the Great White Throne Judgment at the end of time God's Law is pure law It is cold logical unemotional and perfect It is just It is righteous But as such it does not offer grace compassion forgiveness or hope Therefore each of us will be found guilty and sentenced to the Lake of Fire That is our eternal fate under God's Law God does not want to do this but His Law forces Him to find us guilty and sentence us to suffer for all eternity How can God avoid the demands of the Law fulfill the letter of the Law keep the Law intact and still deal with us in love grace and compassion God is able to use a little known clause in His Law to offer a solution to this problem It is a plea bargain agreement to satisfy the Law and still save us To this end He wrote the Bible a legally binding contract to offer an escape *Help! David H. Thiele,2014 What Wondrous Love delves into the controversial topic of unconditional love examining the history of the concept its infiltration into the theology of the church and its dangerous effects Although some may feel that author David Thiele downplays God's love in reality he points readers to a truer understanding of God's love and His nature as revealed in Scripture and expounded upon in the Spirit of Prophecy reminding all that Jesus came to this world to fulfill every condition of the righteous law of love In so doing we are granted the opportunity to overcome sin as Christ did and be reunited with our heavenly Father when Christ returns What Wondrous Love indeed Page 4 of cover Parallel

Waksman,2009-02-04 Waksman brings a new understanding to familiar material by treating it in an original and stimulating manner This book tells the other side of the story Philip Auslander author of *Performing Glam Rock Gender and Theatricality in Popular Music* While there are a number of histories of punk and metal and numerous biographies of important bands within each genre there is no comparable book to *This Ain't the Summer of Love* The ultimate contribution the book makes is to provoke the reader into rethinking the ongoing fluid relationship between punk a music that enjoyed considerable critical support and metal a music that has been systematically denigrated by critics This book is the product of superior scholarship

it truly breaks fresh ground and as such it is an important book that will be regularly cited in future work Rob Bowman Professor of Music at York University and author of *Soulsville USA The Story of Stax Records* Debunking simplistic assumptions that punk rebelled and heavy metal conformed Steve Waksman demonstrates with precisely chosen examples that for decades the two shared strategies and concerns As a result this important volume is among the first to extend to rock history the same much needed revisionism that elsewhere has transformed our understanding of minstrelsy blues country music and pop Eric Weisbard author of *Use Your Illusion I II*
