**The Potter's Hands: A 366-Day Journey to Knowing God** Jason Lawson, 2021-11-16 The day Jason Lawson's stress reached a tipping point he found himself shaking so badly he couldn't even pour orange juice into a

blender for his family's breakfast He felt like his world was falling around him and he was afraid of losing his family his job and his mind But that was the day Jason met the Potter Not the cartoon God on nursery walls or the religious God preached about in many churches That day Jason began a journey with the Potter to learn Who He really is and why He created man and this journey is compiled in his new devotional *The Potter's Hands A 366 Day Journey to Knowing God* The Potter's Hands tackles questions such as If the Potter is so good then why did He create me to hurt and struggle Why am I so cracked and flawed Why does He fill me with so much pain and many more The answer Jason found was simple He is the Potter and we are the clay He formed us for His glory not our comfort He decides our size and shape He chooses what to pour into us and He is the One Who determines where He places us Our role in this is to trust Him as the Potter the Savior the Counselor the Servant the Commander the Spirit the Creator the Father the Rabbi the Redeemer the Healer and the Shepherd The heartbeat of *The Potter's Hands* is to remind readers that the clay can do nothing apart from the Potter's hands but in the Potter's hands He can create a masterpiece for His glory What more could we ask for Come along for one year and walk with Him Let the Potter reveal to you Who He really is **AT BETHANY** Herschel E. Oden, 2013-07-04 The Ancient Christian Commentary on Scripture is a unique twenty eight volume series encompassing all of Scripture and offering contemporary readers the opportunity to study for themselves the key writings of the early church fathers Arranged by the books of the Bible each portion of commentary allows the living voices of the church in its formative centuries to speak as they engage the sacred page of Scripture rendered throughout the series in English in the ecumenically accepted Revised Standard Version of the Bible The Ancient Christian Commentary on Scripture does what very few of today's students of the

Bible could do for themselves With the aid of computer technology the vast array of writings from the church fathers including much that is available only in the ancient languages have been combed for their comment on Scripture From these results scholars with a deep knowledge of the fathers and a heart for the church have hand selected material for each volume shaping annotating and introducing it to today s readers Each portion of commentary has been chosen for its salient insight its rhetorical power and its faithful representation of the consensual exegesis of the early church The Ancient Christian Commentary on Scripture is an ecumenical project promoting a vital link of communication between today s varied Christian traditions and their common ancient ancestors in the faith On this shared ground we listen as leading pastoral theologians of the church s first several centuries gather around the text of Scripture and offer their best theological spiritual and pastoral insights Today the historical critical method of interpretation has nearly exhausted its claim on the biblical text and on the church In its wake there is a wide spread yearning among Christian individuals and communities for the wholesome the deep and the enduring The Ancient Christian Commentary on Scripture seeks not to replace those excellent commentaries that have been produced in the twentieth century It supplements them framing them with interpretive voices that have long sustained the church and only recently have fallen silent It invites us to listen with appreciative ears and sympathetic minds as our ancient ancestors in the faith describe and interpret the scriptural vistas as they see them The Ancient Christian Commentary on Scripture is a postcritical revival of the early commentary tradition known as the *glossa ordinaria* a text artfully elaborated with ancient and authoritative reflections and insights An uncommon companion for theological interpretation spiritual reading and wholesome teaching and preaching
