LOVE IS AFFECTED

BY POLITICS

Love And Politics

Brian Wakeling

Love And Politics:

Love and Politics Alice Ormiston, 2012-02-01 Alice Ormiston's *Love and Politics* argues that modern politics is rooted not merely in the pursuit of power but that it is essentially underpinned by the experience of love. Hegel understood love as a principle that unites reason and emotion and self and other and that provides the foundation for a deep sense of connectedness to the world and for genuine acts of autonomy. Through an original and highly accessible interpretation of Hegel's works, Ormiston shows how the modern commitment to individual rights and freedoms can only be adequately understood by reference to the experience of love that lies at the foundation of the modern subject and its political expression in acts of conscience. Hegel's thought thus joins forces with feminist arguments for an embodied theory of the subject and for a focus on empathy in political reasoning with republican concerns about democracy and civic education and with postmodern concerns about the otherness of certain experiences and forms of knowledge. Ormiston's book offers a developed concept of the subject that can serve as a foundation for resistance to problems of our time including atomism and instrumental rationality, the ills of an unfettered capitalism and the reality of a radical evil. *Love and Politics* Jeffery L. Nicholas, 2021-06-07 In *Love and Politics* Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers. Eros in contrast is an overflowing of acting into new realities and new beauties, a world in which human beings extend their powers and senses. Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value. However, this account cannot address alienation in the form of the oppression of women or people of color. Importantly, it fails to acknowledge the domination of nature that blackens the heart of alienated life. Alienation must be seen as a separation of the human from nature. Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature, then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros. *Love and Politics: Persistent Human Desires as a Foundation for Liberation* presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism, Frankfurt School Critical Theory, and Social Reproduction Theory. It will be of great interest to political theorists and philosophers. *Love and Politics* Fiona Mackay, 2001-08-02 This volume is the first to use insights from recent feminist theory on the ethic of care to study the slow progress women have made toward political equality. Using empirical case study materials, including her own interviews with female politicians, Mackay examines care as both a political practice and a political idea, using it to explain the current situation with regard to women's representation and to offer a prescription and resource for change. *Love and Politics in the Contemporary Spanish American Novel* Aníbal González, 2010-02-01 The Latin American Literary Boom was marked by complex novels steeped in magical realism and questions of nationalism, often with themes of surreal violence. In recent years, however, those revolutionary projects of the sixties and seventies have given way to quite a different narrative vision and ideology. Dubbed the new sentimentalism

this trend is now keenly elucidated in *Love and Politics in the Contemporary Spanish American Novel* Offering a rich account of the rise of this new mode as well as its political and cultural implications Anibal González delivers a close reading of novels by Miguel Barnet Elena Poniatowska Isabel Allende Alfredo Bryce Echenique Gabriel García Márquez Antonio Skarmeta Luis Rafael Sánchez and others González proposes that new sentimental novels are inspired principally by a desire to heal the division rancor and fear produced by decades of social and political upheaval Valuing pop culture above the avant garde such works also tend to celebrate agape the love of one's neighbor while denouncing the negative effects of passion eros

Illuminating these and other aspects of post Boom prose *Love and Politics in the Contemporary Spanish American Novel* takes a fresh look at contemporary works

Of Love and Politics Tuhin A. Sinha, 2012-03-12 What happens when the political drama that unfolds in the country's corridors of power spills over to a complicated personal bond between three young people Aditya like the Congress party he belongs to tends to be elitist and aristocratic Brajesh Ranjan like his party the BJP swears by an overtly nationalist agenda and Chaitali Sen like the CPI M she represents swears by the underpowered In this page turning book set in the thick of political party manoeuvring and against the backdrop of India's nuclear deal the author writes a riveting story about love and relationships that are made and broken by the ideologies of the political parties that each of these three protagonists represent It takes a horrific incident like 26/11 to make each of them realize the shortcomings of the parties they swear by and to look at the larger picture

Love and Politics in Wartime Benedict Solomon Alper, 1992

All's Fair in Love and Politics Brian Wakeling, 2009-04-12 Inter monarchial relationships can be tricky things There are all sorts of things to consider concerning alliances succession trade and so on Not to mention security with all the travelling between two countries that will be going on it makes it easier for someone to for example kidnap someone When Queen Elspeth is abducted on a state visit to Galorndan Cullan and his companions are ordered to once again travel several hundred miles to find someone this time to rescue not to kill Although someone probably will need killing while they're in the area

Life, love, and politics; or The adventures of a novice S Sparrow Derenzy, 1825 *Love and Politics* Luis I. J. Stadelmann, 1992 *The Iowa Journal of History and Politics*, 1903 Iowa Journal of History and Politics Benjamin Franklin Shambaugh, 1918
