

Albert Fennema, Chairman of the Texas City Committee, a confidential Texas-Asian relations and international-affairs research team organized. Fennema left his home in Tyler for Texas City, a hub of industrial oil-refining companies and famed for the writings of one Karl Marx, who interpreted along with many Germans and Chinese in the Republic of China in 1938. In 1940, in response to a report of support by state and federal government in the form of a year reported by the Committee National and government industrial funding towards Texas cities in New East Texas and Louisiana, Fennema arranged a meeting in the movement to establish what became known as the Texas City Committee in 1950. Louisiana In The Confederacy

Clement Anselm Evans

Louisiana In The Confederacy:

Louisiana in the Confederacy Jefferson Davis Bragg, 1997 In this study the author examines the economic political and military history of Confederate Louisiana which has frequently been overlooked due to the early fall of New Orleans which severed the port and its environs from the social and economic problems made acute by a year of war Guide to Louisiana Confederate Military Units, 1861-1865 Arthur W. Bergeron, Jr., 1996-10-01 Bergeron has produced a book essential to the serious Confederate scholar Journal of American History In Guide to Louisiana Confederate Military Units Arthur W Bergeron Jr examines the 111 artillery cavalry and infantry units that Louisiana furnished to the Confederate armies No other reference has the complete and accurate record of Louisiana s contribution to the war For each unit Bergeron provides a brief account of its war activities including battles losses and dates of important events He also lists the units field officers the companies in each regiment or battalion and the names of company commanders This book should serve as a model for studies of other states in the Civil War Military History of the Southwest **The Civil War in Louisiana** John D. Winters, 1991-08-01 This comprehensive history fills an important gap in the story of the Civil War Too often the war waged west of the Mississippi River has been given short shrift by historians and scholars who have tended to focus their attention on the great battles east of the river This book looks in detail at the military operations that occurred in Louisiana most of them minor skirmishes but some of them battles and campaigns of major importance The Civil War in Louisiana begins with the first talk of secession in the state and ends with the last tragic days of the war John D Winters describes with great fervor and detail such events as the fall of Confederate New Orleans and the burning of Alexandria In addition to military action Winters discusses the political economic and social aspects of the war in Louisiana His accounts of battles and the men who waged them provide a fuller story of Louisiana in the Civil War than has ever before been told **Louisiana in the Civil War** Louisiana Civil War Centennial Commission, 1961 Louisianians in the Western Confederacy Stuart Salling, 2014-01-10 The Louisiana Brigade served the Confederacy in the Army of Tennessee battling on the western frontier Commanded by Daniel W Adams and Randall L Gibson the brigade fought from the Battle of Shiloh in April 1862 to the surrender at Meridian in May 1865 This volume follows the formation and history of the individual units the politics of command and the war s end and aftermath **Louisianians in the Civil War** Lawrence L. Hewitt, Arthur W. Bergeron, 2002 Louisianians in the Civil War brings to the forefront the suffering endured by Louisianians during and after the war hardships more severe than those suffered by the majority of residents in the Confederacy The wealthiest southern state before the Civil War Louisiana was the poorest by 1880 Such economic devastation negatively affected most segments of the state s population and the fighting that contributed to this financial collapse further fragmented Louisiana s culturally diverse citizenry The essays in this book deal with the differing segments of Louisiana s society and their interactions with one another Louisiana was as much a multicultural society during the Civil War as the United States is today One manner in

which this diversity manifested itself was in the turning of neighbor against neighbor This volume lays the groundwork for demonstrating that strongholds of Unionist sentiment existed beyond the mountainous regions of the Confederacy and to a lesser extent that foreigners and African Americans could surpass white native born Southerners in their support of the Lost Cause Some of the essays deal with the attitudes and hardships the war inflicted on different classes of civilians sugar planters slaves Union sympathizers and urban residents especially women while others deal with specific minority groups or with individuals Written by leading scholars of Civil War history Louisiana in the Civil War provides the reader a rich understanding of the complex ordeals of Louisiana and her people Students scholars and the general reader will welcome this fine addition to Civil War studies Publishers website *Trust and Go Forward* United Daughters of the Confederacy. Louisiana Division,1967* **History of the Louisiana Division, United Daughters of the Confederacy** United

Daughters of the Confederacy. Louisiana Division,Alice Morse Terrell,1934 *Louisiana in the Civil War* Terry L. Jones,2015-06-24 April 2011 marked the 150th anniversary of the attack on Fort Sumter South Carolina and the beginning of the American Civil War It also marked the beginning of a monthly column by historian Terry L Jones This book is a compilation of his fascinating articles describing war related events between April 1861 and May 1865 Louisiana s role in the war was critical It provided sixty five thousand soldiers to the Confederacy and about half that many to the Union including nearly twenty four thousand African Americans some of whom formed the first sanctioned black regiment in the U S Army Many prominent participants of the war hailed from Louisiana The state also was the scene of approximately six hundred battles and skirmishes Among them were some of the war s most crucial engagements that secured the Mississippi River for the Union Jones writes for the general reader covering a wide assortment of interests from Civil War trivia to biographical sketches battle scenarios African American history politics and the home front Vibrant and engrossing this book is certain to surprise you while fostering an appreciation of Louisiana s participation in this key chapter of the nation s history *The Civil War in Louisiana* John David Winters,1985 **Louisiana, 1861-1961, Civil War Centennial** ,1961 **The Civil War in Louisiana: The Home front** Arthur W. Wilson's Creek William Garrett Piston,Richard W. Hatcher, III,2004-08-01 In the summer of 1861 Americans were preoccupied by the question of which states would join the secession movement and which would remain loyal to the Union This question was most fractious in the border states of Maryland Kentucky and Missouri In Mi **The Red River Campaign of 1864 and the Loss by the Confederacy of the Civil War** Michael J. Forsyth,2015-07-11 The Union Army s Red River Campaign began on March 12 1864 with a two pronged attack aimed at gaining control of Shreveport Louisiana It lasted until May 22 1864 when after suffering significant casualties the Union army retreated to Simmesport Louisiana The campaign was an attempt to prevent Confederate alliance with the French in Mexico deny supplies to Confederate forces and

secure vast quantities of Louisiana and Texas cotton for Northern mills With this examination of Confederate leadership and how it affected the Red River Campaign the author argues against the standard assumption that the campaign had no major effect on the outcome of the war In fact the South had and lost an excellent opportunity to inflict a decisive defeat that might have changed the course of history With this campaign as an ideal example the politics of military decision making in general are also analyzed **Trust and Go Forward** United Daughters of the Confederacy. Louisiana Division,1967 **The Red River Campaign and Its Toll** Henry O. Robertson,2016-04-13 The Red River Campaign in the spring of 1864 was one of the most destructive of the Civil War The agricultural wealth of the Red River Valley tempted Union General Nathaniel P Banks to invade with 30 000 troops in an attempt to seize control of the river and confiscate as much cotton as possible from local plantations After three months of chaos during which the countryside was destroyed and many slaves freed themselves Banks was defeated by a smaller Confederate force under General Richard Taylor This book takes a fresh look at the fierce battles at Mansfield and Pleasant Hill the Union army s escape from Monett s Ferry and the burning of Alexandria and explains the causes and consequences of the war in Central Louisiana *Confederate Military History* Clement Anselm Evans,1899

The Postal Service of the Confederate States of America August Dietz,1929 US postal history during Secession War postage stamps postmarks cachets stamp printing forgeries postal services for prisoners of war stationery **Louisiana** John Dimitry,2025-03-07 A large slaveholding State Louisiana left the Union on January 26 1861 and after a brief period of indepenence joined the Confederacy John Dimitry member of a distinguished Louisiana family has written a comprehensive history of both the political climate in the State leading to the decision to secede and the military activities within the State during the Civil War or by Louisiana regiments on battlefields all along the Confederate Union front The author begins his chronicle of the war years with a description of events in Louisiana after the firing upon Fort Sumter Louisianians at Pensacola from Vicksburg to Baton Rouge by General Breckinridge the Campaign on the Lafourche the Battle of Labadieville the daring exploits of the Gunboat Cotton on the Teche River fighting on the Fordoche and Bayou Bourbeau the Battle of Mansfield and the Battle of Yellow Bayou This reprinting contains the Louisiana section of a volume originally published in 1960 as Louisiana and Arkansas Confederate Military History edited by Gen Clement A Evans
