The Cougar Paula Wild, 2013-09-06 The Cougar is a skillful blend of natural history scientific research First Nations stories and first person accounts With her in depth research Wild explores the relationship between mountain lions and humans and provides the most up to date information on cougar awareness and defense tactics for those living working or travelling in cougar country

The Quest for the Eastern Cougar Robert Tougas, 2011-08-26 Is There This Beast In Our Midst What is it about cougars Why does this phantom of the eastern woods stimulate such passion among so many people For decades wildlife biologists have been telling us that they do not exist east of the Mississippi and yet each year there are hundreds of people claiming to have seen one Is there any truth to these claims or are they misidentifications wishful thinking or tall tales Nature writer Robert Tougas journeys deep into the world of the cougar and into the reasoning of those that believe they exist and those that do not The Quest For The Eastern Cougar Extinction or Survival is an informative voice of reason that quiets the confusion regarding the powerful predator It tells us about the cat's historic demise and alleged modern human encounters The scientific explanations as to why one ought to believe or dismiss the cougar's presence are unraveled It discusses the ultimate question whether or not cougars have survived in the East or have already left us No matter what you choose to believe cougars are likely to continue to make the news Cougars are turning up in unthinkable places these days attacks are becoming more frequent out West eastern sightings have increased and are beginning to offer better evidence We will be hearing much more about these powerful carnivores and in the not too distant future we will see more of them Are there cougars lurking in your back woodlot Is the East ready for this magnificent predator In this readable well researched book Robert Tougas has made a valuable and timely contribution to the public and scientific discourse about mountain lions in the East and the potential for their recovery This book deserves to be widely read by conservationists researchers policy makers and anyone interested in America's lion Christopher Papouchis Conservation Biologist Mountain Lion Foundation Sacramento CA Robert Tougas sheds much needed light on one of America's most

intriguing wildlife mysteries This book is for anyone whos ever wondered about the creatures that haunt our forests and our collective imagination David Baron Author *Beast In The Garden* Norton Publishing *The Beast in the Garden* David Baron,2010-10-04 The true tale of an edenic Rocky Mountain town and what transpired when a predatory species returned to its ancestral home When in the late 1980s residents of Boulder Colorado suddenly began to see mountain lions in their yards it became clear that the cats had repopulated the land after decades of persecution Here in a riveting environmental fable that recalls Peter Benchley s thriller *Jaws* journalist David Baron traces the history of the mountain lion and chronicles Boulder s effort to coexist with its new neighbors A parable for our times *The Beast in the Garden* is a scientific detective story and a real life drama a tragic tale of the struggle between two highly evolved predators man and beast **Beyond the City Limits** R.W. Sandwell,2011-11-01 Historians have not usually identified British Columbia as a rural province B C historiography has been dominated by mining logging and fishing and theorized within the context of large scale laissez faire capitalism and economic individualism Silences in the historical record have exacerbated this situation and lent tacit support to the dominance of resource based capitalism as the shaping force in B C history The essays in *Beyond the City Limits* all published here for the first time decisively break this silence and challenge traditional readings of B C history In this wide ranging collection R W Sandwell draws together a distinguished group of contributors who bring expertise methodologies and theoretical perspectives taken from social and political history environmental studies cultural geography and anthropology They discuss such diverse topics as Aboriginal White settler relations on Vancouver Island pimping and violence in northern BC and the triumph of the coddling moth over Okanagan orchardists to show that a narrow emphasis on resource extraction capitalist labour relations and urban society is simply not broad enough to adequately describe those who populated the province s history By challenging the dominant urban based and overwhelmingly capitalist interpretation of the province s history the provocative essays in *Beyond the City Limits* expand our understanding of what rural was and what it meant in the history of British Columbia **Life in Flip Flops** Sonja B. DeChene,2012-05-31 Cool Youre reading the back of my book which means the front caught your eye Now youre just about ready to open it up and well since I still have your attention So this is my first book a lifetime in the making And you wont find any fancy reviews by important people written here What you will see is my invitation especially for you Between the covers is an eclectic collection of true stories extracted from my life and imaginati on Its not a how to book or a dramatic tale of triumph Its simply thoughts about everyday life that most anyone can relate to yet spend little time putting much thought into This compilation of short stories wont change your life But Im pretty sure it will warm your heart make you smile and make you think you might even shed a tear or two And it just might inspire you to tweak your outlook on life just a little bit That my friend is up to you So steal a few moments for yourself and curl up with *Life in Flip Flops* And if a bon fire with smores breaks out halfway through then youre right where you need to be Enjoy **The Last Cows** Kathryn Wilder, *Juici Couture & the Suga-Hill Gang* Kenny

Attaway's,2013-12-04 juicy couture including money laundering racketeering prostitution murder and drug smuggling selling The Suga Hill Gang were very successful with first five successful retaliations on their oppressors but the sixth and seventh and supposedly last the gang stumble on the emotions of love verses hate and the deadly elements that make up HATE REVENGE resentment a broken heart confused admirations and misguided secrets that possibly separate the gang forever A must read novel on how and why revenge is never that sweet how wishing one a better life than yours is the key to true happiness

Confessions of a Scottsdale Cougar Victoria Phillips,2009-11-25 The media perceptions of a COUGAR an oversexed desperate older woman on the prowl for naive younger meat could not be more misleading Every ripened woman I know to be a real COUGAR is so diverse so deep and so much more The COUGAR today has evolved from a woman that has truly suffered to grow and mature Life has dealt her a hard blow at least once in her youth to teach her what her life's purpose is truly about Those lessons that are the most painful are the lessons we grow the most from and everything is as it should be Life has taught her with pleasure and anguish those lessons so she can discover the real mystery of life and so she as a spiritually minded soul can connect to the divine divinity of life I have been all things unholy if God can work through me he can work through anyone St Francis of Assisi So if the COUGAR has chosen a sinful lifestyle why is she so mysterious and why have so many now look upon her as the new sexual icon and matron of the mystery of life Perhaps it is from her past sins that she has grown and gained the wisdom of the purpose of life and that is what makes her the most desirable of all Lets explore the fascinating lives of COUGARS Lets get to know about these extraordinary women who fully embrace the COUGAR lifestyle What makes them so astonishing Who are they and where have they come from What lessons has life taught them to make them so amazing What have they been through and where are they going Why do they love dating younger men What keeps them so viral How did they suddenly become so successful smart sexy and powerful How do they exude such confidence Why have COUGARS become such centers of attention How have they made their middle age the new sexual icon How have these women redefined age and relationships as well as themselves And lastly what is it that makes them so astonishingly desirable
