Looking for Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the invisibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy [Looking for Other Worlds](#)

MY FIRST LOVE -STORY BOOK Fred Kabogoza,2013-06-04 This is book has been written depending on the situation that people go through when they are dating for the first time How do they

react when they have seen their first cut Buy it and Read more *The beautiful and the dark side of a love story* Adrian Gabriel Dumitru, The book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of an abstract love or an imposible story is to enjoy only the beauty of what is going on The 2 people from the essays get lost so many times that not even the people around them can t see if the story itself is real or not But it s all a journey of accepting the beautiful and the dark side from the person that you love so much After the first period when you are blinded by love it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections the same has also that magic person that you fall in love with It s a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on The nice part is that the book is not a collection of imaginary stories but essays that talks about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one Today you are happy tomorrow you are not and the essays describes this in a very honest but also beautiful way all those amazing moments spent together [A Very Accidental Love Story](#) Claudia Carroll,2019-01-15 An original funny and
