaped by a blend of adaptations innate sociality and the unique environment in which whales and dolphins live Drawing on their own research as well as a scientific literature as immense as the sea including evolutionary biology animal behavior ecology anthropology psychology and neuroscience Whitehead and Rendell dive into realms both humbling and enlightening as they seek to define what cetacean culture is why it exists and what it means for the future of whales and dolphins And ultimately what it means for our future as well

Baird, 2016-11-30 Ocean currents winds and rainfall all work together to create a marine oasis around the Hawaiian Islands providing a home for many species of dolphins and whales normally found in the deep oceans of the world *The Lives of Hawai'i's Dolphins and Whales* opens a window into the world of these mysterious creatures with stories and observations from author Robin W Baird's work over the last seventeen years The book includes exceptional full color photographs of each species life history descriptions conservation threats and maps showing sighting locations and movements of tagged individuals among the islands and offshore While the well known resident spinner dolphins and visiting humpback whales are

covered the ten species of lesser known open ocean dolphins and whales that are resident to the marine slopes of the islands are highlighted as well. Among these are endangered false killer whales, deep diving Cuvier's and Blainville's beaked whales, abundant spotted dolphins, coastal bottlenose dolphins, cryptic dwarf sperm whales, family units of short finned pilot whales, and social melon-headed whales. Baird also describes thirteen species of dolphins and whales that are found in offshore waters or are seasonal or occasional visitors to Hawaiian waters, including killer whales, the iconic sperm whale, and even blue whales and North Pacific right whales. More is known about the social organization and natural history of many of these marine mammals in Hawaii than anywhere else in the world. For all of the species discussed, Baird presents data obtained from long-term photo identification studies with distinctive individuals tracked through time and space. For many of them, he includes findings from studies using genetics and satellite tagging. He also provides information on predators and prey, social organization, diving, and night-time behavior, along with suggestions on how to tell some of the more difficult-to-identify species apart. The book closes by focusing on conservation issues, both success stories and challenges, engaging readers to consider ways to protect Hawaii's unique assemblage of resident dolphins and whales.

Look Around Whales: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Look Around Whales : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Look Around Whales : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
