Love And A Wooden Spoon:

Love and a Wooden Spoon Charmaine Solomon, Dee Huxley, 1985-04-01 Includes poignant poems celebrating a wide range of special occasions recipes reminiscences and sections for recording personal thoughts *Frank Leslie's Budget*, 1884 **From Ruth's Kitchen with Love** Ruth Glasberg Gold, 2010-09-30 As a multi faceted author gracious hostess and cook Ruth has long been admired by her many friends who have been invited to her dinners One cannot forget her multi ethnic specialties among them Romanian eggplant salad Colombian Ajiaco potato soup Bukovinian Schmettentorte sour cream cake to name just a small sampling of her culinary repertoire French gastronome Jean Brillat Savarin once remarked that the discovery of a new dish does more for the happiness of the new race than the discovery of a star George Bernard Shaw also believed that there was no love more sincere than the love of food A sampling of the recipes from this book readily confirms both opinions Vladimir F Wertsman author of *What's Cooking in Multicultural America* Scarecrow Press 1996 This is an unpretentious cookbook designed for epicurean tastes It is also a tribute to the women of various ethnic backgrounds who left us the legacy of fine cuisine which I hope to pass on to future generations The majority of these recipes are from Bukovina once Northern Romania and other countries which were once part of the Austro Hungarian Empire Some of the Bukovinian dishes are almost legendary in their nostalgia Many have never before been documented and most probably have never been featured on restaurant menus I have wandered across four continents and have experienced life under monarchies communism and fascism all of which I survived These multiple acculturations were extremely difficult but had also some positive effects one of them being the acquisition of a myriad of recipes I am pleased to share with you some of them in the hope that you will enjoy this adventure as much as I did Ruth Glasberg Gold **A Brother's Love** Matthew Cubbler, 2006-02-15 One's role models in life are often found in the unexpected The person who is our confidant and hero or role model may well be a teacher parent sibling or friend who is appreciated too late For me my role model was my brother Andy who died too soon at the age of twentyone Unexpected Yes Andy's story and my own as it unfolds will tell the tale of two brothers who were each others best friend We had a childhood filled with love joy laughter and sadness Unfortunately for me I was so busy being my brother's keeper that I never realized the phenomenal human being my brother Andy had become It took Andy's death for me to realize the role model I had lost Death stole my chance ever to say thank you while Andy was alive This memoir shares the emotions of a brother's love Each of my life's accomplishments has in some way been shaped by my brother's life and the way he lived it Born with a cloud over his head Andy struggled to learn and to fit in Born with a rainbow in his heart Andy would love and be loved in a way that I finally came to understand too late This memoir is my gift of gratitude to my hero and role model May it inspire those who read it to express their appreciation to those people who have made them into who they are today In my case it is my brother who I loved more than I ever knew *A Brother's Love* is Andy's story and mine it is a love story for all ages Author's note Please visit www.abrothersloverun.org for more information
