Liberating Prayer Neil T. Anderson, 2012-02-01 If prayer is so important why is it so difficult Starting from this universal question Neil T Anderson bestselling author of *The Bondage Breaker* explores how readers can intimately connect with their loving heavenly Father looking at the confidence believers can have in taking their struggles before God and in interceding for others their release from bondage and the freedom they gain to walk in the Spirit the gracious way God leads them to love Him not His blessings *Liberating Prayer* emphasizes the life changing truth that prayer is relationship not ritual and that as already accepted children believers are free to be honest with their Father End of chapter questions are ideal for group study and help readers immediately apply what they ve learned in their own prayer lives Based on material previously released in *Praying by the Power of the Spirit*

Living Metanoia Fr. Dave Pivonka, TOR, 2021-06-04 At the very beginning of the Gospels Jesus calls us to a radical new way of life saying This is the time of fulfillment The kingdom of God is at hand Repent and believe in the gospel Mk 1 15 The word repent in Greek is metanoia but the original Greek word means much more than just repentance It means to change to turn to think differently Metanoia is not a one time event but a process and as Christians we are called to live a life of metanoia *Living Metanoia* explores what this looks like in our daily lives encouraging believers in all walks of life to go deeper in their relationship with Jesus In his down to earth approachable style Fr Dave Pivonka TOR addresses basic topics such as who Jesus actually is rather than who we think he is or who we want him to be what we need to do in order to inherit eternal life the reality of evil and our daily call to a deeper commitment to Christ Each chapter contains Sacred Scripture to give context and direction along with

reflection questions and a practical metanoia moment to help us live a life of change We all need metanoia over and over again Realizing this should be a source of hope and encouragement for only by living metanoia can we find true and lasting freedom and fulfillment in Jesus Christ ABOUT THE AUTHOR Fr Dave Pivonka TOR is the president of Franciscan University of Steubenville He has served for more than thirty years as a spiritual director retreat leader and formation director and also served as the director of Franciscan Pathways He is a well known author conference speaker and pilgrimage leader Fr Pivonka is active in the charismatic renewal and serves on the board of Renewal Ministries *The Cosmic Love Story God And Us* Rev. Robert E. Lauder, 2024-05-16 In this amazing book the author presents insights into the mystery of love both Divine and human Influenced by personalist philosophers Martin Buber Emmanuel Mounier and Gabriel Marcel by American Catholic theologians John Haught Michael Himes Bernard Cooke and Ronald Rolheiser and also by the Thomist personalist W Norris Clarke SJ Lauder reflects deeply on the mystery of God and the human person Martin Buber claimed that love was a cosmic force Lauder s vision is cosmic He has produced a book that is not only interesting and illuminating but also inspiring Readers will find themselves returning to reread their favorite chapters and researchers will find new quotes to include in their research projects One of Lauder s talents as a writer is to explore the most profound mysteries and write about them in language accessible to readers who are interested in reflecting on such mysteries as love of self love of neighbor and love of God Rather than presenting insights into the meaning and mystery of love in a way that is excessively speculative and academic Lauder s writing may challenge the intellect to incorporate the most profound truths about love into daily life The Cosmic Love Story God and Us will move readers to integrate insights into love from the book into their lives so that they choose to live as gift givers that is to say as lovers [Finding Love](#) Andrew Leslie Callander, 2021-02-17 What if the majority Christian view concerning the gospel is not only wrong but responsible for the rejection of Christian faith by so many today If your idea of the gospel is that God s fundamental disposition toward you is angry judgment but Jesus came to die on the cross to change God s mind about you then Andrew Callander wants you to know the truth God s fundamental disposition toward you and all humanity is eternal lovingkindness and the reason Jesus came was to change our minds about God In company with biblical scholars like David Bentley Hart contemplative activists like Richard Rohr and progressive thinkers like Brian McLaren Callander laments how centuries of Christian energy have been wasted determining and policing religious boundary lines He wants the reader to be assured that in Jesus Christ God has destroyed all barriers that stand in the way of our relationship with God Callander s key theme is that humanity is already enfolded within God s eternal love and that our great task is not to find God s love but awaken to the reality that the God of love has already found us and then apply this to our relationships with others and with creation *The Power of Prayer: How to Unleash God's Power in Your Life* Margaret Light, 2025-04-05 The Power of Prayer How to Unleash God s Power in Your Life explores the transformative impact of prayer in the life of a believer This book delves into the various forms of prayer from petition to intercession and emphasises the

importance of praying with purpose persistence and faith By aligning with God's will readers will learn how to invite His divine intervention into their daily lives overcome obstacles and experience spiritual growth and breakthroughs Through practical insights biblical examples and personal stories this book guides readers to unlock the full potential of prayer and witness God's power at work **Subject Guide to Books in Print** ,1991 **Library Journal** ,1995-07 Finding Freedom in Constraint Jared Patrick Boyd,2023-09-12 The constraints of the spiritual life practiced in community are what set us free and shape us into the way of Christ Re anchoring spiritual practices within monasticism religious orders and the early church fathers these six core practices from Jared Patrick Boyd form in us greater freedom to become people who love as God loves Nervous Breakthrough Christy Boulware,2023-04-11 Exhaustion and hurry aren't a badge of honor Fear and anxiety rage in our world a weight we carry producing profound physical consequences We hustle hard and strive more each day our priorities mismatched with our Savior's struggling to surrender our lives to his will We believe our superwoman tendencies are amazing when they are in fact alarming What will it take to rock the boat enough to awaken our souls A total nervous breakdown A diagnosis of severe panic and anxiety disorder answered that question for Christy Boulware Her fast paced highly driven mis prioritized life finally caught up with her Eventually she went from being superwoman to staring at guns on her bedroom floor Through her journey to recovery Christy learned how to overcome fear and anxiety in a world that feeds both emotions Whether you're on the verge of a breakdown in the middle of one or worried you're headed toward one this book will show you how a breakdown can lead to a breakthrough We have wasted enough time living in fear let's start living in freedom Through this book the reader will Lay down superwoman tendencies and discover how to fully surrender to a trustworthy God Stop anxiety before it starts by recognizing its smoke alarms Recognize ungodly thoughts and replace them before they snowball out of control Learn why the presence of fear does not mean your faith is weak Discover where science complements God's Word to achieve a balanced approach for overcoming anxiety *Growing a Courageous Heart* Wendy J.
