The Cute and the Cool Gary Cross, 2004-04-01 The twentieth century was by any reckoning the age of the child in America Today we pay homage at the altar of childhood heaping endless goods on the young reveling in memories of a more innocent time and finding solace in the softly backlit memories of our earliest years We are the proclamation goes just big kids at heart And accordingly we delight in prolonging and inflating the childhood experiences of our offspring In images of the naughty but nice Buster Brown and the coquettish but sweet Shirley Temple Americans at mid century offered up a fantastic world of treats toys and stories creating a new image of the child as cute Holidays such as Christmas and Halloween became blockbuster affairs vehicles to fuel the bedazzled and wondrous innocence of the adorable child All this Gary Cross illustrates reflected the preoccupations of a more gentle and affluent culture but it also served to liberate adults from their rational and often tedious worlds of work and responsibility But trouble soon entered paradise The cute turned into cool as children following their parental example embraced the gift of fantasy and unrestrained desire to rebel against the saccharine excesses of wondrous innocence in deliberate pursuit of the anti cute Movies comic books and video games beckoned to children with the allures of an often violent sexualized and increasingly harsh worldview Unwitting and resistant

accomplices to this commercial transformation of childhood adults sought over and over again in repeated and predictable cycles to rein in these threats in a largely futile jeremiad to preserve the old order Thus the cute child deliberately manufactured and cultivated has ironically fostered a profoundly troubled ambivalence toward youth and child rearing today Expertly weaving his way through the cultural artifacts commercial currents and parenting anxieties of the previous century Gary Cross offers a vibrant and entirely fresh portrait of the forces that have defined American childhood **Love, Pray, Listen** Mary DeMuth, 2022-09-06 Love Pray Listen offers empathy and grounded biblical wisdom to help parents thrive no matter what path their adult kids take PASTOR STEVE STROOPE Wisdom and Hope for Parents of Grown Ups As a parent your role changes drastically after your kids grow up You fear heartache and strained relationships when your children choose difficult even seemingly wrong paths Love Pray Listen is the gracious practical resource you need for navigating the rocky terrain of parenting grown ups In this book mom and author Mary DeMuth answers questions like What do I do when my kids make choices that don't align with my values How do I keep communication lines open with my grown children When do I speak and when do I listen Is it possible to hold on to my joy when parenting is so hard How do I avoid the temptation of meddling in my kids lives Love Pray Listen offers a robust theology for long term parenting gleaned from the discipleship model Jesus exemplified one that carefully and thoughtfully applies his way of expressing love This is your invitation for spiritual growth and a path toward fulfilling relationships with your adult children [Orange Coast Magazine](#) ,1993-05 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle
