G. Heath,2005-09 A lovely bookstore owner asked me why she should read this book I explained that in writing this book I undertook a purposeful investigation leading where angels and all good Baptists fear to tread It was during this attempt at explanation the picture formed in my mind of addressing an auditorium full of women My opening remark to them is Women hunger and thirst for romance What is it that men want The entire audience responds with a resounding chorus in unison with one word SEX I then ask No really ladies what do men really want Again with a single voice

the chorus returns loudly SEX Seeing that I am getting nowhere fast I decide to try a new tack I ask Please ladies as a Romantic a Poet what do I as a man want Back it comes SEX There is a definite mind set at work here Okay honestly as a Romantic a Poet what do I want from a woman SEX Satisfied But my admission of common guilt is only true to a point Believe it or not ladies some men like myself want romance as much as you do It is in searching for this elusive thing that I have discovered so much that betrays you ladies in the very areas you are supposed to excel in the romance department I treat the causes and results of such betrayal in this book *TLA Video & DVD Guide 2005* David Bleiler,2004-10 This 2005 edition of the annual critical guide that focuses on independent and international films as well as the best in the mainstream contains reviews for more than 10 000 films more than 300 photos a comprehensive selection of cinema from more than 50 countries and much more *I'm Just Her Father* Elizabeth Martin,Merle Martin,2014-01-04 The world seen from two set of eyes is enthralling especially when those eyes belong to two people who share the same genes but different lives For example Mel Martin s view of Alaska in the 1960s and 1970s is certainly different from Elizabeth Martin s Alaska of this century Besides a father and daughter can look at the same thing and see two different universes The book stretches from the past to the future from Alaska to Russia and from everyday to unique experiences It includes poetry short stories opinion pieces and even limericks The goal is to amuse not educate Yet you likely will mine some nuggets from the Martins combined 85 years of writing experience Many of the pieces use humor laced with sarcasm Father and daughter occasionally berate each other but it is all in fun and includes a lot of love Readers of all ages will find something in this unique book that appeals to them
